Accountability Tests

FCPS students write well, need improvement in math

The 2010-11 school year marked the second year of NeSA (Nebraska State Accountability) tests. In April of 2011, students in grades 3-8 and 11 across the state took the NeSA-Reading test, NeSA-Math test and the NeSA-Writing test (4 & 8). The Nebraska State Board of Education set high expectations for mastery levels on these tests to assure an emphasis on growth.

Students participated in both, on-line assessment versions, as well as the traditional paper and pencil mode, at Falls City Public Schools. Student performance was measured against revised state reading and math standards that identify what students ought to know and be able to do at certain grades. NeSA results provide teachers and parents with valuable information concerning academic achievement and growth over time, as well as providing critical information in curriculum delivery.

“Generally speaking, we have work to do to improve mathematics scores on the state tests in order to continue to meet the state goal,” Superintendent Tim Heckenlively said. “We also continue to face challenges as a district in closing the achievement gap among our subgroups. However, our hard work and diligence with assessments is paying off. FCPS improved from 68% of our students district-wide meeting or exceeding the NeSA-Reading assessment standards in 2010, to 77.4% meeting or exceeding the NeSA-Reading assessment standards in 2011.”

71.78% of students statewide were proficient or higher on the 2011 Reading test. At the district level, 76% of FCPS students were proficient or higher on the reading test. 62.82% of students statewide were proficient or higher on the 2011 Math test. At the district level, 68.3% of FCPS students were proficient or higher on the math test.

The state writing test was completed in grades 4 and 8 for state reporting in 2011. 89% of students statewide were proficient or higher on the 2011 writing test. At the district level, 90.74% of FCPS 4th grade students were proficient or higher on the writing test. At the 8th grade level, 89% of students were proficient or higher on the writing test at the state level, while 77.59% of FCPS 8th graders were proficient or higher on the state writing test. When analyzing the district scores compared to state averages, percentages of student meeting or exceeding the state averages vary somewhat from grade level to grade level.

Research shows that data are key to knowing what a student does well and where the student needs additional learning opportunities. The goal is for parents, teachers and administrators to use individual and school student data to improve instruction for students. FCPS uses data to drive school decisions about how resources are distributed with the goal of improving areas of need. Parents who are concerned about their child’s performance should talk to that child’s teacher. NeSA-Assessments are a one-time, drop-in measure of a student’s academic skills. A student’s teacher knows best how

Commissioners hear woes as a result of flood

Ron Wissman and Janette Schulenberg met with the Richardson County Commissioners and EMA Director Jim Gerweck Tuesday, Sept. 6, to discuss problems that have occurred as a result of months of Missouri River flooding.

They reported that mowing is needed along the county road right-of-way on the road south of Rulo leading to the mouth of the Nemaha River. They also said an electrical wire they assume is temporary and placed by the power company could possibly be a hazard and danger to those who would not know it is there.

Gerweck offered information about what type of assistance is available for flood victims. Public assistance has been granted by FEMA, he said, but individual assistance has not yet been awarded pending submission of a minimum amount of damage. As of Tuesday, Richardson County has not met the FEMA minimum standards for individual assistance.

Heritage Nebraska Main Street recognized the best downtown revitalization projects of 2010-11 at their annual awards dinner at Chances R in York, and Falls City was well represented among the winners with six state awards.

The evening was a wonderful testament to the dedication of the Main Street Falls City program, as they were acknowledged for receiving the National Main Street Accreditation. The winners were shown to be forward thinking doers who are determined to make a difference in their community in the present, while building for the future.

The following are the winners from Falls City and some of the statements from the judges:

Creative Window Display: Hometown Floral. “They are very artistically done” and “This is the style of window decorating that works.”

Interior Improvement —

Commercial: Memory Lane. “Excellent improvements to the interior of the building” and “The photos show an elegant

having 800 people attend” and “Great to see a workshop came out of your use of Facebook.”

Special Event or Annual Festival: Harvest Festival.

“Good job of involving a cross-section of volunteers” and “A celebration of agriculture is an excellent theme for a rural community.”

Outstanding Public Partner: City of Falls City. “Seems to be a very visionary city government” and “Quite a bit accomplished since becoming a Main Street community.”

Interior Improvement — Residential: Grand Weaver Hotel Apartments. “Great investment and utilization of space” and “Great project for the downtown.”

Each Heritage Nebraska Main Street recognizes their *outstanding volunteer of the year* and *business of the year*, and this year’s *Falls City Award of Excellence/Volunteer* was: Diana Orton, and

Award of Excellence/Business of the Year was: Heritage Falls Candles.

Congratulations to all the winners and thank you to all of them for making a difference in the quality of life in Falls City.

\$25,000 grant to Main Street

Main Street Falls City has been awarded a \$25,000 economic development grant to benefit the downtown beautification project.

FHLBank Topeka, a wholesale financial institution of which First National Bank and Trust Co. is a member, awarded the grant through its Joint Opportunities for Building Success program. JOBS helps financial institutions throughout Colorado, Kansas, Nebraska and Oklahoma promote jobs and economic growth in their communities.

Main Street Falls City will use the monies to offer low-interest loans to retailers in the Downtown Historic District for improvements to their businesses that will aid in Main Street’s beautification and revitalization plan for Falls City. Infrastructure improvements will not only beautify the downtown and improve safety, but will encourage business owners to begin looking at storefront improvements.

The repayment of the loans from the JOBS grant will create a pool of funds that will provide ongoing opportunities for Falls City’s downtown businesses to draw from for renovations. Receiving this grant offers beautification opportunities for local retailers today, as well as into the future.

Council hears new ballpark plan

By Scott Schock

Rod Vandenberg and Brian Poppe, representing the Ballpark Improvement Committee, introduced a new and less costly plan for the refurbishment of the Dallas Jones Park ball diamonds in a presentation Tuesday evening during the city council meeting at City Hall.

Mayor Tim Hersh presided at the meeting.

Rather than expand to five diamonds, the new plan calls for significant improvements to the existing four-diamond complex. Designed by Turf Solutions Group of Peoria, IL, the cost estimate is \$1.9 million, which is about \$750,000 less than the original plan.

Vandenberg pointed to the April 27 community meeting hosted by the committee, during which several suggestions from the public were offered. “Our committee did listen carefully,” he said, and thoroughly discussed and evaluated those suggestions, which included obtaining a second opinion, staying with four diamonds and trimming costs. The new plan incorporates all of those ideas, Vandenberg said. “In my opinion, these changes are all very positive and I hope this confirms our sincere desire to provide a plan you folks and this community will support.”

Turf Solutions Group has vast experience in the

ballpark design business. After two visits to Falls City, they submitted a plan that won unanimous committee approval. The committee voted to employ the company.

The company will also provide plans and estimates for improvements at the Grandview Park facility, Vandenberg said.

Vandenberg said the next major step in the process will be a second community meeting to be held in the Commons Area at Falls City High School on Wednesday, Sept. 14. The meeting will begin at 7 p.m. and large schematics of the plan will be on display. Turf Solutions officials will be present. He urged council members and representatives of the Board of Public Works, the Parks Board and the public to attend.

After that meeting, the committee will return to the council on Sept. 19 with specific requests, including the approval of Turf Solutions as project consultant/developer “at a cost not to exceed \$1,900,000,” Vandenberg explained. He said the committee will be prepared to ask the council both in-kind and monetary support. “I would tell you also that these things will reduce our estimated costs through change order deductions,” Vandenberg said.

He said the fund-raising campaign would begin

LINCOLN – Gov. Dave Heineman decided to flat out oppose the route proposed for the TransCanada XL Pipeline. Some people wondered: “What’s that about?” Others said: “It’s about time!”

Heineman said what other critics have said in arguing that TransCanada’s preferred path for transporting tar sand oil across the porous Sandhills and the Ogallala Aquifer represented too great an environmental threat. His opposition was offered sans the vitriol and adjective-laden rhetoric of many pipeline opponents.

Importantly, it also was offered after the feds issued a favorable, final environmental impact statement. Most observers, for and against the pipeline, said the report virtually assured a green light for the project.

The pipeline would transport the controversial tar sand oil from Alberta to the Gulf Coast of Texas.

Heineman attributed his change in position to his sense that more and more Nebraskans are opposed to the pipeline route.

The question from here: If the governor opposes the proposed route, why didn’t he summon the Legislature for a special session to address the issue?

The Congressional Research Service said last year that states – and not the federal government – have authority to dictate routes for all manner of pipelines. The federal government can determine whether a pipeline may be built, but the states can say how it will get from one place to another.

For Nebraska to do that, the Legislature would have to enact news laws and regulations to implement its authority. The only Nebraska law now on the books is one giving pipeline companies the power of eminent domain – the right to take private property if owners won’t make a deal to sell their land.

Heineman said he’d just written to President Obama and Secretary of State Hillary Clinton, stating his opposition. He urged all 49 state senators to do the same.

However, he simultaneously said that approaching the feds would be the fastest way to deal with the problem.

It’s hard to figure out how that could be accurate.

Lawmakers could quickly be called back to Lincoln. They would operate on their own schedule, but they would have the ability to pass legislation within a matter of days and send it to Heineman for his approval or veto.

The Obama administration has said its decision won’t come until sometime in November.

The Legislature can also call itself into special session with approval of a super-majority of its 49 members. Some lawmakers have said a move to do that will begin this month.

A TransCanada spokesman said Heineman’s opposition was regrettable, and late.

The company always has argued that environmental risks have been overstated by a variety of scientists and other critics. The latter have in turn argued that TransCanada has grossly understated the threat the pipeline proposes to the aquifer, their view that it is virtually certain to leak, and that no cleanup operation could be sufficiently thorough.

Pipeline supporters have joined TransCanada in its position, as well as arguing the project would provide thousands of jobs while giving America additional oil assets from a friendly nation.

Previously during the meeting, the board requested to meet with

Assessor Regina Cummings regarding the budget for her office, but she was unable to meet with them.

Highway Supt. Scott Huppert provided his weekly update. He notified the board that a bridge has been closed on 712 Road between 638 and 639 Avenues, approximately three-quarters of a mile west of the Highways 73-75 junction, north of Dawson. The board requested that

a student is performing daily in the classroom and what the test results mean.

The NeSA results indicated a strength for Falls City Public School students is reading. FCPS students scored above the state average in both reading comprehension and vocabulary, which can be attributed to the district level focus on explicit vocabulary instruction and professional development for teachers in the area of literacy.

An area most in need of improvement for the Falls City Public Schools is closing the achievement gap and helping more students meet high academic standards. In order to improve student performance, useful information from the NeSA assessments will be effectively communicated to teachers in meaningful methods that will guide them in adapting math instruction with the goal of improving overall student achievement in reading, math and writing.

Parents will receive a report on their child’s scores from the school district in September. Parents may access materials to help them help their child with reading, mathematics, science and writing through the Nebraska Department of Education’s homepage at www.education.ne.gov. These materials include a brochure, a video and a Q and A on NeSA Tests.

In summary, these test scores provide yet another effective tool to improve instruction for every child, but no single test can tell the full story about the performance of an individual student or a school or district.

the annual Road Department inventory report be completed and submitted as soon as possible. Brush complaints and recent notices that have been sent were reviewed.

Huppert presented more information on the proposed driveway entrance policy and county costs that could be saved.

The board adopted a resolution to set a public hearing date for Tuesday, Oct. 4, at 10 a.m. for the closing of a road (a portion of 703 Road running east of 650 Avenue).

A conference call (and later a personal meeting) was held with recently retired Otoe County Treasurer Jackie Smith. She will be assisting the Richardson County Treasurer’s office. The board said the county would offer reimbursement for travel allowances and would also be willing to offer compensation for time.

A motion was passed to table a claim from Bryan LGH for \$15,541.70 for expenses incurred by an Emergency Protective Care patient.

THE VILLAGE IDIOT

Hurricanes dangerous? Pish, posh

By Jim Mullen

Will the people who have million-dollar second homes on the East Coast beaches be able to get out of the path of Hurricane Irene in time? Will Hurricane Irene disrupt air travel to their third home in Aspen or their fourth home in Sedona? Will they lose an entire day of tanning on the beach?

People with only one home far from expensive beachfront property may not understand how inconvenient for rich people a hurricane can be. Is low-cost, subsidized federal flood insurance all we can do for the wealthy? Can’t we raise taxes to make sure they’ll be able to rebuild on the same flood-prone spot? Some millionaires may be trapped on their million-dollar yachts on the Intercoastal Waterway. Is there nothing that can be done for them? Can’t FEMA airlift their yachts to safety? And put them in five-star hotels until after the storm? With premium cable channels, of course.

Sure, not all of us can afford a 10-bedroom house on the beach, or even a vacation to a beach, or even a day on the beach, but that doesn’t mean we can’t help our millionaire brothers and sisters.

What can we do to help the people who live next to brooks and streams that flood every other year? How can we prevent them from being taken by surprise, over and over and over again? Who knew that heavy rain may cause flooding? Couldn’t we warn them by, say, putting warnings of an approaching storm on the news 24 hours a day for a solid week on every channel until their heads spin?

Maybe the warnings don’t work. After all, if weathermen can stand in knee-deep puddles of water doing Marcel Marceau against-the-wind impressions, why can’t everyone? If it’s OK for the guy from Channel 47 to go outside in a hurricane, why can’t you? Or do weathermen have some magical power against hurricanes that we don’t know about? What about their cameramen and lighting crews? Are they immune to bad weather, or are they ordinary humans like you and me?

Should TV stations show people surfing during a hurricane? Baseball games used to be interrupted regularly by clowns running across the outfield, until the broadcasters stopped showing them. People still do it, but it’s much more rare, because what’s the point of doing something stupid if no one’s going to see it? Not rewarding idiotic behavior by giving the showoffs exactly what they want -- to be on television -- is a good first step.

What do the words “mandatory evacuation” mean? If you watch TV, it means you can stay home if you want. News reporters go out of their way to find people on the beach who say they are going to “ride it out.” Often this is followed by the explanation that they are afraid of looters. These are the same people who voluntarily evacuate the beach every single winter. What is the thinking here, that looters don’t like cold weather but they love hurricanes?

Why do TV stations get away with calling something the “storm of the century” when there are 89 years of the century left? How would they know? In the last 11 years, there have been four “storms of the century.” The most logical answer is that they don’t know the meaning of the word “century.”

Maybe using the wind speed of hurricanes doesn’t get the “danger” message across well enough. We need something more graphic:

- Category 1: Not bad enough for Anderson Cooper to leave his house.
- Category 2: Anderson Cooper has more dangerous things to do.
- Category 3: Anderson Cooper flies in from an active war zone to stand on a roaring beach.
- Category 4: Anderson Cooper wets himself.
- Category 5: Anderson Cooper won’t go outside.

To the residents of Falls City, Nebraska:

On behalf of the Falls City Area Chamber of Commerce I want to thank each and every one of you for making the 2011 CobbleStone Festival a success. We are indeed fortunate, our city has so many dedicated volunteers who will give of their time for the betterment of our community. It is actions like these which make this wonderful community stand above the rest.

As is the tradition, of each CobbleStone Festival. At the end of the festivities, we gather to discuss the many elements which comprise our four days of Celebration. We are committed to fine tune each activity for a memorable experience by the participant for the next year.

Finally, to all of you who enjoyed the Parade and Festival. Thank you, your enjoyment made the effort very worthwhile and we look forward to seeing all of you at the 2012 CobbleStone Festival.

The program is sponsored by the Friends of the Auditorium

Rev. Roxie Sullivan was honored by the First United Presbyterian Church, Falls City and the First Presbyterian Church, Hiawatha for 10 years of service to the two churches. Cards and phone calls started arriving on Aug. 1, which was the actual anniversary. Sunday, Aug. 7, she was the guest of honor at a dinner at the Falls City Golf Club. Several members of the two congregations spoke about their joy when reading Roxie's resume. Highlights of her ten years were also mentioned. Sunday, Aug. 14, she was honored with a cake at an ice cream social at the Hiawatha church. She was also given a garden stake with the phrase "With Faith we can achieve anything we Believe!" Both congregations thanked her for 10 great years and expressed hope that they would enjoy many more. At the left is Pam Smith, holding a gift for Rev. Sullivan.

Food distribution Sept. 20, 22

PSC to observe 10th anniversary of terror attacks

Peru State College’s student clubs and organizations will observe the 10th anniversary of the terrorist attacks in New York; Washington, D.C.; and Pennsylvania with a program at 6 p.m. this Sunday, Sept. 11 on the Campus Quad near the Student Center as part of the National Day of Service and Remembrance.

The public is invited to attend. In the event of inclement weather, the event will be held in the Live Oak Room of the Student Center.

The program will feature remarks from Dale Thomas, a volunteer firefighter from Auburn who helped with the recovery effort at Ground Zero following the attacks. PSC First Lady Elaine Hanson, an advocate for volunteer service and American Red Cross board member with the Blood Services Division in Omaha, will also deliver remarks. The Peru V.F.W. Club

will present the flags.

Hanson said, “The rescue and recovery effort at Ground Zero marked perhaps the largest expression of charitable service in American history. In observance of the 10th anniversary of 9/11, the Peru State family hopes to engage and inspire people to make a commitment to service to honor the legacy of 9/11 victims, survivors and volunteers.”

Students are also sponsoring a used book sale from 10:30 a.m. to 1 p.m. and 5-6 p.m. Wednesday, Sept. 7 and Thursday, Sept. 8, as well as Friday, Sept. 9 from 10:30 a.m. to 1 p.m. Proceeds from the event will be donated to the Nemaha County Mutual Aid Association, which serves the volunteer fire departments in Nemaha County.

Lively Stones Kid Klub

The Corner Stone Baptist Church Lively Stones Kids Klub will began Wednesday, Sept. 7, from 6:45-8:15 p.m.

Each week, there will be a Bible story, quiz, game and a snack. Children of the community are invited to join in this evening ministry — and to bring a friend.

The church is located east of the Prosser and Campbell building, which is north on Highway 73.

On this day in 1985, Pete Rose ties Ty Cobb with 4,191 hits.

Derek Bargmann joins SENDD in Humboldt

Derek Bargmann has joined the Southeast Nebraska Development District (SENDD) in Humboldt. In his role as a Community Development Specialist, Derek will work with local boards and councils to support local leaders as they strive to sustain public infrastructure, improve structural and visual aspects of downtown business districts and create and retain jobs.

As part of the SENDD team, Derek will focus on community development and grant management needs in the four-county corner of Johnson, Nemaha, Pawnee and Richardson counties, while also being available to serve the other counties that make up the 15-county Southeast Nebraska Development District.

A Pender native, Derek has a Bachelor of Science degree in International Business with a minor in German from the University of Nebraska-Lincoln and plans to begin a Master of Public Administration degree at the University of Nebraska in Omaha in the spring. He currently resides in Auburn. In his free time, Derek is an avid Nebraska football fan as well as a viewer and follower of nearly any sport. Derek can be reached at the SENDD Office in Humboldt at (402) 862-2201 or via email at dereksendd@windstream.net.

Humboldt office has been very involved with four communities that are focused on downtown revitalization activities.

Derek will allow SENDD to maintain a two person staff out of the Humboldt office. “This job posting attracted many quality applicants and we have high expectations that Derek will continue the high level of service to the local leaders across SE Nebraska,” said Kevin Burnison of the SENDD Humboldt office. Burnison further noted that: “Derek’s interest in helping small communities survive and thrive and his willingness to bring his skills to work with us here in SE Nebraska is what makes him a great fit for this position.”

Along with Bargmann and Burnison working out of the Humboldt office, SENDD staff out of the Lincoln office consists of SENDD Ex.Dir. David

Taladay; Housing Specialists Ben Volz, Brian Bashore and Jim Warrelmann; Community Development Specialists Emily Bausch, Jen Olds and John Trouba; Economic Development Finance Officer Craig Eberle; and Fiscal Officer Sharon Taylor.

SENDD is governed by a 27-member board of directors that consists of one County Commissioner from each county and 12 non-elected representatives from across various sectors. There currently are three vacant non-elected positions on the SENDD Board. Persons who are interested in serving on this board and who may want more information, are encouraged to contact their county commissioner who serves on the SENDD Board or contact either SENDD office.

Commissioner Jim Davidson represents Richardson County on the board.

Check for invasive weeds

By Gary Lesoing
Nemaha County Extension

The past few years we have had informational meetings about the invasive weed *Sericea lespe-deza*. Now is a time you need to check pastures and non-crop areas to see if it is present. If it is present, it should be treated with a herbicide.

People have done an excellent job of identifying it and treating it in southeast Nebraska, so we can keep it under control before it gets a foothold and becomes a huge problem here. Even if you have not had a problem with it previously, it may have spread to your farm. *Sericea lespe-deza* spreads as birds and other animals spread the seed. *Sericea lespe-deza* can grow as tall as 4’ under good growing conditions. It is a coarse plant with a dense growth of leaves along its stems and branches. In the vegetative stage cattle will eat it, but as it matures it becomes unpalatable to cattle because of high tannin content. It is a very prolific seed producer as well. It is extremely competitive and it can crowd out desirable grasses and forbs.

If you have a weed growing on your property and you don’t know what it is and think it may be *Sericea lespe-deza*, bring it into the Nemaha County Extension office so we can positively identify it. In early summer PastureGard or Remedy, both of which contain the active ingredient triclopyr, are recommended for control. This time of year and in the fall, products that contain the active ingredient metsulfuron are the most effective. For rangeland, the University of Nebraska recommends Cimarron Plus or Escort.

Another weed that seems to be showing up more, especially in non-crop areas, is Johnsongrass. I have seen it along roadsides and along the edges of fields and pastures. Johnsongrass is usually easy to control with glyphosate or one of several grass herbicides. Fall is also a good time to control musk thistle. If you have had problems with this noxious weed in the past, you may want to check those previously infested areas. It is much easier to control musk thistles when they are young seedlings in the rosette stage than in the spring when they start to bolt. The 2011 Guide on Weed Management (UNL Extension publication EC130) provides several options for control of these weeds. If you have questions about these weeds or any weeds you are unfamiliar with, feel free to contact the Extension office in Nemaha County at (402) 274-4755.

On this day in 1998, Mark McGwire breaks Roger Marris' 62 home run record for a season, and goes on to hit 70 home runs for the 1998 season

The Power of Simplicity

by Bill Hall

Jesus Christ had a deep appreciation for simple things. His teaching was profound, but always simple. He reached the hearts of His hearers, not with high-sounding philosophical jargon, but with illustrations and "to the point" teaching. He could see in a farmer sowing his seed, or a lily showing its beauty, or a shepherd leaving his flock to seek one lost sheep, or a loving father welcoming a wayward son, a lesson that could teach some spiritual truth.

His apostles were chosen from the humble class. He could appreciate people, not for what they possessed, but for what they were; and, in some cases, not for what they were, but for what they could become. He recognized true quality, and true quality is often found in the simple and humble.

The worship He ordained was simple in nature. "Now on the first day of the week,

when the disciples came together to break bread, Paul spoke to them" (Acts 20:7). Even the poorest could worship, for all that was required of a material nature was a little bread and fruit of the vine. Those of little talent could worship, for God was listening in view of the heart rather than the beauty of the voice.

He authorized a simple organization for His church, with each congregation appointing its own bishops and deacons (Philippians 1:1). There were no denominational associations, conferences, or synods. There were no inter-church organizations or societies. Yet, through the simple organization given the church by the Lord, the world of the first century was thoroughly evangelized and the needy among them provided for. The Lord knew that success in His work would not be brought about through complexity of organization, but through dedication, faith, and commitment on the part of His

followers. We make a terrible mistake when we try to substitute the former for the latter.

Why this simplicity? "That no flesh should glory in His presence" (I Corinthians 1:29). The complex systems that men devise tend to bring glory to themselves rather than to God.

To return to the simplicity which our Lord ordained might not be impressive to the worldly-minded, but, then, Jesus Himself is not very impressive to the worldly-minded. Besides, our purpose is not to impress the worldly-minded, but to please God and bow in submission to His will. Let us do away with our super projects and complex systems. Let us learn to appreciate simple teaching and simple ways.

Above all, let us learn to appreciate Bible teaching and Bible ways. Consider the following quote from historian and author, Ed Harrell: "How foolish we are to think that God will be impressed with our voices when we sing; after all, He hears the angels sing! How foolish to think He will be

impressed with our cathedrals; remember, He made the Grand Canyon!" What God is seeking is a heart that is pure, loving, and obedient to His will. And that's simple!

BALL FIELD IMPROVEMENT PLAN
AT
DALLAS JONES MEMORIAL PARK

City Council

(Continued from Page 1)

after the Sept. 19 council meeting. “We have been asked about timing of the project with respect to the 2012 season,” said Vandeberg. He said the committee “is very sensitive” about this issue and that, if the funding is raised, construction would begin after next year’s season (which might be shortened a bit).

Poppe said the plan calls for new bleachers for the Legion Field and that the entire project should take about eight months to complete. In answer to a question from Councilman Steve Scholl, Poppe said the committee would work with Falls City High regarding the autumn 2012 girls’ softball schedule. He said existing parking and lighting would be used and that new restrooms and concessions would be more centrally located.

Vandeberg said the committee is also hoping for community offers of in-kind assistance, from heavy equipment operators, for example. “Everything we can do to cut that \$1.9 million, we’re going to do it.”

City Administrator Gary Jorn presented information regarding the City’s budget for 2011-12. No one spoke during the budget/property tax levy public hearing and the council voted to endorse the budget and levy numbers. The Journal will take a close look at those numbers in next week’s edition. The general fund budget is \$2,739,456 and the utility fund budget is \$8,527,105. The overall levy, including for Brenner Field, is 49.6842 cents, fractionally higher than last year’s.

In other developments, the council:

- Heard a report from Jorn about work projects underway or completed. Three new camper pads, a new drinking fountain and three new benches (in memory) have been installed at Stanton Lake, he said.
- Approved the transfer of \$250,000 from the Capital Improvement Fund to the General Fund.
- Approved a replat of Lots 6-12, Block 26, Steele’s Addition.
- Okayed a request from the Falls City High School football parents for a bonfire in the parking lot of the girls’ softball diamond (usual location). The area will be reserved from 3:30-10 p.m. on Thursday, Sept. 22.
- Approved a request from Christ Church of Falls City for a “Hoe-down at the Park” set for Saturday, Sept. 24, from 4-8 p.m. Karen Berry, wife of Pastor Jim Berry, explained the event will be free and feature food, refreshments and entertainment. She said this is intended as a free community event at Stanton Lake.

On Tuesday evening (9/6), our Ballpark Improvement Committee presented the Mayor and City Council with an update on our ballpark improvement project. Among other things, the presentation included a newly developed brochure for the proposed project . . . including a diagram of the layout . . . as well as cost estimates.

Also invited to the meeting were our Board of Public Works, which is chaired by Merle Veigel, and our Park Board, which is chaired by Nick Harling.

Our purpose was: 1) to provide a heads up on where we are currently at on the project, and, 2) to extend a personal invitation to the members of the three groups to attend our second Community Meeting, which will be held at the High School Commons Area at 7 p.m. on Wednesday, Sept. 14.

Of course, as you will note from our ads in the Sept. 1 and 8 Journals and our public announcements on KTNC-AM and KLZA-FM, everyone is invited and encouraged to come to this important meeting.

Inasmuch as the Journal was present at the Tuesday meeting, I am confident you will see a feature article in this Journal; so I will not attempt to duplicate their reporting in this article.

Finally, we have asked to appear before the Mayor and Council again on Monday, Sept. 19, at which time it is our intention and hope to obtain necessary City approvals, including specific approval of the support (both in-kind and monetary) we will be seeking from the City itself.

Following this meeting, and assuming no unexpected developments or issues arise, our Fund Raising Campaign will begin.

Respectfully,
Rod Vandeberg

At first glance, Sacred Heart's 42-8 opening victory over Diller-Odell last Friday would appear the Irish got the season started off on the right foot. But this is Sacred Heart where standards and expectations are above average.

"We were sloppy," said Head Coach Doug Goltz, who is in his 25th season as head coach of the Irish football program. "We had too many mistakes, but it's a good start to the season."

The Irish forced D-O into five three-and-out punting situations during the game, which is a good sign for a defense that had a few question marks coming into the season.

The ballgame started with the first of the Griffon's three-and-outs, which led to Sacred Heart's first touchdown. After a solid punt return by junior Lane Barnhill set the Irish up with great field position, junior quarterback Lane Scheitel punched it in from one yard out to cap of a five-play, 14-yard scoring drive.

Later in the first quarter, sophomore defensive back Colin Niemeyer put a nice hit on a D-O ball carrier and forced the ball loose. Senior Casey Martineau recovered and it was first and goal for the Irish from the Griffons' 9-yard line. Senior back Garrett Harring scored on the next play to put the Irish up 12-0. Barnhill's carry on the 2-point conversion was successful and the floodgates began to open.

Barnhill would go on to score twice more in the first half – a 70-yard run off the left side of the offensive line that showed off his jets and on an 18-yard reception from Scheitel. He finished the game with five carries for 105 yards, two receptions for 24 yards, one kickoff return for 26 yards and four punt returns for 78 yards, along with the three touchdowns.

Scheitel had an impressive game himself. Besides his 15 carries for 51 yards, Scheitel completed 75 percent of his throws (9-12) for 78 yards and three TD's. Most importantly, Scheitel finished the game with zero turnovers, which is exactly what a coach is looking for out of his signal caller.

Competition will get stiffer tomorrow night as Sacred Heart travels to Mound City (2-0, three-time defending state champions). Former Falls City

resident Lucas Schawang is Mound City's leader and best player. Schawang, a senior, ran wild in last fall's meeting at Jug Brown Stadium.

"This week we'll find out more about ourselves," commented Goltz. "Mound City has a great program."

Kickoff for the Sacred Heart – Mound City game will be at 7 p.m.

Lady Irish 3-2 after quick win Tuesday at Odell

The Lady Irish volleyball team is 3-2 on the young season after sweeping still-winless Diller-Odell in three games last night on the road.

Sacred Heart won its season-opening match in Oregon, MO, last Thursday, defeating South Holt 25-20 and 26-24.

Kathryn Bieker led the Lady Irish, going 12-15 on serves with three aces. Sara Landis was 10-15 on attacks and also had a game-high six blocks. Freshman Elizabeth Magdanz led the Lady Irish with 10 assists.

Sacred Heart then traveled to Weeping Water on Saturday for a tournament, going 1-2. They fell to unbeaten NC Lourdes in two games (25-15, 25-20) in the first match, then defeated Conestoga in two games (25-11, 25-20) and finished up with a loss to Clarkson/Leigh in two games (25-18, 25-17).

In the opening match against, Landis led the Irish in service points (5), kills (4) and was second in digs (4). She was also tied with Janey Malcolm with a team-high five blocks. Malcolm, Elizabeth Magdanz and Molly Chapple each recorded two assists.

In the victory over Conestoga, the Lady Irish served the ball much better as a team by serving 42-29 successfully. Ashli Jordan scored seven points, Elizabeth Magdanz recorded six and Landis and Chapple each had five. Landis led the team with seven digs, followed by Abby Magdanz' six.

In the final game against Clarkson/Leigh, Kelly Schawang led SH with eight digs and was also 5-8 serving with two aces. Landis led the team with six blocks and five kills. Chapple and Elizabeth Magdanz each recorded four assists.

Sacred Heart goes to the HTRS Tournament Saturday. The home opener is Tuesday against 2-3 Southern.

The Lady Tiger softball team won the Auburn Invitational for the first time in its 15 years as a program. Front row, left to right: student manager Meredith Poppe, Kirstyn Buchholz, Claire Poppe, Ashleigh Jordening, Jayme Schwarting, Payshince Dawkins, Allyson Scholl and student manager Carson Bredemeier; back row, standing Assistant Coach Dianne Kottich, student manager Meg Rieschick, assistant coach Jason Bredemeier, Brooke Scheitel, Sydney Armbruster, Amie Wiltse, Jennifer Wendtlandt, Nicole Romine, Shelby Hoppe, Head Coach Joe Dunn and student manager Cade Bredemeier.

Lady Tigers win Auburn Invite, now 8-4

Falls City High’s softball team defeated Conestoga Tuesday night, 4-2, at Dallas Jones Park to improve to 8-4.

“It was another night of timely hits that allowed us to pull out another victory,” said Head Coach Joe Dunn. “Claire kept the ball down all night and allowed our defense to make just enough plays to win.”

Freshman Sydney Armbruster and sophomore Brooke Schei-

tel both went 2-3 at the plate. Junior Claire Poppe picked up the win for FC allowing just four hits and no earned runs.

A first-time accomplishment was achieved last weekend for the Lady Tigers softball program. Dunn and his team won the Auburn Invitational for the first time in the fifteen years of the program.

The Lady Tigers defeated Wymore Southern, 5-2, in the championship game of the tournament. It was FC’s second win in a week against Southern.

“It feels pretty good,” said Dunn.

The Tigers rolled through Auburn, 19-4, in the first-round match and then defeated Syracuse, 4-3, in a tight one to advance to the championship match. Against Auburn, Jennifer Wendtlandt was 2-3 with a whopping five RBIs. Poppe (3-4, 3 RBIs) and freshman Sydney Armbruster (1-3, 3 RBIs) also had solid games at the plate for the Tigers.

Against Syracuse, senior Jayme Schwarting hit a ball to right field that got by the Syracuse right fielder, rolled to the fence and scored Claire Poppe for the game-winning run.

Poppe’s double two batters earlier scored Ashleigh Jordening from first-base to tie the game. Poppe was 2-4 with RBI’s in the game against Syracuse.

Schwarting went 2-3 with an RBI against Southern in the championship game. Poppe was 1-3 with two RBIs and Armbruster was also 2-3 at the plate.

“It was a true team victory,” said Dunn. “Timely hits, matched up with great pitching and good defense helped us to claim victory.”

Last Thursday, the Lady Tigers split a triangular with Auburn and Freeman at Dallas Jones Park. Falls City defeated

Auburn 8-1 and lost a nail-biter, 1-0 to Freeman. Sophomore Payshince Dawkins went 3-4 against the Bulldogs. Poppe and Schwarting each drove in two.

TIGER JV 4-0

The Falls City Tigers JV softball team beat Conestoga 15-3 on Parents Night to improve to 4-0 on the season. Brittany Ritter led the offensive explosion for the Tigers by going 3-3 at the plate. Amie Wiltse collected two hits, and Sydney Armbruster also had two hits, including a bases-clearing triple to end the game.

In earlier action, the JV squad won at Nebraska City 4-0. Shelby Hoppe’s single in the first inning scored two runs to help the Tigers jump out to a fast start.

In sports it is better to have a bad memory, especially when you are on the wrong end of a lopsided score. Falls City High fell to Fairbury last Friday, 54-13, in what will become a game to forget for the Tigers.

Falls City fell behind 33-0 at the end of the first quarter after early fumbles doomed them. The Tigers fumbled three of their first five plays from scrimmage. One of the fumbles landed in the end zone and the Jeff’s recovered it for six points. The game snowballed quickly for the Tigers, who no doubt want to learn from their mistakes and move on.

Statistically for the orange and black, junior running back and defensive end Cord Huettner may have been the lone bright spot. Huettner carried the ball 15 times for 83 yards (5.5 ypc) and a touchdown. Mitchell Harling, (4 car., 30 yds., 7.5 ypc) scored the other TD for the Tigers.

Huettner also led FC with five tackles. Josh Stoller, Logan Auffert and Wade Maddox each had four.

The Tigers face Lincoln Lutheran tomorrow night at 7 p.m. It will also be Parent’s Night for Falls City.

HTRS falls to 0-2

It was more of the same last week for the Humboldt-TR-S Titan football team. The Titans, now 0-2, squared up against one of the tougher C2 teams in the area in a 20-6 loss.

“Wilber-Clatonia had a very stout defense with some quick linebackers that we had trouble blocking,” commented Head Coach Darin Fritz.

Wilber-Clatonia’s Foster Zlab scored on a 1-yard touchdown run with just nine seconds remaining in the first half to put the Wolverines up 14-0 at the half.

H-TR-S answered with a score early in the second half when senior Jake Clancy scored from one yard out to bring the score to 14-6, but W-C’s defense proved to be too much for the Titans.

“Their second score came with 9 seconds to go in the 2nd quarter,” said Fritz. “If we hold there and come out and score at the start of the third like we did, it’s a 6-6 ballgame.”

The Titans stayed in the ballgame by forcing seven fumbles, five of which they recovered. An early bright spot for the Titans is they have forced 13 fumbles in their first two contests and have recovered ten of those. They are +8 in the fumble category.

“We have been playing physical football with a couple of good C2 teams,” said Fritz. “We have some competitive players that are working hard for a successful season.”

The Titans will take this week off before playing Louisville next week in Humboldt.

(TOP) Pictured from left to right are the winning anglers from this year's FC Firemen's Fishing Contest (name, place, age division): Haylee Vice, 1st, 11 – 15 yrs. old; Gage Gresham, 3rd, 11 – 15; Trey Carter, 2nd, 6 – 10; Jacob Joy, 3rd, 6 – 10; Garrett Clark, 1st, 6 – 10; Vaughn Lenard, 2nd, 0 – 5; Jordan Ogden, 2nd, 11 – 15; Madison Dougherty, tied-3rd, 0 – 5; Kadyne Mooney, tied-3rd, 0 – 5. A total of 134 kids participated in the annual event. (LEFT) The Master Angler at this year's FC Firemen's Fishing Contest was Joshua Brown, pictured here with his father, Jeremy Brown, his two trophies and his prize-winning fish. Joshua (with a little help from Pops) reeled in a 6 lb, 6 oz carp out of Stanton's Lake. According to our records it is the one of the biggest fish caught in a long time at the annual event. Brown took home first prize in his age group, 0 – 5, and was also the overall winner.

Lady Tiger volleyball team 0-3 after Tuesday home loss

The Falls City High Lady Tigers volleyball team opened the season with a pair of losses last Thursday at Tecumseh.

Falls City fell to host Johnson County Central in two games, 25-14 and 25-14.

Maygan Ramsey and Jacy Lewis each recorded three kills against JCC. Baylee Vrtiska recorded seven assists. Jillian Lunsford had nine digs to lead the Lady Tigers.

The Lady Tigers then fell to Humboldt-TR-S in two games, 25-17 and 25-17.

Lunsford led the Tigers with nine digs, while Vrtiska, Lewis and Ashley Sickel each recorded four digs. Vrtiska also recorded

seven assists. Sickel led Falls City with five kills, while Lewis and Chandler each recorded four.

Falls City (0-3) hosted Elmwood-Murdock Tuesday in the home opener and fell in three: 25-9, 25-15 and 25-10. The Tigers go to Pawnee City for a triangular Thursday and travel to Savannah, Mo., next Tuesday. They return home Thursday, Sept. 15, to face Auburn and Nebraska City.

Daake's win FC golf event

The fifth annual Par-3 Challenge/Poker Run tournament was held Sunday afternoon at the Falls City Golf Club. A total of 22 teams participated. The results are as follows: Championship Flight: 1. Brian and Denise Daake, 29; 2. Erik and Sandra McNeely, 30. First Flight: 1. Steve & Angela Simon, 32; Joe and Jenny Dunn, 34. Second Flight, tie for 1st with a score of 35: Mike & Cheryl Finck, Ron Ebel & Barb Werner and Greg and Lisa Daake.

The Falls City Middle School volleyball team opened the 2011 season with a trio of home victories Tuesday against Humboldt-TR-S.

The Lady Tiger "A" Team earned a 25-13, 21-25, 15-10 win, as Alyssa Frederick scored 12 and Maggie Rieschick had nine for the Tigers.

The FCMS "B" Team won 16-25, 25-14 and 15-11. Darcy Snethen scored seven points and Jordan Phroper added five.

The Tiger "C" Team won 25-23, 21-25 and 15-11. Sydney Brewer scored seven and both Josie Nolte and Carley Youde each had four to lead the Lady Tigers.

The Lady Tiger teams host Rock Port, Mo., Tuesday afternoon.

HTRS Golf

Humboldt-TR-S golfer Reba Burgett shot 108 last Friday at the 18-hole Tri-County Invitational, which put her in 19th place overall. Lindsay Harlow, (123) and Amanda Dyas (129) also competed for HTRS.

Norris' Ashlyn Hoegh shot 86 to win the tournament, which was held at Beatrice's Hidden Acres Golf Course.

This past Tuesday, Burgett shot 56 at Kirkman's Lakeview GC to finish 3rd in a dual with JCC. Harlow finished 4th with her 61 and Dyas was in 5th with her 65.

Tiger runners open at Tecumseh

The Tiger cross country teams opened their seasons at the Johnson County Invite at Tecumseh Country Club last Friday.

Erin Lyons (21:14, 30th) and Allison Bierman (21:10, 28th) both improved their times from a year ago.

The Tiger boys were led by freshman Brandon Gibson (20:14, 25th). "He ran a very solid time for his first race in cross-country," said Head Coach Cody Hawley.

"I was pleased with their ability to pass people as they went through the middle portion of the race," said Hawley. "This is something I am really stressing to the kids this year. We will be among the strongest at the end of each race we attend."

The Tiger runners travel to the Fairbury Invite today (Thursday) and to go Hiawatha next week. The team will celebrate Parent's Night Friday at halftime of the FCHS vs. Lincoln Lutheran football game at Jug Brown Stadium.

Two medalists led the middle school cross-country team. Lauren Bierman finished with a 5th place medal and Anthony Baker finished with a 4th place medal. I was excited to see all the middle school runners compete at a high level.

PUBLIC NOTICE

Notice of Taking Bids for Demolition & Clearance of Residential Property – City of Falls City 2011 Bid Rounds #1 & #2

You are hereby notified that as part of 2011 Round #1, the City of Falls City is taking bids for the complete demolition and site clearance of up to 6 properties in Falls City Nebraska located at: Project #1 = 2017 Chase, #2 = 1806 Lane, #3 = 821 E. 11th, #4 = 2011 McLean, #5 = 913 E. 12th, #6 = 1003 W. 21st: The City reserves the right to accept or reject any &/or all bids. If any of the above projects are found to not clear eligibility standards, the City has the right to award demolition contracts for those that do qualify while declining to demolish those projects that do not qualify. Award of all 6 demolition contracts also depends upon the availability of funds. If sufficient funds do not exist to do all eligible projects, then contracts will be awarded for specific projects based on specific project ranking/scoring.

Bids must be received by the City Clerk's office, City of Falls City, 1820 Towle Street, Falls City, NE 68355 on or before 10 AM on Thursday 9-15-2011. At which time bids will be publicly opened and tabulated for presentation to the Falls City Housing Advisory Board and City of Falls City City Council. It is anticipated that the City Council will take action on said bids at the 9-19-2011 City Council meeting.

Bidders should obtain from the City Clerk's office at the City of Falls City, Nebraska the **Project Specifications and bid forms for Demolition & Clearance of Residential Property – City of Falls 2011 Bid Round #1** prior to submitting their bids.

NOTE: The 6 properties in this 2011 Bid Round #1 have had an inspection for asbestos containing materials and the abatement of any asbestos found via said inspections will be handled via a separate asbestos abatement contract. This activity is being funded via the FC Local CDBG HO Program Income and as such has specific standards and documentation requirements.

Bid Round #2: Locally Financed Demolition: You are hereby notified that as part of 2011 Round #2, the City of Falls City is taking bids for the complete demolition and site clearance of potentially 4 more properties in Falls City Nebraska located at: Rd2 Project #7 = 1201 McLean; Rd2 Project #8 = 1604 Morton; , Rd2 Project #9 = 1407 Fulton; Rd2 Project #10 = 721 E. 10th. The City reserves the right to accept or reject any &/or all bids. If any of the above Round #2 projects are found to not meet compliance thresholds &/or do not clear eligibility standards, the City has the right to award demolition contracts for those that do qualify while declining to demolish those projects that do not qualify. Award of all 4 of the projects currently listed in this locally financed Bid Round #2 also depends upon the availability of funds. If sufficient funds do not exist to do all eligible projects, then contracts will be awarded for specific projects based on specific project ranking/scoring.

Bids for this Bid Round #2 must be received by the City Clerk's office, City of Falls City, 1820 Towle Street, Falls City, NE 68355 on or before 10 AM on Thursday 9-15-2011. At which time bids will be publicly opened and tabulated for presentation to the Falls City Housing Advisory Board and City of Falls City City Council. It is anticipated that the City Council will take initial action on said bids at the 9-19-2011 City Council meeting.

Bidders should obtain from the City Clerk's office at the City of Falls City, Nebraska the **Project Specifications and bid forms for Demolition & Clearance of Residential Property – City of Falls 2011 Bid Round #2** prior to submitting their bids.

NOTE: The 4 properties in this 2011 Bid Round #2 have had an inspection for asbestos containing materials and the abatement of any asbestos found via said inspections will be handled via a separate asbestos abatement contract. This Bid Round #2 activity is being funded via the Local Donations made to the City of Falls City for the specific purpose of demolition of derelict properties.

County Board

RICHARDSON COUNTY BOARD OF COMMISSIONERS
AUGUST 30, 2011
CALL TO ORDER

The regular meeting of the Richardson County Board of Commissioners was called to order by Chairman Sickel at 9:00 a.m. on Tuesday, August 30, 2011. Roll call was answered by Ely, Davidson and Sickel. The Invocation was given by Chairman Sickel and the Pledge of Allegiance was led by Commissioner Ely. Chairman Sickel announced that the open meeting laws have been posted at the entrance to the meeting room.

A motion was made by Ely to approve the minutes of the August 23, 2011 meeting. Motion was seconded by Sickel. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried.

Motion was made by Sickel that due to an emergency situation that an executive session needed to be added to the agenda at 9:05 a.m. with Connie

Kennedy, County Treasurer to discuss personnel matters and for the prevention of needless injury to the reputation of an individual(s) and to approve the remaining agenda as posted. Motion seconded by Davidson. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried. The agenda is posted at the Richardson County Courthouse on the First Floor Lobby, the Commissioner's Meeting Room and on the Third Floor of the Sheriff's Office.

EXECUTIVE SESSION

Motion was made by Ely to recess the regular meeting agenda and go into an executive session at 9:05 a.m. with Connie Kennedy, County Treasurer and Bob Meyer, County Attorney to discuss personnel matters and for the prevention of needless injury to the reputation of an individual(s). Motion seconded by Davidson. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried.

Motion was made by Ely to close the executive session at 9:30 a.m. and return to the regular meeting agenda. Motion seconded by Davidson. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried.

SAC & FOX

Rhonda Halloway, Executive Director of the Sac & Fox Tribe requested to meet with the Board to make the introduction of the new Tribal Chairman, Michael Dougherty.

Discussion was also held on the funding for the hard surfacing of the Preston North and South Road.

ROAD AND BRIDGE DEPT.

Scott Huppert, Highway Superintendent updated the Board on the routine road and bridge maintenance being done this week. Equipment maintenance and bridge repairs and maintenance were part of the discussion items. Four brush complaints were received from Mr. Huppert. A letter was also received from Ed Bredemeier regarding brush along county road right-of-way and road tubes that need to be replaced and/or repaired.

Steve Kneips of Kirkham Michael & Associates presented to the Board cost estimates for the replacement of an existing bridge located between Sections 9 and 16, T2, R14, approximately 1.5 miles northwest of Dawson.

Motion was made by Davidson to authorize the engineering firm of Kirkham Michael & Associates to proceed with the engineering plans for the replacement of an existing bridge located between Sections 9 and 16, T2, R14, approximately 1.5 miles northwest of Dawson. Motion seconded by Ely. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried.

PUBLIC HEARING FOR DRIVEWAY ENTRANCE POLICY

At 10:00 a.m. Chairman Sickel presented the proof of publication for a public hearing to be held to receive input from the public regarding the establishment of a driveway entrance policy.

Scott Huppert, Highway Superintendent presented information to the Board and the public on the importance of this policy for the protection of County liability and to cover the necessary expenses incurred from the county installing entrances. Other

counties in Southeast Nebraska that have similar policies are Otoe, Saline and Johnson and many more across the State.

County Attorney, Bob Meyer was also in attendance.

Those commenting at the hearing in opposition to the policy as drafted were: Ed Bredemeier, Jon Snethen, Dick Ogle, Raymond Finck, and Phil Bletscher.

Chairman Sickel closed the public hearing at 10:25 a.m.

TIM NELSEN, PUBLIC DEFENDER

Tim Nelsen, Public Defender met with the Board to review the public defender agreement and request that the Board extend the current contract for an additional four year term.

Motion was made by Ely that the County proceed with the contract on a month-to-month basis while the County Board continues the review of the current contract. Motion seconded by Sickel. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried.

RANDY HOUSER, SHERIFF

Sheriff Houser updated the Board on the activity within the Jail and Sheriff's Department. He reviewed the current policy adopted by the Board regarding commercial traffic on the county's hard surfaced roads. He reported that a video visitation system is being considered.

Other concerns that Sheriff Houser addressed with the Board included the current radio system in the patrol cars and the need for equipment to enhance the radio capabilities and accessibility and needed improvement to a lock feature in the Jail which requires some assistance from other county personnel.

The Board also reviewed the Law Enforcement budgets with Sheriff Houser.

No action was taken on a Memorandum of Understanding and Cooperative Agreement regarding the dispatch of law enforcement personnel with the Sac and Fox Nation of Missouri in Kansas and Nebraska.

NEBRASKA MACHINERY CO.

Russ Newton of Nebraska Machinery Co. requested to meet with the Board regarding the status of maintaining the antique motor grader.

Mr. Newton presented to the Board a plaque depicting an article that appeared in the Falls City Journal in December of 2010.

JoAnn Auxier of the Richardson County Historical Society was also in attendance for this meeting.

VETERANS SERVICE COMMITTEE

The Board requested that the Veterans Service Committee meet with them to discuss the structure of personnel staffing in the office of the Veterans Service Office.

ROBERT TICHY

Robert Tichy requested to meet with the Board regarding the position of the County Surveyor. He presented to the Board his resume and expressed his interest in filling the vacancy left by the resignation of Brent Jorgensen.

The Board will meet again with Mr. Tichy at next week's meeting for a formal interview.

BUDGET REVIEW

The Board continued the review of the Fiscal Year 2011-2012 proposed

budget.

ROAD DEPARTMENT UNION

The Board met with representatives from the Road Department Union to negotiate a contract for October 1, 2011. The Union presented a verbal counter proposal to the Union from the proposal received from the County on August 23.

The Union stated that they would agree to a one year contract with a 5% increase and to not consider any other language. However, they would require that a statement be provided by the County Board, that no other employees or officials within County Government would receive an increase greater than 5% for that year.

The County did not accept the proposal but made a counter proposal for a 2% increase in salary on a one year contract with also a reduction in the amount of medical reimbursement given to employees from \$1,250.00 to \$750.00 per year.

CORRESPONDENCE/OTHER Additional 1% Budget Authority

Motion was made by Ely to approve the allowable additional 1% budget authority for the Fiscal Year 2011-2012 Lid Computation. Motion seconded by Sickel. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried.

Resolution 2011-2012-9 Subdivision

Motion was made by Sickel to approve a subdivision for Terry Tisdell located in Section 7, Township 2, Range 17. Motion seconded by Davidson. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried. (Resolution Book 18, Page 88)

Annual Inventory Reports

The Board approved the annual inventory reports: County Board, Coun-

ty Clerk-Register of Deeds, Clerk of Dist. Court, County Treasurer, County Court, Sheriff, County Attorney, County Surveyor, Veterans Service Office, Extension Office, Probation Office, Emergency Management Agency, and Buildings and Grounds.

Other

Discussion was held with Gary Jorn via teleconference call regarding the ambulance unit at Verdon and the Board approved the idea of the Verdon Squad utilizing the surplus Humboldt Ambulance unit.

CLAIMS

Motion was made by Sickel to allow the payment of all claims that were submitted today. Motion seconded by Davidson. ROLL CALL VOTE: Ely-aye, Davidson-aye, Sickel-aye. Motion carried.
