

## SHAWNA BINDLE NAMED FIRST FEMALE MAYOR OF FALLS CITY

Shawna Bindle became the first female Mayor to represent Falls City since the town was founded in the summer of 1857 by James Lane, John Burbank, J.E. Burbank, and Isaac L. Hamby.

Bindle defeated her opponents Carla Rhodd and late write-in candidate, Mark Harkendorff after a close race that nobody could guess the outcome of.

Bindle, 42, of Falls City, was born in Falls City and graduated from Falls City High School. She is certified in paramedicine, critical care paramedicine, and Emergency Medicinal Services management.

Bindle told the *Journal*, "It's a great honor to be elected as the first female Mayor of Falls City. I take it seriously! For me, running for office wasn't ever about gender though, it was about being a leader who had the best interests of the community in mind."

In 2016 there were 5,712 registered voters in Richardson County and 3,739 ballots cast with 65.46 percent voter turnout.

In 2018 there was a ten percent drop in voter turnout with 5,566 reregistered voters in the County, 3,139 ballots cast and 56.40 percent voter turnout. On election day there were 2,601 votes cast, while 511 people chose to vote early and 27 provisional ballots.

Just like in 2014, Richardson County went for Republicans, Pete Rickerts/Foley again beating out the Democrat, Krist/Waltz ticket. They also overwhelmingly preferred Republican, Deb Fischer over Democrat, Jane Raybould and Libertarian, Jim Schultz. In the Congressional, Republican, Adrian Smith won over Democrat, Paul Theobald.

## 'A DAY LIKE THIS' IS A DAY TO REFLECT'

Story and photos by Nikki McKim

Falls City residents once again celebrated Veterans by doing the most meaningful thing you can do, by remembering. American flags surrounded the Courthouse square on this blisteringly cold day, and hundreds gathered at the Falls City Public School gym for the annual Veterans Day program held each year.

Falls City residents never disappoint when it comes to recognizing those who served or are currently serving on any given day. American pride runs deep in Falls City, and it shows on a day like November 12 when Falls City residents line Stone Street to salute their Veterans in frigid 20-degree temperatures and wind that stings their faces.

Each year the children of Falls City remember those who have served and who are currently serving by participating in the

parade to honor and remember those who sacrifice so much for our freedom.

Civilians and communities often wish they could do more than just say thanks to our Veterans who were at one time civilians who went on to do something extraordinary.

The Falls City Veterans Day Celebration held Monday, Nov. 12, at 11 a.m. at Falls City High School, began with the posting of colors by the Falls City Ceremonial Guard with the playing of "The Star-Spangled Banner" by the FCHS Band and the Sacred Heart Band under the direction of John Furrow.

The Invocation was given by Pastor Fay Ann Blaylock of First Christian Church.

Gale Dunkhas, FCHS Principal welcomed everyone and introduced the honored guests.

## PROPOSED 30 YEAR NATURAL GAS AGREEMENT DEBATED

By Charles Radatz

During their Mon., Nov. 5, meeting, the Falls City's City Council voted four to three to defeat a motion that would have authorized city officials to consummate a 30-year agreement for purchase of 70 percent of the City utility's natural gas supply at discounted rates from an Iowa company, PEFA, Inc.

Under the agreement given a recommendation for approval by

the Board of Public Works, the utility would realize a savings of 35-cents per million metric British Thermal Units (MMBTU) as a result of monthly and annual discounts in an initial contract period of five to seven years, that was estimated to produce an about \$40,000/year annual savings. The savings could drop to 24-cents per MMBTU following the initial period.

Approval of the contract was recommended by the Utility's natural gas consultant Bill Lindley of Clayton Energy who will meet individually with city leaders to discuss the pros and cons of approving the agreement when he pays a visit to Falls City, Nov. 15. A special meeting of the Council may be necessary if a vote of approval is to meet a PEFA deadline. Lindley said about 34 of the nearly 50 communities in Nebraska he advises had approved agreements with PEFA, an underlying requirement for that entity to issue bonds to finance the purchase of gas supplies from J. Aron, LLC, New York, NY.

City Administrator Gary Jorn described it as one of the toughest issues he has faced. Jorn said while the Utility would realize a \$40,000/year savings, it would be a 30-year commitment. The City Administrator said while the City and its taxpayers would not be assuming any liabilities, purchase of 70 percent of the utility's gas supply would be pledged to PEFA. He said City Attorney Mike Dunn could not issue an opinion on the proposed agreement as all Gas and Elec-

tric Utility were pledged as security on bonds issued to finance the acquisition of the electrical plant's newest generator. Lindley, Jorn said, was seeking a positive recommendation from a Nebraska bonding attorney but he has not yet obtained one.

City Utility Superintendent Ray Luhning said he would feel more positive about the proposal if it did not require the purchase of such a large portion of the utility's supply from a single source. One of the Council's younger members, Derrick Leyden, expressed concern about the length of the contract noting that several of his colleagues may expire before the contract does.

An internet search by this reporter found a PEFA, Inc. filing with the Iowa Secretary of State by a Code 504 Revised Domestic Non-Profit Corporation dated July 16, 2008. The registered agent of the corporation listed as John Bird of 715 3rd Street, Manning, IA with the home office of the Corporation listed as Manning Municipal Utilities of the same address.

The remaining items on the Council agenda received 7-0 votes of approval with one member absent. Approval was given to sell the two lots at 923 Fulton where dilapidated structures had been removed to Margaret Rose who paid \$300 and assumed responsibility for \$200 in real estate taxes.

Also approved was a request for the use of Stone Street for a Veterans Day Parade Nov. 12, from 1:00 to 2:00 p.m.

# HONORING NEBRASKA'S VETERAN'S

By Governor Pete Ricketts

Every year, Veterans Day provides an opportunity for Americans to come together and honor the men and women who have served in our armed forces. This Veterans Day marks a special day in our country's history: The 100th anniversary of the armistice that ended World War I.

Nearly 60,000 Nebraskans served in the war and 751 lost their lives in service to our state and our country.

Nebraskans played a significant role in World War I. General John J. Pershing, who was professor of military science and tactics at the University of Nebraska for several years, led the American expeditionary force and was later named General of the Armies of the United States in honor of his service. His bust is among the notable Nebraskans in the Hall of Fame at the Nebraska State Capitol. Another notable Nebraskan who played a key role in the war was Jarvis O'Flitt. He was a pilot from Omaha who was

killed in France. He was memorialized in the name of Offutt Air Force Base, Nebraska's only Air Force base and one of the state's largest employers. Finally, Roscoe "Dusty" Rhodes, the Nebraska Cornhuskers football team captain who was killed in action, was the original inspiration for the name of Nebraska's football stadium. To this day, Memorial Stadium honors the Nebraskans who served in World War I.

Across the nation and within our state, special events are being held to commemorate this date and recognize the soldiers who fought in the Great War, including many Nebraskans. On Veterans Day, the University of Nebraska will be unveiling plaques at Memorial Stadium listing the students and faculty who served in World War I. At the military and veterans game on November 10th, there will be a special honor guard wearing authentic World War I uniforms and a special commemorative video made by the Nebraska Department of Veterans' Affairs (NDVA).

This recognition of service and appreciation is greatly deserved by our veterans, but there is more the State of Nebraska has been doing to help honor our veterans. We are working to make Nebraska the most veteran-friendly state in the nation. To that end, we are improving veterans' services, expanding job opportunities for military families, and listening to our veterans.

Over the years, the State of Nebraska has had two agencies serving our veterans. Last year, we merged the agencies to streamline and improve service. By giving NDVA oversight of our Veterans' Homes, we created a one-stop shop for veterans and their families to receive benefits and services in the state. To continue to improve those services, earlier this year I approved a 20 percent pay increase for staff care technicians who work directly with the veterans in our homes to improve recruitment, retention, and continuity of care. In August, we hosted a ribbon cutting at the new Central Nebraska Veterans' Home, a state-of-the-art facility that will provide world-class accommodations to hundreds of Nebraska veterans and their families.

We are also working to create more job opportunities for our military families and veterans. The state has expanded our hiring preference to include the spouses of active duty service members. The Legislature and I have teamed up to provide more reciprocity for military spouses with professional licenses. And I signed an executive order earlier this year to make changes to state regulations governing teaching permits. Now, military spouses with a valid out-of-state teaching license can receive a three-year teaching certificate in Nebraska. This gives our schools the opportunity to employ more high-quality teachers in a timely manner. The Nebraska Supreme Court has made a similar accommodation for attorneys.

To truly serve someone, you have to listen and understand their needs, challenges, and desires. That is why NDVA Director John Hilgert and I regularly host a roundtable with leadership and representatives of veterans organizations from across the state. We discuss issues and ideas important to them and the veterans they serve every day. These events help provide feedback on the work we do to serve veterans and insights into what we are doing well and where we can improve. Discussions like these help grow how we serve our veterans and shape veterans-related initiatives.

Nebraska appreciates our veterans, and we will continue to work for them. If you have any thoughts you would like to share about how we can better serve our state's veterans, I would like to hear them. Give my office a call at 402-471-2244 or email me at [pete.ricketts@nebraska.gov](mailto:pete.ricketts@nebraska.gov).

## THE NEW NEBRASKA LEGISLATURE LOOKS PRETTY MUCH LIKE ...

### Capitol View Commentary by J.L. Schmidt Statehouse Correspondent The Nebraska Press Association

The 106th Nebraska Legislature will have 12 freshmen, ten elected (eight with no incumbent running) and two to be appointed by Governor Pete Ricketts to replace incumbents who were elected to new posts. Five incumbents in the even districts up for grabs had no opposition.

It's doubtful this group will look much different than its predecessors as it faces – or tries to avoid – meaningful debate on property taxes and school funding, one of the looming topics on their plates. Given the seriousness of what lies ahead, one can only hope the newbies are well prepped for the task at hand.

The officially nonpartisan Legislature carries over 14 veteran lawmakers who are Republicans and 13 who are Democrats. Voters selected 14 Republicans and five Democrats in the contested races on November 6. Independent Ernie Chambers of Omaha was not up for election. One can expect Ricketts will appoint two Republicans.

Three incumbents lost. Republican turned Libertarian Laura Ebke of Crete lost to farmer Tom Brandt of Plymouth, a Republican. Ricketts appointee Republican Theresa Thibodeau of Omaha lost to Democrat Machaela Cavanaugh of Omaha and Republican Merv Riepe of Omaha lost to former state Senator Democrat Steve Lathrop.

Ebke, chair of the Legislature's Judiciary Committee, switched parties a year ago when Ricketts called out a number of Republicans for not voting the party line in the officially nonpartisan body. He heavily funded Thibodeau's campaign against Cavanaugh, the daughter of former Nebraska Democratic Representative John Cavanaugh. Likewise, Ricketts funded Riepe's campaign against Lathrop one term after being term-limited. Lathrop had chaired a special committee that investigated the Nebraska Department of Corrections.

As for the fresh new faces, here's a quick glimpse. Meghan Hunt, 31, is the owner of an Omaha e-commerce company who replaces term-limited Burke Harr. Like Harr, she is a Democrat. Republican John Arch, 62, of LaVista, is the CEO of Boys Town National Research Hospital and Clinics. He replaces term-limited Jim Smith. Ben Hansen is a 39-year-old chiropractor from Blair. The Republican replaces term-limited Lydia Brasch. Mike Moser, 66, is a Republican who owns a retail music store in Columbus. He replaces term-limited Paul Schumacher.

Myron Dorn, 63, is a Republican farmer from Adams. He replaces Don Baker of Beatrice who decided one term was enough. Glenvil farmer Dave Murman, 64, is a Republican who replaces John Kuehn who also decided one term was enough. Tim Gragert, 59, a retired military and federal employee from Creighton, replaces term-limited Tyson Larson. He is a Republican.

In Omaha's District 10, the seat represented by Bob Krist for 10 years, Wendy DeBoer, 44, a Democrat college instructor from

Bennington, won by 37 votes over Republican estate planning lawyer Matt Deaver, 43, of Bennington. Because of the narrow margin, the vote is subject to an automatic recount.

Democrat Lynn Walz of Fremont returns to the Legislature. She was Krist's lieutenant governor candidate in their failed effort to unseat Ricketts. Gone will be Sen. John Murante of Gretna who was elected state Treasurer and Sen. Dan Watermeier of Syracuse who was elected to the Public Service Commission. Ricketts will appoint their successors.

So, here we go again with 30 Republicans, 18 Democrats and one Independent in the officially nonpartisan Legislature. There will be a new Speaker, new com-

mittee chairs, a new rules battle and, oh, a lot of really tough issues: property tax relief; paying for voter-approved expanded Medicaid; funding schools; correcting the mess at Corrections.

One can expect that Ricketts and his legislative cronies – no, we haven't forgotten the gang of 27 who gathered before the 105th Legislature convened to "determine" who would be leaders – will be up to their usual attempts to make the nation's only unicameral a mouthpiece for the Republican Party.

Here's hoping they fail.

## Subway; Chamber's November Member of the Month

By: Amber Holle

The Falls City Area Chamber of Commerce is proud to announce Subway as its November member of the month! October winners, FAST Global Solutions, were asked to choose the next winner based on a few criteria: a business actively engaged and supportive of the community, a business that provides consistent and superior customer service and a business that is considered successful and professional by its peers.

Subway fit the bill in all of

those criteria. Specifically Jerry Koopman of FAST noted "They always come through for us when we order sandwiches and cookies for our employees. There have been a couple of times that we ordered with a short delivery time and they came through with smiles on their faces. Getting 140+ sandwiches ready on short order isn't easy and we appreciate all they do and have done for us!"

The Falls City Subway is owned by Sean Frederick and managed by Kristin Russell-

Hall. There are over 40,000 locations across 100 countries. They are guided by a passion for serving fresh, delicious sandwiches, salads and pizzas made-to-order right in front of you. We are proud to have a Subway in Falls City and thankful for all they do for our community!

## America Recycles Day November 15th

America Recycles Day, a program of Keep America Beautiful, is a nationally recognized

day dedicated to promoting and celebrating recycling in the United States. The Falls City Green team was formed to encourage individuals to take a greater responsibility for improving their community's environment. A recent victory of the group includes getting both Falls City Public and Falls City Sacred Heart to commit to recycling at their schools!

"When kids learn at a young age the rules and impacts of recycling, it's more likely to become a lifelong habit," boasts Cindy Santo of the Falls City Green Team.

One of the future goals of the Falls City Green Team is to get recycling containers in all of the city parks, and downtown next to the current trash receptacles. They also encourage businesses to look into recycling options. Saving all those soda cans and printer paper from the landfill really adds up!

Falls City's current recycling options are to obtain trash pickup service through Hamilton Recycling and Disposal or utilize their drop off location at 601 Stone Street. Items currently accepted for recycling include newspapers, magazines,

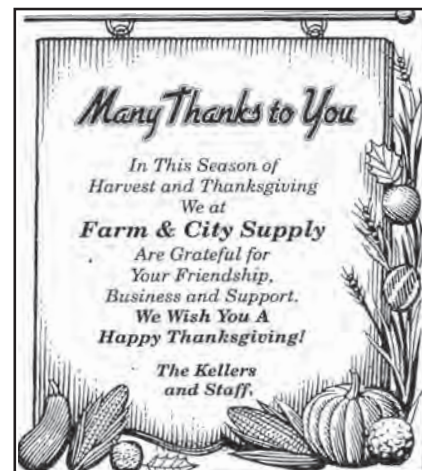

cardboard, number one and number two plastics, tin cans, aluminum cans, aerosol cans, office paper, paper towel and toilet paper cores. Glass can also be recycled but needs to be bagged separately or placed in a box. When recycling these items please make sure they are rinsed and cleaned of food and contaminants.

If you're interested in joining the Green Team contact Hope Schawang at the Falls City Library or by email at hope@falls-citylibrary.org.

## Falls City Sapp Bros. joins Alzheimer's Association in fight to end alzheimer's

The Falls City Sapp Bros. Travel Center, alongside 17 other store locations across the United States, started an awareness and fundraising campaign November 1, 2018 to benefit care, support and research efforts of the Alzheimer's Association. This campaign, which will run through December 31, 2018, centers on customers purchasing a \$1 or \$5 pin-up at the cash register. Last year, Sapp Bros. Travel Centers collectively raised over \$26,000 with this campaign. Together, the Alzheimer's Association and Sapp Bros. Travel Center locations are hoping to exceed last year's totals this year.

November was selected as a start month as National Family Caregivers Month is celebrated in November. In Nebraska, 82,000 are providing unpaid care for someone with Alzheimer's disease, according to the Alzheimer's Association's 2018 Alzheimer's Disease Facts & Figures. These caregivers provide 94 million hours of unpaid care, valued at nearly 1.2 billion dollars annually.

The campaign will also run through another important timeframe – the holiday season. As families come together to celebrate traditions, many witness changes in their loved ones' health. Reaching out to the Alzheimer's Association for free services and guidance is of great importance, and the Alzheimer's Association appreciates help in spreading this awareness.

"Alzheimer's disease is relentless, affecting diverse audiences across our nation," said Sharon Stephens, Executive Director of the Alzheimer's Association Nebraska Chapter. "Partnering with travel centers across the region helps the Alzheimer's Association elevate awareness of the disease, increase funds to support critical research advancements, and enhance care and support services. Sapp Bros. Travel Center locations interface with thousands of people every day, and with their help, we hope to assist more families through their journey."

To learn more about locations participating in the campaign, visit [www.sappbros.net](http://www.sappbros.net). To learn more about services provided by the Alzheimer's Association, visit [www.alz.org](http://www.alz.org) or call 800.272.3900.

Alzheimer's Association® The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support and research. It is the largest nonprofit funder of Alzheimer's research. The Association's mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. Its vision is a world without Alzheimer's. Visit [alz.org](http://alz.org) or call 800.272.3900.

Trout serves on the organization's Board of Directors and was honored with the induction for her commitment to the organization and for helping advance the group toward a new vision.

A news release from NAHC stated, "Considering the vast progress NAHC has made towards its goal of being the advocate every person in home care and hospice deserves, the decision was made to surprise the entire Board with induction into the Home Care and Hospice Hall of Fame. NAHC is eternally grateful for the important contributions these individuals made to building a new NAHC, which is devoted to ensuring better outcomes for millions of home care and hospice patients and providers across the United States."

"It was a very humbling surprise," said Trout. "I have always been passionate about home health and have devoted myself to my work and to the organizations I support, including both the Good Samaritan Society and NAHC. It was such a blessing to be recognized in this way."

"Carla has been such a positive

force for our home health employees and patients," said Kim Johansen, vice president of operations. "She is very deserving of this honor and I am so thrilled for and proud of her."

Story and photo by Brian McKim

The Falls City Tiger girls volleyball team recently wrapped up the 2018 season with a loss in the second game of Sub-districts to the Syracuse Rockets and finished with an overall record of 7-23 for the year.

For the season the Tigers averaged 6.4 kills per set. FC had 46 total blocks for the season and averaged just under 14 digs per set. As a team, the Tigers finished with 112 total aces for the season. Falls City had a total of 475 kills for the year and made 441 attack errors on 2051 total attempts.

Individually for Falls City, it was Michelle Beer leading the Tigers offense with 181 kills on 592 attempts. Ellicyn Gilkerson was next with 113 kills on 487 tries, and Jordyn Curtis finished with 66 kills on 283 attempts. Hannah Kirkendall led the Tigers with 32 ace serves and committed just 17 service errors on 179 attempts. Beer was next for FC with 21 aces, and Jessa Beckner finished with 19 ace serves and only 12 errors on 177 serve attempts.

Curtis led the defense at the net with 16 blocks while Kirkendall and Beer each added 13. Defensively for Falls City, it was Kirkendall leading the team with 212 digs, Gilkerson added 190, and Kailyn Frederick had 135. Jessa Beckner was the team leader in ball handling, finishing with 285 assists on 1054 attempts while committing just 26 errors. Kirkendall was second on the team with 74 assist and 13 errors.

Head Coach Julie Frederick will be stepping down from her coaching duties following the season. She will pass the coaching duties on to assistant coach Allison Glathar.

"I have been coaching around a total of 22 years. Everything from summer softball (youth and travelers), to middle school volleyball and basketball (at FC middle school) and assistant volleyball at HTRS and assistant basketball at Falls City High. I have been head volleyball coach for two years at Dawson-Verdon and then here at Falls City High School for the last six years. I have enjoyed all my time in coaching (any sport). It is gratifying seeing improvements and milestones happen. I wish Allison Glathar the best of luck in the years ahead. She is very passionate and knowledgeable and will be very successful. I want to thank all my past players for allowing me to be a part of their journey and to the parents for letting me coach their children, thank you," said Coach Julie Frederick.

## Big plays doom Irish football season

Story and photos by Brian McKim

The Sacred Heart Irish fell for just the second time this season when the Humphrey St. Francis Flyers came to town last Tuesday, November 6 for a Class D2 quarter-final matchup. The game was back and forth for the first three quarters before the unbeaten Flyers pulled away in the final quarter to secure a 54-36 win. The Flyers scored the final 30 points of the game as they advance to take on the undefeated Johnson-Brock Eagles in a semi-final matchup.

The Flyers took the opening kickoff and drove down the field against the Irish defense before the Irish forced a turnover on downs at the SH 16 with 8:13 to play in the first quarter. The Irish were unable to do much on offense, and they were forced to punt after three plays and gave HSF the ball back at the Flyer 18-yard line after a nice punt by Drew Bippes. On the sixth play of the drive, the Flyers got on the board with a 53-yard one handed circus catch. The PAT pass was good, and Humphrey led 8-0 with 2:41 to go in the first quarter.

Not to be outdone, Jake Hoy took the ensuing kickoff 79-yards, breaking a couple of tackles along the way, for the touchdown with 2:29 on the clock. SH trailed 8-6. However, as the Irish were still celebrating, Taylor Wemhoff fielded the following kick at the five-yard line and broke free for the touchdown with 2:14 on the clock. After the PAT pass SH trailed 16-6. SH began the following drive at their 33-yard line and drove

47 yards in 2:19 for the score. Bippes scored on a QB keeper with 11:55 to play in the half. The PAT run was good, and SH trailed 16-14.

HSF got on the board again by courtesy of the big play, this time a 57-yard TD run on a sweep right by Wemhoff with 5:32 to play in the half. The PAT pass was good, and the Flyers led 24-14. Not panicking, the Irish calmly drove 65-yards, and on fourth and goal at the 14, Bippes rolled right and found Tyler Witt for the TD with 1:57 to go in the half. The PAT run by Bippes made it 24-22. HSF got all the way down to the Irish 16 on the next drive, but a sack by Sloan Lenard and Branson Darveau ended the threat and the Irish trailed by two at the half.

SH came out of the locker room and began the first drive of the third quarter at the 23-yard line. The Irish went 57-yards in 4:26 and took their first lead of the game when Bippes kept on a QB keeper to make it 28-24 with 7:24 to play. After forcing a punt, the Irish again took possession, this time at their 21 with 4:26 to go. After a 41 yard pick up on a pass to Jake Hoy, Bippes found Witt for his second TD catch of the night on a five-yard pass. The PAT pass also to Witt made it 36-24 with 3:17 to go in the third. Little did we know that would be the last time the Irish would cross the goal line in the contest.

The Flyers' Wemhoff took the wind out of the Irish sails again with another kickoff return for a touchdown with 3:07 to play it was 36-32. The HSF defense began to pick up the pace and forced the Irish to punt on the next drive. The third quarter came to a close with HSF scoring on a 51-yard TD pass on an untimed down to give the Flyers a 40-36 lead heading into the final twelve minutes.

The Irish again were turned away on offense, and a nice punt return by Wemhoff set the Fly-

ers up at the 33-yard line. On second and three from the 13, QB Trevor Pfeifer went in for the score to make it 48-36 with 6:58 on the clock. Another Irish drive stalled out as they were forced to go for it on fourth and 18 at the 19-yard line. The Flyers stopped the Irish trick play and gave HSF the ball at the Irish 14 with 4:28 to go. Jarrett Weidner finished the short drive with a two-yard TD run to give the Flyers a 54-36 lead with 3:23 left in the game.

With the Irish in pass mode, the Flyers pinned their ears back in the fourth quarter and held the Irish scoreless for the final 15:17 of game time. The win by the Flyers eliminated the Irish and avenged last seasons 34-30 loss to the Irish in the playoffs.

Bippes led the ground attack for the Irish with 23 yards on 13 carries. He also completed 29 of 45 pass attempts for 302 yards and no interceptions. Witt led the Irish with nine catches for 78 yards. Hoy added seven for 80 and Simon had eight for 71-yards. The Irish had 344 yards of total offense while the Flyers had 294. QB Pfeifer was 6-12 passing for 154 yards, and Taylor Wemhoff added 113 rushing yards on 16 carries to go with his two kickoff returns for TD's.

When asked about the kickoff returns Coach Doug Goltz responded, "it wasn't anything that we weren't ready for, he just ran it right up the middle, and we just didn't get off their blocks. They blocked it well, and once is bad enough but twice is a killer. You work so hard to score, and then you give it right back in a few seconds, it's a backbreaker."

The Irish finished the 2018 season with a 9-2 record, with their only losses coming to undefeated Johnson-Brock and Humphrey.

The two teams meet on Monday in Humphrey to decide who moves on to the State Championship game.

## 'A DAY LIKE THIS IS A DAY TO REFLECT'

(Continued from Page 1)

on!" was performed by the combined music departments of Falls City and Sacred Heart High Schools under the direction of Mrs. Alisha Sutton, F.C. Sutton, Choir, Mr. John Furrow, and Mrs. Elizabeth Johnson, F.C.S.H. Music.

The Veteran's Day message was delivered by honored guest, AGI (AW/SW) Odis J. Fields, US Navy Retired, Falls City, NE. Fields currently work in Richardson County as the assistant veteran services officer. He has his sons—Xavier, Ethan, Desmond, Franklin, Thomas, and Stephan, three attend FCPS. He is originally from Pleasant Hill, Louisiana (population 1200), a town that is best known for the Battle of Pleasant Hill during the Civil War. In 1989, he joined the Navy and trained to be an Aerographer's Mate (weatherman.)

Over the next 20 years, Fields was stationed at military bases that included Guam; Whidbey Island, WA; Fallon, NV; and Suitland, MD. He also traveled on board two naval ships—the U.S.S. Inchon, and USS Nimitz. On September 11, 2001, Fields was stationed in Suitland, Maryland, just outside Washington D.C. when a hijacked plane crashed into the Pentagon.

During Fields' fifteen minute speech he said, "A right in the dictionary is a noun is a moral or entitlement to have something or obtain something. The second definition is a privilege which is also a noun it's a right or advantage granted to a particular person. Why do I ask those definitions? It's because of the Veterans. Do you remember the definition of a right? Its moral, so it means its earned and it was earned by the Veterans souls. They sacrificed, they sacrificed their lives and their time and their value and their lives so that right was earned by them, by them serving."

"Privilege is a special advantage granted. The difference for me between right and privilege a right is a legal or moral, they died

for a right is granted. So everything that you guys might take for granted but that you enjoy is built on the souls of the Veterans who served in those wars, who sacrificed their lives and the lives of their parents because it's not an easy task. A day like this is a day to reflect that," said Fields.

"Everything that you enjoy, all the freedoms that you take for granted that you like without their sacrifice that might not be normal and that's what this day represents. That is what this day should make you reflect on," said Fields.

During Fields' fifteen minute speech he also spoke to the students encouraging them to look into the Military to the world and serve. He explained how the Armed Services Vocational Aptitude Battery of tests, commonly called the ASVAB is like a job interview and should be taken seriously. He told them how he traveled and explained how, "The United States is the best Country there is, solely because the freedoms you and I think of as normal, they're not normal everywhere around the world, and that comes back to the Veterans."

The morning celebration closed with the Benediction, and the retirement of colors by the Falls City Ceremonial Honor Guard and the playing of "God Bless the U.S.A.," by the combined bands.

The celebration continued with the annual parade down Stone Street at 1:30. Marching bands from both high schools as well as students, and Veterans from Korea, and Vietnam were chauffeured along the parade route.

Later that evening a Veterans Day dinner and program was held at First United Methodist Church where Veterans and their guests were treated to a meal. Fields was the evening's speaker.

**Author footnote:** Each year at the program at the High School, Principal Dunkhas asks each Veteran to stand prior to the guest speaker's message for a round of applause. The num-

## Annual Jingle Bell Ride

By Lori Gottula

On Saturday afternoon, in temperatures that hovered around 20 degrees and wind chills that plunged into the single digits, more than 50 volunteers showed up for Falls City's 12th annual Jingle Bell Ride.

There were no riders on horseback this year, due to the cold, and all of the outdoor festivities had to be cancelled as well, but neither fact dampened the spirits of the volunteers. Everyone gathered in the banquet room of the Falls City Elks Club to fill up on chili and hot chocolate before heading out into the cold.

First-time coordinator Tiffin Bauman was assisted throughout the event by long-time director, Sherry Huddleston. Brooke Taylor, the family development associate at SENCA (Southeast Nebraska Community Action), and event founders Bev Chesnut and Jennifer Humm also helped. Santa's look-alike, John Taylor of Auburn, talked to a few lap-sitters after lunch, and two of Santa's elves, Kelsey Burget and Katelyn Taylor, snapped photos with wide-eyed toddlers. Artists Larry Burlingame and Natasha Radley painted dinosaurs, unicorns, and a variety of other things, on the faces of about 20

kids.

Then, the volunteers headed out into the cold, with maps of routes that had been pre-arranged by Bauman.

One group of brave souls climbed on a hayrack and snuggled closely while singing Christmas carols, as the hayrack circled through its designated neighborhoods. The other group wound through its route in vans.

"We had 49 stops to make to pick up toys," Tiffin said. "As cold as it was, we were thrilled with the turn-out, and with the generosity of Falls City's residents."

The toys will be distributed to families who have pre-registered through SENCA. According to Brooke Taylor, who is also the outreach coordinator for Richardson County, the SENCA office has already received applications from more than 70 families, and applications can still be accepted through Friday,

November 16th.

"Families that are already served by SENCA, or those whose incomes qualify, can fill out applications in the SENCA office, suite 101 in the Richardson County courthouse," she said.

Applicants must show proof of income to determine eligibility.

According to Bauman, the distribution for Humboldt residents is Thursday, December 13th, from 9 a.m. to noon, at the Humboldt Christian Church. Falls City's distribution date is Friday, December 14th, and the location is the Good News Assembly of God church. The times are from 9 a.m. to noon, and from 1 – 3 p.m.

Those who would like to donate new toys are also encouraged to drop their gifts off at the SENCA office. For more information, contact Brooke Taylor at (402) 245-5284.

## Helen Norvell

Helen Irene Norvell, 95, one of two children of Roy Reuben and Sarah Jane (Hull) Davis, was born February 25, 1923, in Nebraska City. She passed away on November 8, 2018 in Humboldt.

Shortly after, the family moved to a farm near Julian where Helen was raised. She attended rural school near her home growing up and then Auburn High School.

On August 22, 1940, Helen eloped with LaVerne LeRoy Norvell, and they were married in Iowa. Helen and LaVerne made their home in Nemaha County and were blessed with a daughter, Sharon.

Helen first worked at the Danny Dare factory as a cutter and then at Chris Simon's Drug Store. When the new high school was built in Auburn, Helen went to work as a cook in the cafeteria, where she was in charge of the baking. She was known to hand out any of the extra cinnamon rolls to the boys that were still hungry.

As an adult, Helen was baptized and confirmed at St. Paul Lutheran Church where she would hold membership for the rest of her life. Helen loved dancing, anytime there was a big band playing within driving distance, she and LaVerne were there. She enjoyed baking, cinnamon rolls and pies were her specialties, and sharing her baked goods brought her much joy. Helen had quite the sweet tooth, chocolate candy, and Dr. Pepper being her favorites. Hel-

en always said Dr. Pepper was the best doctor there was. Helen was rarely seen without an abundance of jewelry on, often referring to herself as part-gypsy. She was an ornery, spunky woman, joking and playing tricks up until her final days.

In January of 2012, when they were no longer able to stay on the farm, Helen and LaVerne moved to Colonial Acres in Humboldt.

She was preceded in death by her parents, husband LaVerne, and brother Robert Davis.

Survivors include her daughter and son-in-law Sharon and Dean Bogle of Humboldt; grandchildren Dena Stevenson, Delyn and wife Betsy Bogle; great-grandchildren Corbin, Taylor, Ivy, and Paxton Bogle, Darby and husband Logan Eggers; sister-in-law Rosalie Davis; nieces, nephews, other relatives, and friends.

A funeral service was held Sunday, November 11, 2018, at St. Paul Lutheran Church in Auburn, officiated by Rev. Ken Miller. Rich Allgood and Ron Heskett sang a duet, Edith Schlange played accompaniment for congregational hymns. Darby Eggers, Corbin Bogle, Ivy Bogle, Mark Harms, Frank Critser, and Dennis Volkman served as casket bearers. Honorary bearers were Taylor Bogle, Paxton Bogle, Roberta and Greg Lockard, and Ruth Ann Gutierrez. Burial followed in Sheridan Cemetery at Auburn.

Services were entrusted to Hemmingsen Funeral Home of Auburn.

## Royce Linton

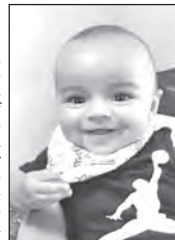

Royce Iverson Linton, infant, of Ocala, Florida passed away on Wednesday, October 31, 2018.

Born Friday, May 11, 2018 in Lone Tree, Colorado. Royce was the epitome of being a bundle of joy. He would laugh no matter the situation. He was always smiling, and even if he was crying would stop to laugh.

At only five months he had so much personality and so much to say. His favorite thing was water, whether it was bath time or at the beach. At a young age he was already starting a sibling rivalry with his big sister, and made sure she knew it. He literally was the perfect baby, so perfect that God wanted him closer. We will always remember him as our baby boy Roycie!

Those left to cherish his mem-

ory included his parents, Shaun Linton and Blair (Brennan) Linton; sister, Amajia Linton; grandparents, Wandra and Harry Sowers, Reuben Linton Sr., Mark and Lori May, Mark and Shelli Dikeman, and Jim Brennan; great grandparents, Charles and Ramona Ebel, Michael and Earline Dikeman, Jim and Kate Brennan

Sr., Quinten and Shirley Jones; Aunts and Uncles, Pamel and Courtney Brennan, Mandy, Jordan, and Taylor May, Reuben Linton Jr., JT Brennan, Cooper May and Bryan May; and a host of other relatives.

## David Gibson

wedding reception. He believed in the power of charitable giving and gave generously of his time and talent to STEPS, Inc. where he also worked and Meals on Wheels of Prince Edward County. He tirelessly worked beside his wife and behind the scenes at two major events in Farmville. The Farmville Christmas Show which benefits STEPS and The Farmville Wine Festival which benefits Meals on Wheels and those events will not be the same without him. David loved working with his handicapped employees at STEPS. He kept them laughing and singing, and they also loved him dearly. David loved music and always knew so much trivia about bands and songs. If you knew him, you also knew he was a true blue and orange blood for Auburn University football. He would love to know that they are bowl eligible this year. Most of all he loved his wife with all his heart and soul, and everyone knew that.

David is survived by his beloved wife, Cheryl; his mother, Muriel Gibson, of Farmville; his son Alexander (Megan) Gibson of MO.; his daughter, Isabella Gibson, of Johnson City, TN.; a

stepdaughter, Vanessa Schmidt, and granddaughter, Cali Brown of Nashville, TN; a nephew, Corey Schmidt of New Orleans, LA.; his brother John (Nancy) Gibson of Ashland City, TN. Numerous cousins including many in Europe. He considered his very best friends Kenneth and Cathy Meeks and their daughters Jennifer and Kim to be his family as did they him.

A memorial service will be held at St. John's Lutheran Church on Friday, November 16th at 10 am officiated by Pastor Matthew Sorenson. Visitation will be held on Thursday, November 15th from 4-8 pm at Puckett Funeral Home in Farmville, Virginia. In Lieu of flowers, memorial funds will be used for his favorite charities; STEPS, Inc. and Meals on Wheels; and to purchase shrubs and bulbs to enhance our home. There will be a memorial service held in Huntsville, Alabama for his many friends. Plans are being finalized at this time.

Rest in Peace my Papa Bear, we are going to miss you. Sweet Home Alabama!!!!

## Kids' holiday gift ideas that build social skills

(StatePoint) For young children, social-emotional development is one of the most valuable aspects of school readiness. This holiday season, focus on toys and gifts for preschoolers that will build children's empathy, communication skills and the ability to resolve conflicts and navigate challenges.

Here are a few gift ideas that do just that.

**Experiential Gifts:** A petting zoo can be a great place for kids to learn about compassion. A puppet show may teach important lessons about making new friends or learning how to navigate challenges. The gift of an experience will be an exciting life-long memory and a great opportunity for you to spend time together while kids hone important skills.

**Interactive Toys:** Those who want to help children learn important lessons might consider putting Zoonicorn at the top of their holiday gift lists. Fun and engaging animated music videos, game apps, books and online activities capture children's imaginations while offering parents and children an opportunity to work through and overcome obstacles together.

Kids can watch inspiring music videos like "Yes, You Can!" on YouTube and play along with the soft and cuddly plush Zoonicorn, which are a combination of a unicorn and zebra. The new Wish Me Zoonicorn by Jay@Play have four touch points where children may interact with them. When kids kiss the Zoonicorn on the nose the horn glows and kids can make a wish.

The animated videos stories focus on tools children can use to identify and solve problems for themselves through the comforting animal characters of the Zooniverse.

**Board Games:** Playing age-appropriate card games and board games is a great way for kids to learn to follow rules, take turns, cooperate and be a good sport. Card games such as Uno and Go Fish make great stocking stuffers. As for board games, think classics like Candyland, checkers and Chutes and Ladders, or go for newer games designed specifically to familiarize kids with letters, shapes, numbers and colors.

This holiday season, consider how the gifts you give young children can help foster their social-emotional development.

## Happy Thanksgiving, Everyone!

The Pilgrims ate turkey, fish and venison.

They had cabbages, carrots, corn, onions, wild plums, berries, and honey too.

The End of the Feast!

Our Thanksgiving holiday is based upon a December 1619 feast that the Pilgrims and Native Americans shared at Plymouth Plantation, where the Pilgrims lived in Massachusetts.

We travel 'Over the River and through the Woods' to places where 'We Gather Together' to give thanks for our family, friends and all that we have!

Read these clues to fill in this puzzle about Thanksgiving:

- about half of these people moved to Holland, then to the "New World" so they could build a better life and worship as they pleased
- Native \_\_\_\_\_ taught the Pilgrims some skills they would need to survive
- Native American who lived with the Pilgrims
- number of braves who came to the Pilgrims' feast
- stone that marks the Pilgrims' landing place (2 words)
- an agreement signed by the men to set up a new government (2 words)
- Pilgrims' ship, sailed 66 days and nights to America
- "wildfowl" was eaten at the Thanksgiving feast - today the centerpiece is often this large bird
- the first Native American to welcome the Pilgrims
- to say or show that we are pleased, grateful
- big games played today
- on an early check of the land (Cape Cod) Pilgrims found baskets of this buried in the sand in Native American fields

Ooooo...cranberry bread pudding, cheesecake, and walnut cookies. Connect the dots to see my favorite "ending to the feast."

I like the Thanksgiving holiday because of all the family, fun, football and feasting. I'm dreaming of a wonderful celebration!

Oh! My empty stomach's growling.

Growl!

FOOTBALL!

Dreaming of a Fun Family Thanksgiving!

FAMILY WALKS!

- My cousins and uncles will gather around the TV to \_\_\_\_\_ football.
- When the game is over, we will \_\_\_\_\_ Thanksgivings from years ago.
- Then, we will go into the kitchen to help \_\_\_\_\_ the food.
- I will do my part to \_\_\_\_\_ the table and give it holiday cheer.
- Once everyone is seated, we'll \_\_\_\_\_ thanks for all we have.
- We will \_\_\_\_\_ a huge feast with turkey, cranberry sauce, and mashed potatoes.
- While we have our food we'll \_\_\_\_\_ the holiday and family.
- After dinner the family will go for a nice autumn \_\_\_\_\_ to get some fresh air.
- Once our meals have settled down, everyone will gather outside to \_\_\_\_\_ a big family game of touch football.

Fill in this puzzle to get an idea of the perfect Thanksgiving Day for Forest!

- I'll wake up to Mom and Dad making stuffing and getting the turkey ready to \_\_\_\_\_.
- Next, we will go into town to \_\_\_\_\_ in the parade.
- When we get home, the whole family will have arrived and we will all \_\_\_\_\_.

## Important - CRP Landowners

The Richardson County Assessor's Office is working on crating  
a subclass on agricultural land for a CRP classification. In order  
to do this we must first know where the CRP land is located and  
the contract time period. Our office is requesting your help in  
providing us with your current FSA CRP maps and contract time  
period. Separating the CRP group from dry group may result in  
a lower valuation on your CRP land.We request that you bring in or mail your FSA CRP maps and  
information to the Richardson County Assessor's Office by No-  
vember 30, 2018.If you have any questions, please call the office at (402) 245-

## Drying soybeans when harvesting them wet

With the extremely wet weather the past few weeks, it will be a while until farm-  
ers are able to get the field to harvest soybeans. Unfortunately some soybeans  
have been ready to harvest for some time and with the wet weather, pods are pop-  
ping open, which will cause significant harvest loss. Farmers will harvest as soon  
as they can to reduce harvest losses. Soybeans will probably be harvested when  
moisture levels are higher than normal, 18% or higher. These soybeans will re-  
quire drying to be able to store them in a bin without going out of condition. With  
soybeans usually harvested at moisture 13% or less, they normally don't require  
drying. Most people do not have much experience drying soybeans, they are dif-  
ferent to dry compared to corn. Below is an article about drying soybeans. Dr.  
Kenneth Hellevang, Ph.D., P.E. and Extension Agricultural Engineer from North  
Dakota State University offers some excellent advice for drying soybeans. Last year  
they had a challenging fall similar to what we are having and they are this year as  
well. Note to the reader: Kenneth Hellevang, author of the article below, serves in  
an advisory capacity for the University of Nebraska Extension in regards to grain  
drying questions. You can also find this article on CropWatch at: <https://cropwatch.unl.edu/2018/ndsu-offers-soybean-drying-advice>.A challenging soybean harvest is creating many questions related to storage and  
drying, according to Ken Hellevang, agricultural engineer with the North Dakota  
State University Extension Service.Soybeans at 11 percent moisture have similar storage characteristics to wheat or  
corn at about 13.5 percent moisture, so 16% moisture soybeans might be expected  
to store similar to about 19% moisture corn. It is important to be able to aerate the  
soybeans to keep them cool.The amount of natural air drying that will occur in late October and early Novem-  
ber is limited. The equilibrium moisture content of soybeans for air at 40 degrees  
and 70 percent relative humidity is about 12 percent, so drying of soybeans above  
12 percent would be expected with this air condition. However, the drying rate  
will be slow at typical in-bin drying airflow rates. An airflow rate of 1 cubic foot  
per minute per bushel (cfm/bu) is expected to dry 18 percent moisture soybeans  
in about 60 days. With an airflow rate of 1.5 cfm/bu the drying time is reduced to  
about 40 days. The drying time for 16% moisture soybean is slightly less. The dry-  
ing time of 16% moisture soybeans is about 50 days. Adding supplemental heat to  
raise the air temperature by 3 to 5 degrees will permit drying the soybeans to about  
11 percent moisture in about 40 to 45 days. Increasing the airflow rate proportion-  
ally reduces the drying time.The moisture holding capacity of air is reduced at lower air temperatures. As av-  
erage air temperatures approach 35 degrees, natural air drying becomes inefficient  
and not economical.Adding heat would cause the beans on the bottom of the bin to be dried to a  
lower moisture content and it would increase drying speed only slightly. Cool the  
soybeans to between 20 and 30 degrees for winter storage and complete drying in  
the spring. Hellevang recommends starting drying in the spring when outdoor tem-  
peratures are averaging about 40 degrees.Increasing the airflow rate will increase the drying speed. However, the fan horse-  
power required to achieve the higher airflow rate becomes excessive unless the  
grain depth is very shallow. For a soybean depth of 22 feet, each 1,000 bushels of  
soybeans will require about 1.0 horsepower of fan. To achieve an airflow rate of  
1.25 cfm/bu will require about 1.6 horsepower per thousand bushels and an airflow  
rate of 1.5 cfm/bu will need about 2.5 horsepower per thousand bushels.The type of fan greatly affects the airflow provided per horsepower, so use a fan  
selection software program such as the one developed by the University of Min-  
nesota. It is available on the NDSU grain drying and storage Web site. To find the  
website, do an internet search for NDSU grain drying and storage.Soybeans can be dried in a high-temperature dryer, but the plenum temperature  
needs to be limited to minimize damage to the beans. Refer to the manufacturer's  
recommendations for maximum drying temperature. Typically the maximum dry-  
ing temperature for nonfood soybeans is about 130 degrees. Even at that tempera-  
ture, some skins and beans will be cracked.One study found that with a dryer temperature of 130 degrees, 50 to 90 percent  
of the skins were cracked and 20 to 70 percent of the beans were cracked. Another  
study found that 30 percent of the seed coats were cracked if the drying air relative  
humidity was 70 percent or higher. Roughly with each 20 degree increase in drying tem-  
perature, the air relative humidity is reduced to one-half. Air at 50 degrees and 80  
percent relative humidity will have a relative humidity of about 40 percent when  
heated to 70 degrees. Monitor the soybean seeds coming from the dryer and manage  
the dryer temperature based on the amount of damage occurring.There is a risk of fires when drying soybeans. Soybean pods and other trash can  
accumulate in the dryer and become combustible. Assume that there is not an ac-  
cumulation of trash in the dryer that becomes combustible. Also, assume that the  
soybean continue to flow in all sections of the dryer. Monitor the dryer continuously  
to limit fire potential. Clean the dryer frequently to reduce the potential for debris  
becoming combustible.

## IRISH VB TEAM FALLS TO EWING IN FIRST ROUND OF STATE

Story by Brian McKim; photos by Lori Gottula

After a five-year absence from the State Volleyball Tournament, the Falls City Sacred Heart Irish earned a trip to Lincoln and faced the top-seeded team from Ewing on Thursday at Lincoln Southeast High

School. Coach Susan Witt's Irish kept it close the first set, but eventually fell 25-19. The second set started great for the Irish as freshman Lauren Malone served the first six points of the sets as the Irish raced to a 6-0 lead. SH held on for the convincing 25-17 win in the second set to even the match at one game apiece.

The top-rated team from Ewing proved to be too much down the stretch as they held on in the third and fourth sets 25-17 and 25-16 to get the win and advance to the second round of the tournament.

Rachel Magdanz led the Irish with two ace serves in the match, followed by Ahren Ebel and Randee Witt with one each. Ebel also led the team with seven kills while Ciara

Catlin, Elizabeth Keithley, and Chloe Schock each added five. Keithley, Witt, Schock and Ersin Vonderschmidt each had a block at the net.

Witt also led the team with 20 assists while Magdanz added seven. Defensively Teresa Morehead led the team with 17 digs, Witt and Malone each had 13 and Ebel finished with 11.

The loss on Thursday afternoon sent the Irish home earlier than they had hoped but they finished a successful season with an impressive 22-12 final record. Ewing went on to sweep Wynot in three sets on Friday before falling to BDS in five sets in the Class D2 State Championship game at the Bob Devaney Sports Center on Saturday morning.

With just two games left on the schedule, it seems as though the Huskers are beginning to play like the team we envisioned all along. Nebraska rolled up over six hundred yards of offense, including 316 on the ground. Senior Devine Ozigbo led the way with 11 carries for 162 yards, including a career-long 66-yard TD run in the second quarter. Where did he come from this season? The last couple of years he seemed to constantly be stumbling at the line of scrimmage and this season he has agility and balance. For the year Ozigbo is just 42-yards shy of a thousand, I'm betting not many saw that coming.

Speaking of a thousand yards, Stanely Morgan is closing in on a 1,000-yard season. With two games remaining he needs to average just 77 yards per game to get to that plateau. And the special teams, the much-maligned special teams came on strong Saturday. A blocked punt and two muffed punt recoveries gave the Huskers special teams the shot in the arm that it needed.

I for one expected a low scoring contest with the bitter cold. Boy, was I wrong. 59 total points scored in the first half was a bit crazy. As well as our offense played, the defense still gave up 509 yards and 35 points. Not the worst effort, but far from where we need to be at this point in the season.

With two games left on the schedule, the Huskers have a chance to finish the season on a high note and close things out with a 5-7 record. Next week won't be easy as the Michigan St. Spartans are coming off a 26-6 loss to Ohio St. but Sparty plays much better defense than Illinois. Look for the Huskers to continue to move the ball well on offense and put up another win. I'm thinking maybe 42-24, 23 points more than Michigan St is surrendering this season. The Huskers offense is on a roll, and I don't see anyone slowing them down right now. The season finale in Iowa City vs. the Hawkeyes also looks very winnable. Iowa is just 6-4 and is coming off a loss last week vs. Northwestern. The Huskers are riding momentum, and it can be hazardous for their opponents. Go Big Red.

### JAM SESSION October 23, 1954

Father has so much to be thankful for. His children pursue a soul-refreshing art. His home is a mecca for young people, so stimulating to have around the house. And now, as he enters the house, after a neurotic day in the office and being rather savage in mood, thankfully he can remind himself that music hath charms to soothe the savage beast. Mother whispers to him, "Cool chamber music, eh? They're all in for dinner, and I fear this may last far into the evening. But Cheerio, Paterfamilias! You can read your paper in the back bedroom and be thankful that I remembered to bring home your curlings from the beach. Say, do you think John Falter really understands this cover? Why did he paint father looking unthankful?"
