Board approves Franks as Chief Deputy Sheriff

The regular meeting of the Richardson County Board of Commissioners was called to order by Chairman Caverzagie at 1:00 p.m. on Wednesday, September 13, 2023. Board members Karas, Sichel and Caverzagie answered the roll call.

Sheriff Rick Hardesty joined the Commissioners via teleconference. Hardesty updated the Board on routine business at the Law Enforcement Center, reporting that \$4,744.08 had been collected in August. A discussion was held on sending a letter to Southeast Nebraska Dispatch/City of Beatrice informing them that Richardson County would not renew the contract for dispatch services. Sheriff Hardesty advised the Board that he had left a voice mail with Tobias Tempelmeyer, City Administrator of Beatrice,

Everything was perfect for the Richardson County Free Fair and Humboldt Fall Festival opening. The weather cooperated, the crowd was excited, and everything fell into place to celebrate "memorable milestones," this year's theme.

The master of ceremonies opened the program and welcomed the anxious crowd to the festival, and soon, the program was on its way.

The presentation of colors was done by The Sons of the American Legion #269 Squadron and HTRS Vocal Director Katie Umland sang The Star

Spangled Banner.

HTRS 5th grade performed Consider Yourself and Country Roads-Richardson County Edition.

President Dr. George Griffith presented the Humboldt Chamber of Commerce Welcome, who also gave the Humboldt Woman of the Year to Trudy Fankhauser.

Humboldt Mayor Ron Rathbone gave a wonderful welcome, and the keys to the city were presented to last year's King and Queen.

Then, the Junior Attendants, who were all kindergartners at HTRS, were introduced.

Taya Jo Schmit led the way. Taya is the six-year-old daughter of Craig and Ali Schmit of Humboldt. She has an older sister, Haley, who is in third grade. Her grandparents are Mel and Sharon Streit of rural Humboldt, Dave and Vicky McNealy of Humboldt, and Dan and Angela Schmit of Pawnee City. Taya has a history of Richardson County fair royalty in her family. Grandma Vicky (Hunzeker) McNealy was a fair queen in 1986 and Aunt Casey McNealy in 2014. Mother Ali was also a junior attendant in 1994 and second runner-up in 1995.

The fight to be free came with sacrifice

By Brian McKim

August 28, 2023, marked the 60th anniversary of the March on Washington for Jobs and Freedom. The "March" was intended to show support for President John F. Kennedy's civil rights legislation. Civil rights groups from across the country converged on the Washington Monument grounds for the peaceful protest that drew a crowd in excess of 250,000. The Rev. Martin Luther King Jr. spoke of the ideal in which each and every American was created equal and each deserved to be treated as such. The "March" is often recognized as one of the most meaningful demonstrations in the fight for racial justice in the United States. It is most well-known for King's "I Have a Dream" speech on the steps of the Lincoln Memorial.

Many of the issues leaders fought for in 1963 are still being fought for today.

One of King's most poignant lines of his speech was, "I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character. I have a dream today."

The fight for that equality has been long and hard. Many have given their lives to the cause with the hopes of someday being seen as equals.

On that day in Washington D.C., under the shadows of the Great Emancipator, Abraham Lincoln, Dr. King spoke with great enthusiasm, telling those in attendance that his people still were not free.

"But 100 years later, the Negro still is not free. One hundred years later, the life of the Negro is still sadly crippled by the manacles of segregation and the chains of discrimination. One hundred years later, the Negro lives on a lonely island of poverty in the midst of a vast ocean of material prosperity," said Dr. King.

On June 19, 1865, the last enslaved people were freed in Texas, marking the end of slavery in the United States.

Years later, in the late 1800s and early 1900s, former Confederate states enacted what became known as Jim Crow laws. The Jim Crow laws were state and local laws that enforced segregation based on race that began in the late 1800s and continued into the 1960s. Essentially, Jim Crow called for segregation in all public facilities in states of the old Confederacy.

There were many attempts to end the Jim Crow laws, one of the most famous being the Plessy v. Ferguson case in 1896. Essentially, the Supreme Court ruled that separate but equal facilities were constitutional, a ruling that held up for 58 years. Finally, in 1954, in the landmark case of Brown v. Board of Education of Topeka, the Supreme Court ruled that school segregation was unconstitutional.

Everywhere was affected by segregation, but it was especially prevalent in the South. Jim Crow laws in Georgia forced restaurants to serve either all white people exclusively or black people exclusively. In amateur baseball, it was unlawful for any white baseball team to play baseball on any vacant lot or baseball diamond within two blocks of a playground devoted to the Negro race. Segregated waiting rooms in bus and train stations were required, as were water fountains and restrooms. In Mississippi, white and black individuals could not share a sidewalk. It also called for separate schools for the children of the white and black races. It took years before black

BREAST CANCER CAN AFFECT ANYONE

By Debra Johnston, MD

My mother had 6 siblings, 16 aunts and uncles, and innumerable cousins. She was the first of them all to be diagnosed with breast cancer.

I think of my mom every time one of my patients tells me they aren't concerned about breast cancer because it doesn't run in their family. Unfortunately, that is true of most people who are diagnosed with the disease.

I also think of my mother every time I do a breast exam, or teach someone else how to do a self exam. Her breast cancer was one not detectable by the mammogram technology available in the early 2000s. Even today, with 3D mammograms, not all breast cancer can be seen on routine screenings. She found her cancer herself, by noticing a change in her breast. Her diagnosis was delayed, however, because, having had multiple previous biopsies that turned out to be "nothing," she prioritized all the other things she had to do that spring over going to her doctor.

The importance of being vigilant for these changes is not limited to one gender. Although most breast cancer patients are female, approximately 1% are male. Anyone who notices a change in their breast should be seen by a clinician.

Breast cancer detection has changed dramatically since my mother was diagnosed. 3D mammograms, which present clearer images to the radiologist, are routine. Contrast Enhanced Spectral mammography and breast MRI offer new tools to high risk individuals, women with abnormal screening mammograms, and their health care teams. People known to be at high risk might take medication to reduce that risk, and might undergo more frequent imaging and exams. Genetic counseling and genetic testing help us identify those who could benefit from this close follow up.

Breast cancer treatment has also changed dramatically. Advances in surgical treatment have reduced the risk of post operative complications, such lymphedema: chronic swelling caused by the disruption in the flow of fluid through the lymph nodes. Specialized testing of a person's cancer lets oncologists identify those patients most likely to benefit from chemotherapy. Conversely, it also lets them identify those who might skip it. New classes of medications offer hope even to people whose cancer has spread, and improve the tolerability and effectiveness of old medications. We've gotten better at helping patients, and their families, navigate the challenges that come with the disease and its treatments.

Many things in medicine have changed over the 25 years I've been practicing. The advances in cancer treatment may well be some of the most exciting. But some old wisdom still holds true: If you notice a change in your breast, please get it checked out. Even if you had a normal mammogram a few months ago.

DEAR COLORADO, WHAT IS HATRED ANYWAY?

Capitol View
Nebraska Press
Association
By: J.J. Schmidt

An open letter to Colorado.

It's fitting that I am writing this on the 22nd Anniversary of the 9/11 attacks on America, the day that hatred manifested itself openly on American soil.

I am writing about a now-past football game and the comments made by the showboat coach of the University of Colorado and his son the star quarterback who said to more than one media outlet "We don't like Nebraska." That comment is somewhat toned down from Saturday evening reports that he uttered that he "hated" Nebraska.

Given that neither father nor son has likely ever visited Nebraska, I feel compelled to pursue this matter. Since I was born and reared in the Nebraska Panhandle, I have been to Colorado numerous times.

Boasting of beating the University of Nebraska football team has, for the past few years, been laughable. I am sure that on a given day the Huskers might not fare well against the 2-1 Lincoln East High School Spartans, but that's a matter for sports writers of which I am not.

The son said he took issue with comments made pregame by Nebraska's first-year coach Matt Rhule.

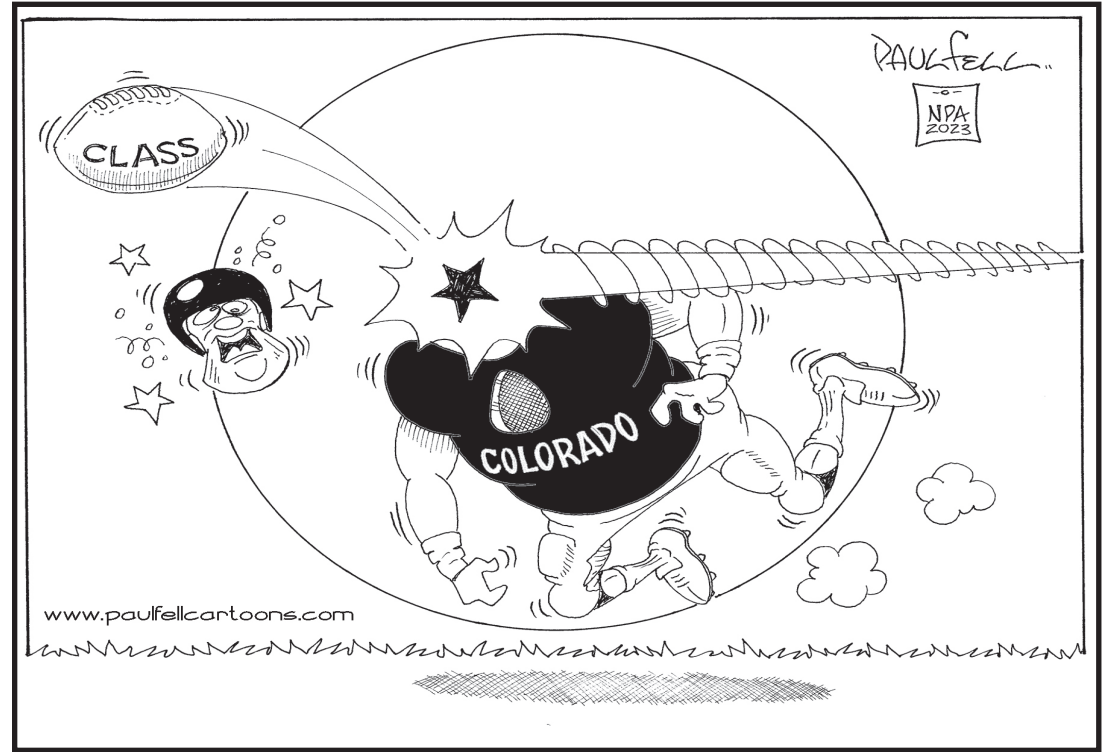

Brent Schrotenboer, writing for USA TODAY, said "It's not clear if Rhule meant any disrespect or what exactly he said that offended Shedeur Sanders. But that's how these Buffs roll - big chips on their shoulder pads and making things 'personal' even when there's not much to there to support it sometimes."

Those comments Sanders referred to that Rhule made didn't single out Colorado by name, but the coach did take some issue with teams relying so heavily on the transfer portal and building their name with "hype," Schrotenboer wrote.

Are we to understand then that the father and son don't like the Husker football team and/or its coach? There are probably more than a handful of Husker fans that don't like them either on any given Saturday. That post Osborne love-hate relationship has existed for years and was exacerbated recently when native son Scott Frost was coach.

If they don't like Nebraska, that's another story representing a slap in the face of everyone from the sugar beet farmers in the Panhandle to the cattle ranchers in the Sandhills and the corn and soybean growers in southeast Nebraska. That includes everyone from Chadron to Falls City and Benkelman to South Sioux City.

I went to a snowball fight at Folsom Field in Boulder in the 1960s and a football

game broke out. I spent the second half in a warm bar called Tulagi that had been around since the 1940s. Since I didn't own a stitch of red clothing in those days, I made it through the second half with some fellow bland dressing Nebraskans. I don't remember who won that game.

Over the years I learned to love a trip to enjoy the so-so food but great atmosphere and entertainment of Casa Bonita in Denver. I enjoyed and still yearn for a slice of pie at Ginger and Baker in Fort Collins. Heck, I even liked the emergency room in Frisco where I went for treatment of food poisoning I had picked up in Grand Junction on a trip between Las Vegas and Lincoln. My wife and I honeymooned in Estes Park 48 years ago.

But never have I been subjected to the chants of "F--- Nebraska" encountered by Husker football fans who made the trip to Boulder. I have no doubt that was the atmosphere they encountered recently. That's a shame neighbor.

The country has changed since 2001. Given the aftermath of the 9/11 events that killed more than 2,700 innocent Americans and the contentious presidential elections of late, George Floyd and other cases of alleged police brutality and a rash of mass shootings, things are out of whack.

University of Nebraska President Ted Carter, recently named as the next president of The Ohio State University, noted that

things have changed in Nebraska. When he came to Lincoln in 2020, he was known for his ability to persuade conservative and liberal constituencies about the value of investing state and private resources in higher education.

But that has changed. A more conservative Legislature increasingly puts university spending and actions in the political crosshairs, including public spats between former Gov. Pete Ricketts and

former University of Nebraska-Lincoln Chancellor Ronnie Green.

One thing hasn't changed. Many Nebraskans remain proud of this mostly square fly-over state out west that some people couldn't find on an unmarked map ... and we like it that way.

So don't be hating on us Colorado.

75-50-25 Years Ago

75 Years Ago, September 20, 1948 to September 26, 1948

Ninety members had registered for District No. 2 of the Nebraska Federation of Business and Professional Women's Club meeting at Prichard Auditorium. Miss Gladys Grush, director of the district, presided at the meetings.

Charlie Giese, Municipal Airport Manager, announced that Dr. W.D. Ketter had received his commercial pilot's license. The Falls City physician put in 180 hours of flying time to qualify for the rating, 120 of which were solo.

For the first time in 20 years, the Schulenberg family held a reunion at City Park in Falls City. Over 160 guests attended the event, with the oldest being Mrs. Anna Watton and the youngest being Robert John Witt, son of Mr. and Mrs. Glenn Witt.

Mr. and Mrs. Wilbur Mellage of Reserve were the proud parents of a daughter, Jane Ann, born at Our Lady of Perpetual Help Hospital.

J. Edgar Hoover, the FBI Chief, was in serious condition at his home in Washington D.C. Hoover, head of the FBI since 1924, was confined to his bed with bronchial pneumonia.

There were three new coaches in the Little 10 Conference. Russell Henderson took over at Verdon; Art Clement was in charge at Dawson, and in Rulo, Giles Shelton was the new superintendent and coach.

Three former Falls City High School athletes were on the roster for Baker University. John Zorn was a center, Larry Noll was a guard and Harold "Buzz" Heasley was a halfback.

Wider automobiles, coupled with the difficulty of drivers staying between parking lines, prompted the city to give more slant to downtown stalls and allow more width between the lines.

The fall institute of the W.S.W.S. of Evangelical United Brethren Churches was held at St. Paul's Evangelical United Brethren Church in Preston, with 143 in attendance.

W.L. Parker wrote a \$41,118 check to Ben and John Stalder of Salem in payment for 464 hogs sold to the W.L. Parker Hog market. It was the largest single check Parker ever wrote in payment for one lot here.

The annual Dorste reunion was held at Lake Hiawatha, with 51 in attendance. The first reunion was held in 1933 at the same location.

Officers of the Falls City chapter of the Future Farmers of America were elected at the schoolhouse. Bennie Bearce was named president; Gene Kirkendall was vice president; George Bertram was secretary; Donald Kirkendall was treasurer; John Lichty was reporter and Byron Meinzer was sentinel.

According to Louis Ebel, a troupe of juvenile dare-devil horsemen, the Royal Riders and Ropers of Independence, MO, better known as the Rodeo Kids, were booked to appear in Falls City on October 9.

The football game between Falls City and Pawnee City cost 65 cents for adults and 35 cents for students. The Tigers defeated Pawnee City 18-6. Bob Simpson, Tom Percell and Charlie Hunley all scored touchdowns for Falls City.

50 Years Ago, September 20, 1973 to September 26, 1973

A new "Super D" family discount store opened for business in the Towle building at 1609 Stone Street. Mrs. Laura Heesel, a local resident with previous retail experience, was the new shop's manager.

A 12-member jury in district court awarded \$169,904 to Mr. and Mrs. Elmer Duerfeldt for the land that the state had taken from them for the Indian Cave State Park. The trial, which dealt with three tracts of land totaling 1,030 acres, lasted eight days.

Recording star Jim Croce was among six killed when his plane crashed near Natchitoches, LA. The plane crashed just 200 yards past the runway when it hit a tree while taking off.

Billie Jean King roasted Bobby Riggs 6-4, 6-3 and 6-3 in the battle of the sexes tennis extravaganza.

The Falls City DECA Club chose officers for the 1973-74 school year. Bill Miller was reporter; Debbie Larken was treasurer; Dave Cudney was vice-president; Martie Jones was parliamentarian; Jerry McKim was president and Joyce Chandler was secretary.

Residents of Dawson were up in arms because their main street had been washed with putrid animal blood from one end of town to the other. A tank truck hauling the material had a valve open and left a trail from the state line to halfway to Auburn.

Dick Ramsey carried the ball 16 times for 101 yards and Tim Lyons caught two passes for 19 yards and ran seven times for 34 more as DV defeated Barneston 45-6 to improve to 3-0.

Bob and Jim Olberding each tagged an antelope while hunting about 40 miles north of Scottsbluff. Bob got his around 7:00 a.m., while Jim got his an hour later.

25 Years Ago, September 20, 1998 to September 26, 1998

The low bidder for the 6.2-kilometer stretch west of Rulo was Constructors Inc. of Lincoln for \$3,749,711. The project was scheduled to take 155 days.

Brian Lemerond threw four touchdowns and Nate O'Grady had four catches for 37 yards and a score as Sacred Heart defeated Humboldt 57-13.

Sophomore QB Brent Shubert completed 4/8 passes for 62 yards and a TD as Southeast dominated Pawnee City 39-14.

Mary Harding, executive director of the Nebraska Environmental Trust Fund, presented a check for \$350,000 to State Sen. Floyd Vrtiska to help with the Verdon Lake Restoration.

Extension Educator Gerald Hopp and County Board Chairman Jim Sefried attended a "Planning and Zoning" seminar in Tecumseh. Sefried noted that companies involved in large-scale livestock operations look for counties where planning and zoning do not exist. The Richardson County Board was not proposing an immediate planning and zoning commission formation. Still, it sought to bring the topic to the public's attention to begin a dialogue. A general study of Richardson County would cost about \$20,000.

Falls City Journal Athletes of the Week included Austin Jones and Katie McGinnis. Jones had 13 tackles against Ashland-Greenwood and McGinnis was 21-of-21 with seven kills in the championship match at the MUDECAS volleyball tourney.

individuals were afforded the same health care as white people.

Athletes were even subject to the Jim Crow laws, especially baseball teams that traveled through the South. A former athlete spoke about the "rules" that black ballplayers had to deal with in the late 1960s.

For example, the team bus would drop off the white ballplayers at one hotel and then take the black athletes to a separate hotel. Another rule, this one in Louisiana, stated a black man couldn't look a white woman in the face; he had to look at her shoulder. Black children couldn't play in white parks; in Louisiana, they had to step off the sidewalks and walk in the street when they met a white person.

"I ate at a restaurant in Georgia where Blacks had to eat in the back at picnic tables and order through a window because they weren't allowed inside."

According to the individual, Georgia and South Carolina were bad, but Mississippi was the worst regarding racism. He also said they "didn't like Catholics either." The smaller the town was, the worse the racism was.

Players weren't immune on the field, either. Fans hurled insults at the athletes and threw items such as peanuts at them.

Off the field in parts of the South, Blacks couldn't ride up front with a white person in a vehicle because that meant they were their equal. Team buses weren't segregated, but when they stopped to eat, the white ballplayers often got their black teammates food because they weren't allowed to go in.

"It was hard for the Dominicans because they weren't used to that. Our blacks said this is just the way it is."

"I had a teammate tell me the only thing he liked about the South compared

to Northerners, 'I know he hates me; he don't hide it.'"

According to this person, racism was all over; the South just had laws. The gist of the Jim Crow laws was that they gave law enforcement the right to pick a black person up for just about anything.

The Black ballplayers never felt like they got a fair shake; "they had to prove themselves doubly compared to what a white player had to."

"Most of them (Black players) did it for their kids and the kids after that. They knew with (Dr.) King, the world was changing, but the South was going to be the hardest to change."

Some players would slide into bases with their spikes high, trying to injure a black player; some white pitchers would deliberately throw at a Black batter.

When asked if he ever remembered any Black player being scared to go onto the field, he replied, "No, they had more guts than anyone you ever met. Imagine going into a place where everybody hates you. They sacrificed a lot. You know they wanted to retaliate, but they couldn't."

Jackie Robinson was the first black athlete to break into professional baseball in 1947, but it wasn't until the 60s that it became more accepted.

Racism still exists today, and the fight is ongoing. However, with open minds and open hearts, today's generation has the opportunity to push the needle forward in the battle for equality.

The Senate voted unanimously on June 15, 2021, to make Juneteenth a National Independence Day Act, effectively making it a federal holiday. Juneteenth, a federal holiday, celebrates the end of slavery in the United States, which officially took place on June 19, 1865, in Texas.

but hadn't heard back. After a discussion, Karas made a motion to approve sending a letter to the City of Beatrice stating that Richardson County would not be extending its contract for dispatch services. The motion was seconded by Sichel and carried. The agreement with Beatrice and the Southeast Nebraska Communications Center 911 is up next August.

The Board also approved the appointment of Jeremiah Franks as the Chief Deputy Sheriff, effective September 15, 2023, replacing Clinton Stonebarger. The Commissioners also discussed possibly hiring a full-time deputy from Kansas who is Nebraska Certified and a trained K9 handler.

The Board also discussed and approved the purchase of a vehicle from Hullman's Ford for the purchase price of \$44,709.00. A portion of the vehicle would be paid from the Sheriff's budget, with the remaining part coming from the Inheritance Tax Fund. Sheriff Hardesty noted a cage would need to be purchased. Due to a change in body style, an old cage would not fit properly, but a light bar from a previous vehicle

would work. Hardesty would check with local shops to see if any would be interested in retrofitting an old cage.

Sichel made a motion to adopt Resolution 2023-2024-8 regarding adopting the FY2023-2024 budget as published and presented at the public hearing held on Wednesday, September 13, 2023, at 10:00 a.m. No one from the public was on hand at the meeting to offer input. The motion was seconded by Caverzagie and carried.

Sichel also made a motion to adopt Resolution 2023-2024-9 to approve a tax levy of .349757 for the year 2023 for Richardson County as published and presented at the public hearing held on Wednesday, September 13, 2023, at 10:15 a.m. No one from the public attended the meeting to offer input. The motion carried. The tax levy is a reduction of .041527 cents or 11%.

The Board discussed implementing a hiring restriction without prior approval from the County Board of Commissioners on all new hires with a review of that job description to be filled in all County Departments. A resolution for the matter will be considered at a

later date.

The Board also approved Resolution 2023-2024-11, which formally changed the name of Region V to Apace.

Nebraska Public Service Commission opens investigations into 911 outages

On Tuesday, September 12, the Nebraska Public Service Commission (PSC) opened separate investigations into recent 911 outages involving telecommunication carriers Lumen (911-075/PI 248) and Windstream (911-076/PI 249).

"The disruptions in 911 service that occurred in these two separate incidents is unacceptable," said Commission Chair Dan Watermeier. "The Commission expects 911 service providers to maintain diverse and redundant connections between 911 centers and their networks."

Determining why the outage resulted in the loss of 911 service over such a wide area of Nebraska will be essential to the Lumen investigation (911-075/PI 248).

A primary focus of the Windstream investigation (911-076/PI 249) will be to determine why a fire and loss of electrical power at a single Windstream facility resulted in a disruption of 911 service to a large portion of south-east Nebraska.

In both investigations the Commission seeks an explanation as to why the redundancy required of both telecommunications carriers failed and a solution to prevent this from happening again. Commissioner Watermeier said, "The highest level of service is expected and required of our 911 service providers. There are no exceptions."

Upon arrival Officer Cheek made contact with Dustin Stilen, Melinda and Aaron Dorste. The drivers were identified. Stilen of Falls City stated that he was traveling south on Stone Street at 25 miles per hour when his vehicle was struck in the passengers side by a truck. Haiden Dorste stated that he was stopped at the stop sign of 13th and Stone street traveling East. He then entered the intersection and struck Stilen's vehicle. Officer Cheek asked Dorste what area of the intersection did the collision occur. Dorste stated that it happened in the middle of the intersection. Officer Cheek's investigation concluded that Stilen had the right-of-way in the southbound lane of Stone Street and Dorste failed to yield the right-of-way resulting in a broadside collision. Neither driver was injured in the collision. Pictures were taken and the officer stated he would then issue a citation to Dorste for failure to yield the right of way and a citation to Stilen for misuse of a learners permit.

An estimated \$1,200 in damage was done to the Stilen vehicle owned by Jessica Collins; an estimated \$1,200 in damage was done to the Melinda Dorste vehicle.

As the Bebermeyer turned left they turned too sharply and struck the front driver side of the Whalen vehicle with the driver side front wheel and door area of their car. No disabling damage was done to either vehicle. No emergency medical services were requested by either driver. Neither vehicle was towed.

An estimated \$3000 in damage was done to the Whalen vehicle; an estimated \$3000 in damage was done to the Bebermeyer vehicle.

Farm Safety Week 2023 No One Can Take Your Place

With harvest season ramping up, the Nebraska Corn Board (NCB) and the Nebraska Corn Growers Association (NeCGA) are encouraging everyone to slow down and dedicate an extra moment to ensure the safety of both themselves and fellow travelers on the road.

Remember, no one can take your place.

Nebraska Corn looks to promote safety during National Farm and Safety Week Sept. 17-23.

Agriculture remains one of the most important, yet unpredictable and dangerous lines of work. Farmers are susceptible to various injuries, both life-threatening and non-life threatening. According to the Centers for Disease Control and Prevention (CDC), in 2021, transportation incidents, which include tractor overturns and roadway crashes, were the leading cause of death for farmers and farm workers. More than 11,880 non-fatal agriculture-related injuries are reported each year, with many other incidents going unreported.

"As farmers prepare for the busy harvest season, we can sometimes get in a hurry to get things done," said John Krohn, District 7 director for the Nebraska Corn Board and farmer from Albion. "It is important to take the extra time to slow down and be safe because it can truly make a difference."

Harvest is a stressful time for farmers due to unpredictable weather and the short timeline they have to get their crops out of the field. It is imperative that farmers take care of themselves both physically and mentally to ensure a safe and bountiful harvest.

"Harvest is one of the busiest seasons for farmers and there are a lot of different details we need to keep track of," said Ethan Zoerb, Nebraska Corn Growers Association grower services committee chair and farmer from Ravenna. "To ensure a safe harvest season for all, take time for safety. We know the work we do can be dangerous, but remember your family wants you to come home at the end of the day."

Not only are farmers at risk for injury, but so are those who may be traveling in rural areas this harvest season. Nebraska Corn encourages everyone to slow down and be aware of the increased farm traffic. In rural areas, parents of small children should develop safety rules to prevent youth from playing on or near harvest equipment, regardless the time of year.

Look at these other safety tips to ensure that you make it home safely because no one can take your place.

Equipment Safety-Be careful when approaching harvest equipment. Approach equipment from the front and get operators attention. Ensure the harvesting equipment is fully stopped and disengaged before approaching. Do not go near any unguarded or otherwise running machinery. Avoid pinch points between equipment – such as tractors with grain wagons. Visibility can be limited, and serious injury can occur.

Entanglement Hazard-Before unplugging any equipment, disengage power and remove energy from the equipment. Never pull or try to remove plugged plant material from an operating machine. Never remove shields. Keep in place to avoid entanglement when working around equipment.

Fall Hazard-Be careful when climbing on or off equipment. Be alert and extremely careful when working in wet or slippery conditions. Keep all walkways and platforms open and free of tools, dust, debris or other hazardous obstacles. Clean all walkways and platforms before use. Wear clothing that is not baggy or loose. Also wear proper non-slip, closed toe shoes. Use grab bars when mounting or dismounting machinery. Face machinery when dismounting and never jump from equipment. Never dismount from a moving vehicle.

Fire Prevention-Carry a fire extinguisher with you in your vehicle (A-B-C, 5 or 10 pound). Check bearings regularly to prevent overheating and the chance of fire. Remove build-up or dust from equipment.

Grain Cart Safety - Never exceed maximum weight limits on grain carts. As weight increases, grain carts can be more difficult to control. Load grain bins evenly to distribute weight and prevent weaving or instability across the grain bin. Inspect grain bin tires and replace any worn or cracked tires.

Grain Bin Safety-Check the air quality before entering an enclosed space. If entering a bin, wear a harness attached to a secure rope. Never work alone. Never allow children to get too close or inside the bin. Wear a dust filter or respirator when working in bins. Stay out of bins when equipment is running.

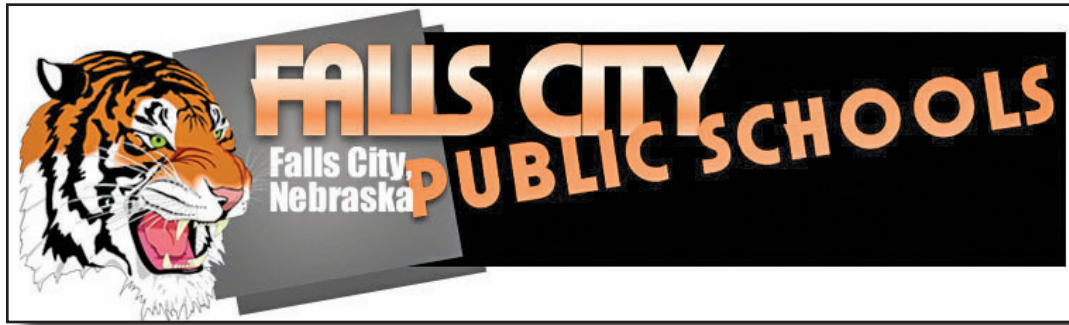

The Nebraska Corn Board is funded through a producer check off investment of ½-cent-per-bushel check off on all corn marketed in the state and is managed by nine farmer directors. The mission of the Nebraska Corn Board is to increase the value and sustainability of Nebraska corn through promotion, market development and research.

FCPS Superintendent's District Update

By Tim Heckenlively

The Falls City Public Schools held its regular monthly board meeting on Monday, September 11, 2023. Here are the highlights of the meeting.

School District 56 Budget and Property Tax Request Hearings for fiscal year 2023-2024 were held on September 11th at the Central Office in Falls City Middle School. The General Fund budget decreased over the 2022-2023 budget approximately (1%). The Special Building Fund Budget increased over the 2022-2023 budget by 17% and reflects the financial growth of the fund. The change in the 2023-2024 overall operating budget compared to the 2022-2023 is an increase of 5%. The school district budget set for 2023-2024 includes the General Fund, \$18,177,842; Depreciation Fund, \$402,733; Employee Benefit Fund, \$120,000; Activities Fund, \$650,000; School Nutrition Fund, \$742,630; Special Building Fund, \$2,187,262; Student Fee Fund, \$14,200; for a total of \$22,294,667. The Necessary Cash Reserve in the General Fund is budgeted at \$3,639,630.

Property values in District 56 increased by nearly 15% over last year. (\$958,046,107 to \$1,101,046,530). The Property Tax Request for 2023-2024 is \$8,844,427. The property tax request is (\$910,144) less than in 2022 due to increased funding from the State in Foundation Aid & Special Education Funding. District 56 proposes to adopt a property tax request that will cause its tax rate to be 0.805604 per \$100 of assessed value. The proposed property tax request is a (9.33%) decrease from 2022 (1.018173).

The General Fund, combined with the Special Building Fund have the statutory requirement of the \$1.05 levy limit, while bond funds fall outside the levy limit. The Property Tax Request is within the allowable growth percentage. The School District is not required to complete postcard notification requirements, or participate in the joint public hearing.

Student Enrollment - Enrollment figures as of September 11, 2023 show an increase from the 2022-2023 school year. Current enrollment numbers show 830 students in pre-kindergarten through 12th grade, which is up eight students from a year ago. The largest class is the 4th grade class with 69 students, and the smallest class is the first grade class with 51 students.

Strategic Plan Update - The annual board planning workshop was held Monday, August 21 at the Falls City Middle School. The Board of Education and administration collaborated and reflected on the future direction of the school district and the factors which may/will support and challenge the school district in moving to the next level of effectiveness. This process allowed the Board of Education and administrative team to effectively identify specific goals and initiatives to address them. The categories included in this process are each connected and included curriculum & instruction, demographics, hiring & retention, school finance, governance & leadership, district programs, and facilities. The current draft is under review by the Board and administrative team with a target date of October 9, 2023 for adoption.

Exterior Entrance Security Upgrades - Access control improvements are nearly wrapped up at both elementary buildings. The Middle School will be started in the coming weeks. The Kidwell team is shooting to have the Middle School up and running by the end of September-early October. The High School is all cabled, but the contractor is awaiting on the installation of conduit to the doors at the HS. If we don't have any major issues, Kidwell should be able to wrap up by the end of November.

The fair has come and gone. This year's theme was "Memorable Milestones," and it indeed was memorable.

I recounted for my family a few of my most memorable fairs: the 2001 fair and the vibe of the entire thing after the towers fell and our country was attacked; the year I threw up on the boy I liked, the year after Brian's accident when I had to push him around in a wheelchair and now this one will be a tale I tell for years to come.

I returned home from my birthday trip from California just before the sun came up on Friday morning, no thanks to severe weather in Las Vegas and a medical emergency on the plane I was on. In a daze of hunger and exhaustion, I pulled into Falls City, knowing I wouldn't make the parade in only a few hours. I needed sleep, and I needed it worse than ever. My head hit the pillow, and sometime after noon, I woke up and continued to work on this week's *Journal*.

I hit pause long enough to attend Falls City's Homecoming, where my son was up for king.

Saturday was going to be my fair day. Nothing would stop me, so I forged on when we left town and a few dark clouds in the distance started to pop up. A bit of rain wouldn't keep me from my favorite event of the year.

One thing about me is that I hate to drive in the rain. I get anxious and most of the time, I will forego any event if it means I have to drive in the rain. As we got closer to Humboldt on Highway 8, the rain towards Humboldt looked worse and worse, but I knew we were close, and it would only be a few miles of anxiety. I could practically smell the chili and hamburgers and hear those Bingo numbers being called.

We turned onto Highway 105, and a couple of miles south of Humboldt, it hit out of nowhere. Golf ball-sized hail started to pound the car. I slowed to a crawl, but it hit the windshield with a force I hadn't seen out of hail before. A new kind of weather-driving anxiety was born. I pulled over, hoping to ride out this hailstorm for a few seconds, but the seconds turned into minutes, and the hail continued to grow. One crack at the bottom of the windshield turned into three, then four, then six or seven. The sound was deafening, and the fear of hail coming through a side window started getting real.

We pulled back onto the road and tried to drive a bit to find some trees, but the hail continued to crack the windshield. We spotted a tree line pulled alongside it and waited it out.

I thought of all the people at the fair and the tents, hoping and praying that this storm hadn't gone through. I knew there wouldn't be many places for people to hide, and nobody would be safe out in the open.

About ten to fifteen minutes later, the rain came, and we were back on the road, shaken and slightly stunned. I remember a hailstorm moving through Falls City when Alex was a baby that could rival this one, but it didn't do the kind of damage to my vehicle that this one had done.

When we got to Humboldt, we saw that all was right with the world. Thunder was rolling, but people were out and about and tents were still intact. I was so

thankful that they only received a small hailstorm and nothing like we had received.

We sat down and had our chili and maybe the best cheeseburger I've ever had.

Two bowls of chili, two burgers, a bottle of water and two pops: \$18.00.

A new windshield: \$400ish.

An afternoon at the fair with friends you've known since you were a toddler: priceless.

Dobey Haws, Marc Morehead and Butch Haws

Butch and Dobey Haws to Serve as Peru State Homecoming Grand Marshals

Butch and Dobey Falter Haws grew up in Falls City and graduated from Falls City High School. Butch continued his education at Peru State and graduated in 1969 with a degree in industrial education and was a member of Epsilon Pi Tau. Dobey, a graduate of UNL, got summer school hours from PSC. Both value the

excellent education they received during their Bobcat years in the mid to late 1960s and have continued to enjoy campus activities with many of their lifelong alumni friends. They will be honored as the 2023 Peru State Homecoming Grand Marshals on Saturday, Sept. 30, according to

President Michael Evans. The Homecoming Parade begins at 10 a.m. Lincoln has been their home for the past 50+ years. After military service and 13 years of teaching for Lincoln Public Schools, Butch started a manufacturing company which did business internationally for 32 years. Dobey taught elementary Physical Education for 40 years for LPS.

Since retirement, they have been involved in volunteer projects in Peru, Falls City, and Lincoln. They were instrumental in establishing the John Philip Falter Museum in Falls City which highlights works by the world-renowned illustrator, a relative of Dobey's. Their contributions to the Lincoln Community Foundation help support charitable organizations, and they have proudly backed many Peru State College projects including the new football facilities at the Oak Bowl, the campus entrance, the Performing Arts Center, and the exciting latest

development - Project ROAR. That project, now underway, includes the first new major building construction at Nebraska's first college in more than 40 years.

Both are honored to have been asked to represent Peru State at its homecoming. Butch commented, "We feel there has never been a better time to be a Bobcat!"

Peru State College Homecoming Sept. 29th and 30th

Peru State College will hold its 2023 Homecoming festivities on September 29 and 30 on the "Campus of a Thousand Oaks." The theme "Cats from the Past" will focus on past decades. All students, alumni, family, and friends are invited to gather and celebrate Nebraska's first college.

Weekend Homecoming activities kick off on Friday, September 29, with alumni and guest registration from 3 to 5 p.m. at the library. Campus tours will be offered from 3:30-4:30 p.m. The alumni reception will be held at the President's house from 4:30 to 5:45 p.m. To conclude the day, the all-college and reunion banquet will commence at 6 p.m. in the Student Center. It will feature a special music presentation by Dr. Dan Holtz, a former Peru State English professor.

The all-college reunion and banquet will honor the class of 1973 and its affiliated classes of 1972 and 1974. The classes of 1963, 1983, 1993, 2003, and 2013 will also be honored.

Saturday's activities will start with the homecoming parade at 10:00 a.m. The Bobcat volleyball team will host Culver-Stockton at 11:00 a.m. in the Al Wheeler Activity Center which includes a recognition of the team members and coaches from the national tournament qualifying 1993 volleyball team. A tailgate party and mini-carnival, compliments of the College and Foundation are free to attendees. It will be held on the lawn of TJ Majors from 11:00 a.m.-1:30 p.m. The Peru State Jazz Band will add live music to the festivities. The Bobcat football team then takes on Missouri Valley at 2:00 p.m. at the Oak Bowl, with the coronation of the 2023 King and Queen at halftime. Andrew Black Elk and Daniela Lagunas were the 2022 King and Queen, respectively.

Tiger softball looking to get back on track

The Tiger softball team dropped a pair of contests on Monday, September 11, at Wilber-Clatonia High School. Falls City fell to the host team in five innings, 5-11 and to the Auburn Bulldogs, 0-19. FC never led against the Wolverines, trailing 0-4 after one inning. FC led off the second with a single by Izzy Armbruster. After a stolen base, Armbruster scored on a base hit by Elizabeth Vice to cut the lead to 1-4. Vice came in to score on a ground out by Jazzy Strecker to make it 2-4. The final run of the inning came on an RBI single by Emilou Schulenberg to make it 3-4. The Wolverines scored six big runs in the third to push the lead to 3-10. FC plated two more runs in the fifth. Schulenberg led off the inning with a three-bagger and scored on a wild pitch for the Tiger's fourth run of the game. Hana Irizarry drove in Ava Armbruster with a single to right field to make it 5-11. A walk by Izzy Armbruster placed two runners on base with only one out, but back-to-back flyouts ended the game for FC.

Schulenberg led the Tigers with two hits, including a triple and an RBI. Jordan Wilcox was saddled with the loss, giving up seven hits, ten runs and eight walks over three innings of action.

FC failed to threaten the Bulldogs in the other game on Monday night. The Tiger's lone baserunner came when Emily Vitosh singled to right field to lead off the second inning. Unfortunately for FC, a strikeout and two groundouts left the runner stranded on base. Auburn scored eight runs in the first, nine in the second and two more in the third as they shutout FC for the 19-0 win. FC was outthit 13-1 and committed six errors. Strecker took the loss, allowing five hits and ten runs (seven earned) in one inning of action.

On Tuesday evening, FC hosted Plat-

teview at Hartman Field. The Trojans jumped all over the Tiger pitchers, scoring 14 first-inning runs as they cruised to the 22-9 win.

Trailing 0-14 after half of an inning, the Lady Tigers responded with four runs in the bottom of the inning. Walks by Schulenberg and Vitosh and a single by Ava Armbruster led to a bases-loaded walk by Izzy Armbruster to make it 1-14. RBI singles by Malori Kuker and Brylee Liberty made it 4-14 after one. In the third, Schulenberg cut loose with a three-run homer to left field to cut the Trojan lead to 7-18. FC scored its final runs in the next inning when Liberty doubled home a pair of runs to make it 9-18.

The Tiger batters clobbered 12 hits in the contest and were led by Liberty, who finished 3-3 with a double and three RBI. Schulenberg finished 1-3, but her one hit was a three-run bomb. Strecker took the loss, giving up two hits, six runs and three walks without recording an out in the first. Three Tiger pitchers combined to issue 14 walks while striking out one batter.

On Thursday night, FC hosted Southern/Diller-Odell. The visitors scored single runs in the first and second innings to take a 2-0 lead after two frames. Southern exploded for six runs in the third to pull away. The Lady Tigers plated one run in the fifth and two more in the seventh but eventually fell 8-3.

M. Parde, R. Lauby, G. Long and M. Frase all had two hits for Southern. Lauby got the win, scattering 12 hits and three runs over seven innings. Stats for FC were not available at the time of print. Southern improved to 11-8, while FC fell to 3-13.

The Lady Tigers hosted Fairbury on Tuesday and Lafayette on Thursday. FC will play in the ECNC triangular on Saturday in Auburn against the Bulldogs and Freeman.

Titans place second at MUDECAS

The HTRS volleyball team made quick work of Lewiston in the first round of the MUDECAS Volleyball tournament on Monday night in Beatrice. The top seed in the "B" division won in straight sets, 25-9 and 25-7, to advance to the next round. Laramie Glathar was 10/10 serving with one ace, while Lilian Bowen was a perfect 8/8 with an ace. Glathar added a game-high 18 assists, while Jaylie McNealy led the Titans with five digs. Senior Avery Dierberger led the attack with ten kills, while Macy Vrtiska added seven.

In second-round action on Tuesday night, the Titans dropped the first set against Sterling 25-27 before storming back to win set two 25-15 and set three 25-16 to advance to the championship on Thursday night against Falls City Sacred Heart. Dierberger was on fire again for HTRS, finishing with 14 kills on 31 attempts. Elie Bstandig, Vrtiska and Bowen all added six. Dierberger added five ace serves, while Glathar was a perfect 20/20 with three aces. McNealy led her squad with 12 digs, while Hannah Koziol was right behind with 11 and Glathar set her up for a match-high 31 points. The win improved the Lady Titans to 9-4 for the season, while the loss dropped the Jets to 2-6.

On Thursday night at the Truman Center in Beatrice, HTRS took on the Falls City Sacred Heart Irish in the "B" Division finals. The Irish, riding a hot streak, proved too much for the Titans to handle as Sacred Heart went on to win in two sets, 25-23 and 26-24. Stats were not available before the Journal's deadline.

The 9-5 Titans hosted Auburn on Tuesday and played in Omaha against Brownell-Talbot and Cornerstone Christian on Thursday.

Irish sweep HTRS at MUDECAS

The Lady Irish volleyball team, the No. 2 seed in the 2023 MUDECAS Tournament "B" division, opened the tourney on Monday night with a straight-set win over the Parkview Christian Patriots, 25-11 and 25-4 in Beatrice. The Irish finished the game with 14 kills on 24 attempts for a .542 hitting average. Makinley Scholl led the way for SH with five kills, while Jentry Lechtenberg was right behind with four. The Tiger servers accounted for five aces, including two apiece from Gabi Young and Delaney Godemann. Ashleigh Kirkendall had a team-high ten digs and 14 assists. Gabi Young led the team with 12 serves received, while sister Paige added 11. Nebraska City, a Class B school, fell to 1-8 after the loss.

Against Auburn, FC dropped the first set 23-25 but rebounded to take set two 25-17 and three 25-20. Kaitlyn Kirkendall had nine kills on 39 attempts and Carlea Dunkhas finished with eight kills on 16 tries. Water. On Thursday, September 21, FC will be in a triangular against Lourdes Central and Syracuse at Syracuse High School. FC will travel to Wymore on Saturday to participate in the Wymore Southern Tournament.

Mistakes prove too costly for Tigers to overcome

The Falls City football team hosted Boys Town on Friday night for homecoming at Jug Brown Stadium. The Cowboys entered the contest at 0-3, but those in the sports world knew they were much better than the record showed. The Tigers would need to catch some breaks if they were to get the win on Friday; that didn't happen. Dropped passes and interceptions doomed scoring drives as FC fell at home 0-26.

Falls City's defense struggled to keep Cowboys running back Taylor Jacobs in check. Jacobs carried the ball 23 times for 266 yards and three scores, including the first of the game from 80 yards away.

After a Cowboy fumble on the game's opening drive, FC drove to the Boys Town 16-yard line, but an interception in the endzone gave the Cowboys the ball at the 20-yard line with just under six minutes to play in the first. Jacobs broke a tackle on the ensuing play and raced 80 yards for the score. The PAT made it 7-0 with 5:39 to go.

With just over five minutes to play in the half, Boys Town used a ten-play, 88-yard clock-eating drive to take a 13-0 lead into the half. On first down at the Tiger 12, Jacobs took the handoff and made a defender miss as he scored his second TD.

In the third, FC drove down the field to the Cowboy 32, but eventually turned the ball over on downs. A dropped TD pass cost the Tigers a chance at cutting the lead in half on the drive.

A fumble recovery on the next play gave FC the ball back at the Boys Town 28. FC drove to the 24, but another dropped pass forced a turnover on downs and the Tigers missed another golden opportunity.

Boys Town calmly drove 76 yards in seven plays, with the punctuation coming on a 13-yard TD strike from QB DaShawn Gomes to Marquas Gray to make it 19-0 with :37 remaining in the third.

A fumble recovery by Isaac Frederick gave FC one last chance as they took over at the Cowboy 42 with 9:32 to play. However, an interception on the next play set the Cowboys up the ball at the Tiger 37-yard line.

Jacobs got his third TD on the drive's first play, cutting past defenders for a 37-yard score to make it 26-0 with 8:54 to play.

The Tigers had their opportunities on Friday night; they just failed to take advantage when those chances arose.

Boys Town finished the game with 328 yards on the ground on 35 carries, while FC carried the ball 35 times for 65 yards. FC gained another 75 yards through the air while holding the Cowboys to 53 yards. FC finished with two interceptions, no fumbles and only four penalties.

QB Blakely Sells led the ground game for FC with 60 yards on 16 attempts, while Frederick added another 31 yards on 15 carries. Sells completed 5/19 pass-

es for 75 yards and two interceptions. Frederick was the leading receiver with three catches for 48 yards, including a long of 19.

Defensively, Kaleb Zulkoski had a monster game, finishing with 13 tackles, including eight solo stops. Robert Gilkerson added nine stops and Zane Ebel, Frederick and Grant Kobza all recorded fumble recoveries.

Boys Town's Josh Fenoy found himself in the Tiger backfield all game, finishing with 12 tackles, two sacks and four and a half tackles for loss.

Falls City won't get to hang its head too long as they travel to 3-1 Syracuse on Friday night. The Rockets dropped its first game of the season last week, falling to 4-0 Adams Central, 8-27.

Irish sweep HTRS at MUDECAS

(Continued from Page 11)

The win set up a matchup against Tri County, who moved on with a 2-0 win over Southern in the first round. Tri County defeated SH in straight sets on August 29th.

On Tuesday, the roles were reversed as the Irish made quick work of the Trojans, winning in two sets, 28-26 and 25-18. The win over Class C-2 Tri County moved SH to .500 for the year at 7-7, while the loss dropped the Trojans to 8-4.

The duo of Scholl and Lechtenberg came up big for the offense as Scholl finished with 11 kills on 38 tries and Lechtenberg added ten on 25 attempts. Witt led the team with two ace serves on seven attempts. Lechtenberg served as a wall on defense at the net, blocking four attempts, while Jocelyn Olberding added two. Scholl (17) and Brewer (14) led the team in digs, while Destry Groth finished with a team-best seven assists.

In the "B" division championship, SH earned a rematch against conference rival and county resident HTRS. Just a week prior, the Titans swept the Irish in straight sets, so the Irish had a little something extra to prove. In a fiercely contested match, SH held on for the two-set win, 25-23 and 26-24, at the Truman Center on the campus of SCC. Stats were not made available in time for publication.

The Irish will look to stay hot when they travel to Southern for a triangular against the host team and Pawnee City on Tuesday and will host Lewiston on Thursday evening. On Saturday, SH will travel to Kansas for the Axtell Tournament.

Titans fall at home to Eagles

The HTRS Titans football squad dropped its second consecutive contest, this time at home to the 4-0 and No. 8 ranked Johnson-Brock Eagles, 12-69. The Eagles offense was rolling Friday night, amassing 22 first-quarter points and 35 more in the second as they cruised to a 57-6 halftime lead. In the third period, Johnson-Brock extended their lead to 63-6 in the third, before each team scored in the fourth quarter to make the final 12-69.

JJ McQueen led the Titan offense. McQueen completed 6/14 pass attempts for 73 yards, three interceptions and a score. Brogan Dunlap threw one pass for a 15-yard score. Hunter Bohling was the leading receiver for HTRS, hauling in four passes for 64 yards and a score. McQueen also caught two balls for

Irish football team secures first win of the season

The Sacred Heart football team got its first win on the gridiron on Friday night when they won a hard-fought road contest at Diller-Odell High School, 46-32. The win improved SH to 1-3 for the season, while the Griffins fell to 1-3 with the loss.

Diller-Odell took the game's opening possession down the field, but a huge tackle for loss by the Griffins on downs at the Irish 33. Four plays later, Sacred Heart was in business. With 6:57 to go in the first, Jack Stice took a handoff 34 yards for the score. A PAT run by Joe Simon gave SH an 8-0 lead early in the contest.

The Griffin's ensuing possession again ended on downs, this time on their own side of the field. Simon and Tate Wilcox combined to stop the Diller-Odell ballcarrier, giving the Irish the ball at the Griffin 31-yard line. Two plays later, QB Wilcox found Simon for a 16-yard strike through the air. The PAT run by James Froeschl put SH on top 16-0 with 3:28 to play in the first.

The second quarter was quiet until the final two minutes. With 1:40 on the clock, Preston Engleman scored on a 33-yard run to cut the Irish lead to 16-6. However, fifty-four seconds later, Simon scored on an 11-yard run to put SH up 22-6. The PAT pass from Wilcox to Froeschl capped off the three-play, 65-yard drive.

The scoring wasn't entirely done yet. With only sixteen clicks left on the clock before intermission, Diller-Odell pulled the old double pass out of its arsenal and scored from 65 yards to make it 24-12 at the half.

The Irish got the momentum back to open the third when Simon hauled in a 45-yard TD pass from Wilcox. A Simon run for the two-point conversion put the Irish comfortably in the lead, 32-12, with 10:45 to

go in the third.

Diller-Odell had an answer each time the Irish scored. On the following drive, the Griffins methodically drove 55 yards in nine plays, ending with a 14-yard TD run to cut the Irish lead to 12 at 32-20.

The Irish drove to the Griffin three-yard line on the next drive but couldn't finish, turning the ball over on downs. Sacred Heart's defense came up big with a safety, putting them in front 34-20. Kirkendall sacked Griffin QB Wendland for the two points.

With 8:20 to go, Cole Taft secured a 21-yard TD pass from Wilcox to put SH in front 40-20. Diller-Odell scored with 6:01 to play on a 46-yard screen pass, but Wilcox answered, this time on the defensive side of the ball. With 1:09 to play, Wilcox got a 35-yard pick-six to put the Irish in front 46-26. The Griffins tacked on one last score with :13 remaining to make the final score 46-32.

The Irish finished with 182 yards rushing and 167 passing while holding Diller-Odell to 160 rushing yards and 198 yards through the air.

Simon was a workhorse on offense, carrying the rock 22 times for 138 yards and a score. Wilcox completed 7/13 pass attempts for 151 yards and three TDs. Simon added four catches for 101 yards and two scores to his already impressive offensive night.

Defensively for the Irish, Simon and Wilcox each had 15 stops. Kirkendall added seven stops, including a sack and two tackles for loss. Wilcox added the 35-yard pick-six six and Stice had an interception as well.

The Irish will look to make it two in a row when they host the 3-1 BDS Eagles. BDS lost for the first time on Friday, falling at Lourdes Central, 28-34. Last week, BDS was ranked No. 7 in Class D2, while Lourdes came in at No. 10.

20 yards and a TD. On the ground, HTRS was led by Bohling, who accumulated 52 yards on 12 carries, including a long of 27 yards. McQueen added 34 yards on 12 totes and Drayven Lamb had five carries for 16 yards.

McQueen and Alex Koziol had eight stops on the defensive side, while

Bohling added seven. McQueen added an interception, while Reed Shupp and Jake Davis each had tackles for loss.

The Titans, 2-2, host Diller-Odell, 1-3, on Friday night for homecoming. After dropping contests this past week, both teams will be looking to get back into the win column.
