Investors of the year, Community Kids Center

Wall of Fame inductees, Randy and Lori Gottula

EDGE honors investors, inducts Gottulas into Wall of Fame at banquet

Lucas Froeschl of Falls City (EDGE) Economic Development and Growth Enterprise recognized community investment, economic progress and lifelong service during its 2025 Annual Banquet and Business Meeting held last Wednesday, Jan. 14, at the Falls City Elks Lodge.

The annual banquet gives EDGE an opportunity to report to investors and the public on development activity, infrastructure planning and workforce initiatives underway in Falls City and Richardson County. The evening also recognizes individuals and organizations whose contributions support long-term economic growth.

During the banquet, EDGE named Community Kids Center as its 2025 Investor of the Year and inducted Randy and Lori Gottula into the EDGE Wall of Fame.

Community Kids Center was honored as Investor of the Year for its role in addressing workforce challenges through access to reliable child care. The center is owned by Community Medical Center and managed by Josie Morehead.

Froeschl said the center addresses one of the most pressing workforce challenges facing healthcare and families today. The center provides dependable care that aligns with demanding schedules for working parents. He said one of the center's greatest strengths is its exceptional staff retention, an achievement credited to supportive leadership by Jina Santo, competitive wages and strong employee benefits.

Licensed for 55 children, Community Kids Center currently serves 38 full time children, eight part time drop ins and operates a fully enrolled infant room with capacity for 12 children. Most placements are used by Community Medical Center employees as a workplace benefit, with additional spaces available to the community when possible.

Community Medical Center Administrator Ryan Larsen spoke about the role of local leadership and investment.

"I look around the room, there are many in communities who wait. Why isn't somebody doing this? Why isn't somebody doing

Board of Commissioners Reorganize

The Richardson County Board of Commissioners met on Wednesday for a regularly scheduled meeting. After a lengthy discussion, John Caverzagie was re-elected as Chairman, and Rick Karas was named Vice Chairman. The Board also approved the duties of each district commissioner.

The Commissioners met with Highway Superintendent Steve Darveau Jr. to discuss road and bridge maintenance. Darveau advised the Board that his crew was hauling and blading when possible.

Commissioner Caverzagie made a motion to enter a closed meeting with the Highway Superintendent to discuss personnel matters and for the prevention of needless injury to the reputation of an individual. Karas seconded the motion, and the closed meeting opened at 9:23 a.m. and lasted until 9:49 a.m.

Sheriff Rick Hardesty met with the Board and advised them that the Law Enforcement Center was housing 14 inmates. The Sheriff stated that Deputy Gage Zeigler would be leaving the department, citing the need for family health insurance as the reason.

A friend of mine drove several hours last fall, not for an event or a family function, but to walk into this office and buy a subscription. It was simple and unannounced. It was also completely on brand for her.

Her name is Becky and she has been showing up like that since we were 12.

I have written about Becky before. Not because she loves the spotlight, but because some people quietly shape who we are in ways that stay true over time. She is one of those people, one of my people.

Over the years, life did what life does. Time passed, people came and went, seasons shifted but Becky remained a constant.

Becky is a writer, an author. Her work she posts on social media centers on love, memories, compassion and motherhood. She writes with an optimism that feels true and never performative. The kind that comes from paying attention. That kind of optimism and compassion is getting harder to find these days, especially online.

The day she walked into the office to subscribe, there was no notice, no explanation. It was just something she did. The drive itself mattered less than the meaning behind it. It was another small entry in a long record of consistency.

I had gone out of town for continued education classes, but she left me a note that I look at every day.

“So proud of you always.”

Long friendships are not built on constant contact or dramatic gestures. They are built on trust. On the quiet confidence that someone will still be there even when life gets busy or complicated. On knowing that support does not always arrive loudly.

It made me think about how often we don’t understand what lasting friendship looks like. We think it’s big moments or what movies show us are grand declarations of love. In reality, it is more often small acts.

If we are lucky most of us will have at least one person like that in our lives. Someone who doesn’t ask what you need. Someone who notices and responds. Someone whose presence feels familiar no matter how much time has passed.

Those friendships shape us more than we realize.

Becky has always been that kind of friend. The kind who shows up quietly. The kind who does not need to be asked. The kind who understands that sometimes the most meaningful support is simply being there.

If you are lucky, you have someone like that too. And if you do, you probably do not talk about it much. You just know.

That is how the best friendships tend to work.

Call, text, or send a card to your person and tell them you are proud of them or thank them for being a constant in your life. One simple and unplanned gesture can make all the difference in the world to someone. It’s the small acts.

I’m so proud of you, Becky and thank you.

Have a great week everyone. We are working on some new and (hopefully) great things here at the *Journal* office we hope to launch soon. We will keep you posted.

All things Nebraska

Fraudsters out there, seeking to steal our money

By Paul Hammel, Retired Senior Reporter for Nebraska Examiner

As a reporter, you cover all kinds of stories.

Stories about natural disasters, murders, grandmas who collect cookie jars and good samaritans.

But it’s the stories about fraud that make you scratch your head the most.

What drives people, usually already prosperous people, to steal from their local sports club, collections for a sick person, or the town treasury? And, of course, there’s all those scams on the internet.

Often, the stealing is done by someone who appeared trustworthy and honest. But in the end, we conclude, “boy were we fooled” and wonder how it could happen.

That, I gotta think, is what a lot of people concluded about a now-dead Lincoln businessman and his financial advisor.

Aaron Marshbanks came off as a credible businessman, a supporter of charitable causes, and a devout Christian. Jesse Hill, his financial advisor, came off as a successful investment manager and leader in his church, who’d made friends good money and lived at a forested acreage worth more than \$1 million.

But over the past three years, we’ve learned that the pair were on a spree – to cover some horrible investment losses – to defraud a couple dozen banks around Nebraska and Iowa out of more than \$40 million in loans.

Some of the banks were so taken by the fast-talking pair that they provided loans of \$2 million, more or less, without collateral. Others relied on financial statements provided by Hill that were later deemed to be fake.

Others, though, did require collateral. But some sent them packing, declining loans for them.

The pair roamed the area, asking banks and savings and loans – from Curtis to Wayne, Lincoln and Omaha, and North Platte to Council Bluffs, Iowa – to loan them money. Just recently, we learned that the financial institutions ended up losing more than \$37 million due to the duo’s deception.

I’ve seen this show before. David Hunter was a supposedly prosperous owner of a Lincoln title company who was a friends of governors and mayors. That is, until he shot himself as a multi-million check kiting scheme was becoming known.

Ray Perry was a flamboyant and quick-witted Southerner who ran a low-level radioactive waste compact based in Lincoln. Then, it was discovered that he was skimming funds to buy a fleet of luxury cars.

The common thread was that these were all people who seemed totally legitimate and worthy of trust. And, it was assumed, there was plenty of oversight and due diligence to detect any fraud. Until there wasn’t.

From the beginning of time, there’s been people whose business was to fool us out of our well-earned money.

Most recently, we’ve read about fraudulent child-care payments made in Minnesota. So far, more than

\$250 million in fraudulent payments have been found, with more than 90 people charged (the \$9 billion estimate being tossed around hasn’t been verified yet, and some officials dispute it).

During the pandemic, checks were flying out of the Small Business Administration to keep small businesses running and employees paid. One estimate is that more than \$200 billion in aid was distributed to fraudulent actors, those who fabricated businesses or the numbers of employees they allegedly had.

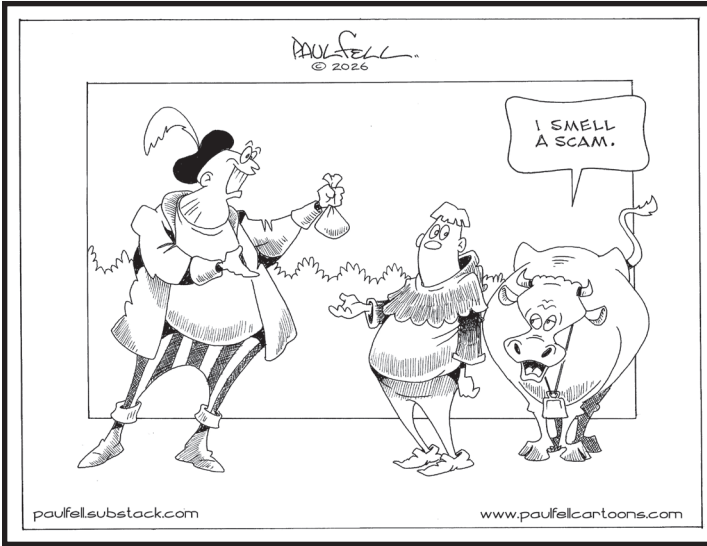

I’ve heard every excuse as to why people steal from their local PTA, a Boy Scout troop, or the local bank or village – “I was underpaid, I deserve it ... I was just borrowing and intended to pay it back ... I was desperate and had nowhere else to turn”

Most often, you hear that a fraudster believed that no one would find out. Until someone did.

I’m not sure how to end this column, or if fraud and cheating will ever end. Human nature has its pimples. Temptation is out there.

But I know this, when people commit fraud, they end up ruining their families, hurting their neighbors, and harming the companies, banks and organizations that they stole from. We gotta be careful.

Paul Hammel has covered the Nebraska state government and the state for decades. Prior to his retirement, he was senior contributor with the Nebraska Examiner. He was previously with the Omaha World-Herald, Lincoln Journal Star and Omaha Sun. A native of Ralston, Nebraska, he loves traveling and writing about the state.

(Continued from Page 1) that? But you are the leaders that help make things happen,” Larsen said. “We see that there’s a need. We step in and do it. It may not always be the fun thing to do. I’m sure many of you would rather have not been here tonight. But you’re here.”

Larsen encouraged continued engagement in community progress.

“Feel free to use your knowledge and the trust that others have in you to share and let them know about good things that are happening and to speak up. And if there are people who have ideas, encourage them,” Larsen said.

Randy and Lori Gottula were inducted into the EDGE Wall of Fame in recognition of decades of leadership, service and community involvement.

The Gottulas purchased the local grocery store in January 1990 and operated it through transitions to Hinky Dinky and later Sunmart. Under Randy Gottula’s leadership, the store became a primary employer for Falls City high school students, often employing between 15 and 20 students at a time. He retired in June 2013.

Beyond the grocery business, he served with the Lions Club, St. Paul’s Lutheran Church and the Richardson Foundation. He also served in the National Guard with Falls City’s Company B, Second Battalion, 134th Infantry.

Randy Gottula was named Jaycees Boss of the Year in 2000 and was inducted into the Peru State Athletic Hall of Fame in 2017 for his long career as a sports radio broadcaster.

Lori Gottula served as president of the Falls City Chamber of Commerce, where she launched Lemonade Days. She organized the Cobblestone Parade for 25 years and later became an author, a freelance writer for the *Falls City Journal* for 20 years, a speaker and high school sports photographer. She also served three terms as secretary on the Falls City Country Club Board and received the Jaycees Distinguished Service Award in 2007.

During the banquet, the Gottulas spoke about the couple’s long connection to Falls City.

“We come back here and do a lot of things here. We still bank here, I get my hair cut here. So we’re still involved in this communi-

ty and we have never lived anywhere as long as we lived here, and we never will,” said Lori.

“Falls City will always be a special place in our hearts. Thank you so much,” Randy said. “I do want to say, though, that Lori and I will always consider the 25 years of our ownership of store, and the support that we receive from this community among our greatest blessings.”

Gottula encouraged continued support of local businesses.

“When we came here, we were scared to death. The community rallied around us. They supported us for 25 years, and we were able to be very successful,” he said. “I would encourage you to continue to support the local businesses here. When you click on ‘buy now’ on the internet, it doesn’t do a thing for your community. Shop here in town whenever you can, support your local businesses and the last thing I want to say is it’s so exciting to come in here and see all the things that’s going on in Falls City.”

According to EDGE’s 2025 annual report, the organization continues to focus on infrastructure readiness, industrial site devel-

opment, workforce support and housing. Major efforts over the past year included advancing planning for a new electrical transmission line, maintaining development control at the Mid-America Rail Campus and promoting Falls City to national site selection consultants.

EDGE also reported progress on housing initiatives, utilities installation at Champions Crossing and continued advocacy at the state and federal levels to position Falls City for long term industrial and economic growth.

The annual report notes that investor support allows EDGE to pursue large scale projects designed to strengthen the local economy and support job creation.

The banquet included welcoming remarks from EDGE Executive Director Lucas Froeschl, an invocation and dinner led by Lori Gottula and a legislative update from Sen. Bob Hallstrom. A scheduled workforce and economic analytics presentation by Dr. Josie Schafer of the University of Nebraska at Omaha was not delivered due to her absence. The evening concluded with the EDGE annual business meeting.

Barada Street transport incident

A vehicle was damaged during transport on Barada Street on January 4, according to Falls City Police reports.

Police reported that a vehicle owned by Justin Baker of Falls City was being towed by Jon Kean of Salem on a flatbed truck along Barada Street when the driver’s door of the Baker vehicle swung open. The open door collided with a parked vehicle on the west side of Barada Street owned by Paul Kiekhaefer of Falls City.

The parked vehicle sustained \$4,000 in damage. The Baker vehicle sustained \$1,500 in damage.

Dollar General parking lot collision

Two vehicles were involved in a non-injury accident in the Dollar General parking lot on December 11, according to Falls City Police reports.

The accident occurred when both vehicles were parked facing south in front of Dollar General. Police reported that Lexie Buckminster of Falls City backed out of the parking stall. Crystal Thompson of Falls City, was parked in the adjacent stall to the east, also backed out and struck the front left corner of the Buckminster vehicle. Thompson told police they did not see Buckminster backing out prior to the collision.

Damage was estimated at approximately \$1,500 to the Buckminster vehicle and \$500 to the vehicle driven by Thompson. One vehicle was towed due to disabling damage.

Commission statement on theft case

The Nebraska Public Service Commission (PSC) identified and reported suspected fraudulent activity involving an online payment portal in June 2024 and worked promptly with authorities to investigate the matter.

Because this is an active criminal case, the Commission cannot comment further on the details and would refer additional questions to the Nebraska State Patrol.

Since the incident, the PSC has reviewed and updated internal processes and worked with the State of Nebraska’s website vendor to enhance payment security measures. There is no indication that the incident affected any regulated entities, ratepayers or the Commission’s regulatory functions.

DISTRICT 1 SENATOR BOB HALLSTROM’S NEWSLETTER

The Nebraska Legislature assembled on Wednesday, January 7, for the opening of the Second Session of the 109th Legislature. We are currently entering the “short session” of the biennium. While the first session lasts 90 working days, this second session is limited to 60 working days and will conclude in mid-April.

Our system of government is unique as the only non-partisan Unicameral in the nation, consisting of a single chamber with 49 senators. Each of the senators represent approximately 40,000 constituents. My district is the 1st District, which represents Johnson, Nemaha, Otoe, Pawnee, and Richardson Counties.

The Unicameral is elected on a non-partisan basis, which means that the election ballot for state senators does not reflect party affiliation.

The major issues facing the Legislature in 2026 will include addressing an estimated \$471 million budget shortfall and continuing efforts to bring about meaningful and sustainable property tax relief.

I intend to introduce legislation this year on property tax relief, rural workforce housing, rural health care, child care, emergency protection orders, first-time home buyers’ savings accounts, felony motor vehicle homicide/distracted driving and protecting seniors from insurance exploitation.

I welcome your input on issues of interest and importance to you. I encourage you to follow along on my Facebook page designated as Senator Bob Hallstrom, for updates on legislation and District 1 activities. Please feel free to contact me directly at Senator Bob Hallstrom, District 1 State Capitol, PO Box 94604, Lincoln, NE 68509; Telephone (402) 471-2733; or email me at bhallstrom@leg.ne.gov.

Eberspacher files for Nebraska State Board of Education, Dist. 5

Angie Eberspacher officially filed with the Nebraska Secretary of State to run for the Nebraska State Board of Education, representing District 5.

Eberspacher, a lifelong resident of District 5 and an educator, announced her campaign in June of 2025.

“Filing for office is an important step, and I’m thankful for the conversations I’ve had across District 5,” Eberspacher said.

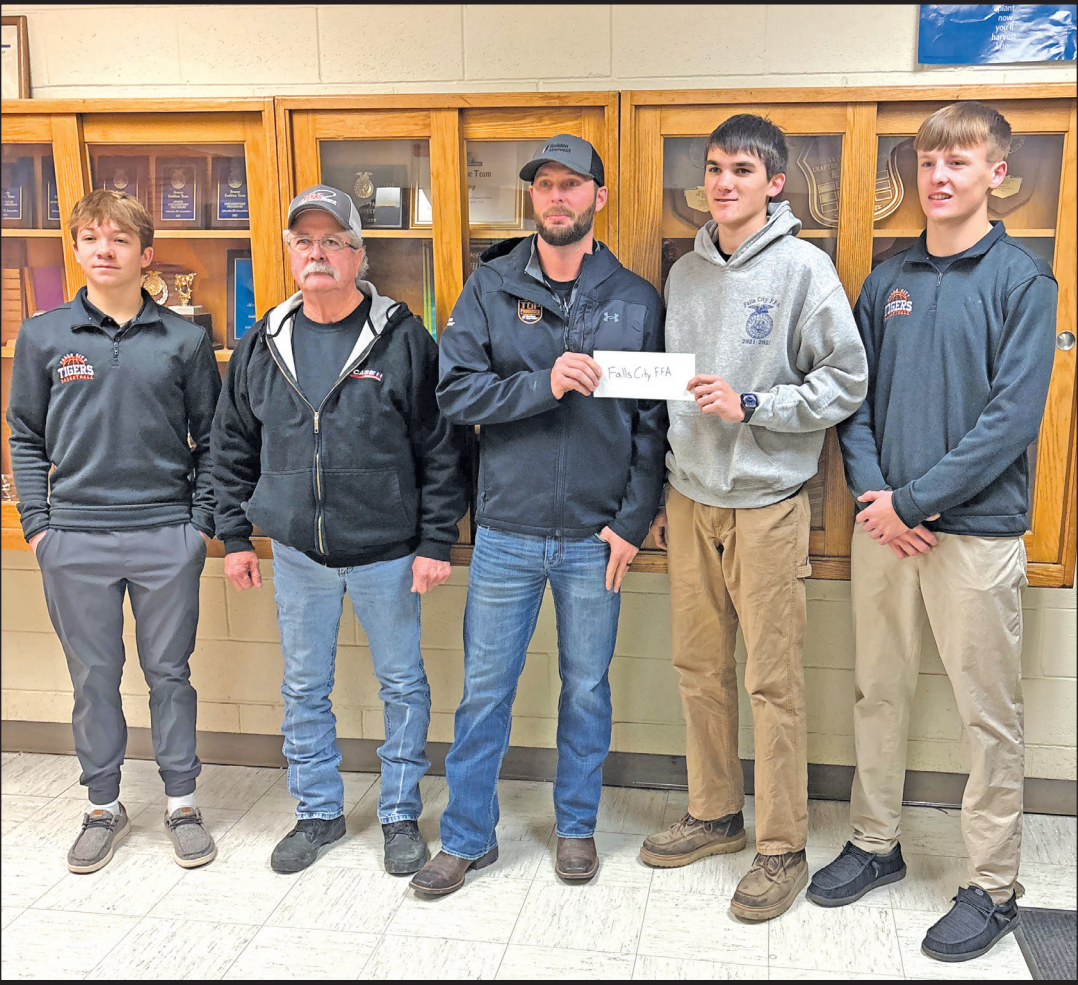

The Nebraska State Board of Education is an elected, constitutional body responsible for setting statewide education policy and ensuring the Nebraska Department of Education operates within the framework established by the Legislature and the Board.

District 5 includes Butler, Clay, Fillmore, Franklin, Gage, Hamilton, Jefferson, Lancaster (south of Nebraska Parkway in Lincoln and rural areas of the county), Nuckolls, Pawnee, Polk, Richardson, Saline, Saunders, Seward, Thayer, Webster, and York counties.

Eberspacher previously served on the Educational Service Unit (ESU) District 6 Board, where she was elected chair. During her service, she emphasized fiscal responsibility and worked to update and review policies and resources.

The Primary Election is May 12, 2026, followed by the General Election on November 3, 2026. Current District 5 State Board of Education member Kirk Penner has announced he will not seek re-election and has endorsed Eberspacher.

“I’m running because Nebraska’s students and families deserve a strong future built on responsibility and core academics,” Eberspacher added. “It would be an honor to serve District 5 on the Nebraska State Board of Education.”

Tigers fall in thriller at Fairfax Tourney

The Falls City Tiger boys opened the 94th edition of the Fairfax Invitational Basketball Tournament on Monday with a 70-38 loss to the Rock Port Blue Jays. The loss was the fifth straight for FC.

The Tigers fell behind early, trailing 21-9 after the first quarter and saw the gap widen to 42-16 at the half. The Blue Jays continued to pull away after the break, outscoring FC 25-16 and securing a 32-point win.

Falls City did many things well Monday night in Fairfax. FC sank 11-of-13 shots from the foul line and turned the ball over only 14 times. However, FC was outshot 48 percent to 26 percent and outrebounded 36-22.

Rock Port moved up and down the court well, finishing the contest with 23 points in transition and 16 points off Tiger turnovers.

Paxton Armbruster did most of the offensive damage for FC, finishing with a team-best 20 points, including a near-perfect 7 for 8 from the free-throw line. Ethan Morris was the top rebounder with seven, while Callen Furnas and Kam Huppert each had two steals.

FC Scoring: Jones 5, Armbruster 20, Morris 4, Bangert 5, Caudle 2, Davis 2.

Rock Port Scoring: Amthor 14, Huntley 6, Ellis 10, Meyerkorh 20, Cook 2, Holmes 14, R. Ellis 2, Millsap 2.

On Thursday night, FC held a 48-47 lead over Mound City with 2:40 remaining, but a corner triple put FC behind by two, 48-50. A pair of free throws by Armbruster on the next possession tied the game at 50-50 with 2:33 left in regulation.

Each team failed to score down the stretch, and the game went to an extra period tied at 50.

In the extra four minutes, the Panthers consumed more than two minutes of game clock before missing a shot, giving FC the ball.

With fifty seconds remaining, Armbruster scored on a drive, putting the Tigers on top 52-50. Seconds later, a three-point play put the Panthers on top 53-52. Armbruster

sank a free throw to tie the game yet again, and a driving bucket with five seconds remaining seemed to give FC the win, 55-53. However, a foul gave the Panthers two free throws with 1.4 seconds remaining, and Mound City sent the game into a second overtime. The Tigers thought they had a foul to give, as the scoreboard showed three team fouls, but the bookkeeper announced it was the fifth infraction, giving Mound City the free throws.

FC needed some magic as they trailed 60-55 with forty-five seconds remaining. Bowdy Jones calmly sank a trey from the corner, cutting the lead to two. A driving bucket by Kacen Davis again tied the game with 11 seconds left.

After two extra periods, the contest went to a third overtime, tied at 60-60. One minute into the period, Armbruster gave FC the lead with a hoop, 62-60. With the game tied again, Morris found a cutting Armbruster to make it 64-62 with 2:20 to go. Mound City then sank 3-of-4 free throws over the next 45 seconds, putting FC behind 67-64 with 47 ticks remaining. With the Tigers trailing 69-65, Armbruster sank a three from the wing with eight seconds left. However, Mound City inbounded the ball and ran out the clock to preserve the thrilling 69-68 win.

FC outshot Mound City 42% to 37%; however, the Panthers hit 15-of-20 from the foul line, while FC was 9-of-19. The Tigers also lost the turnover battle, finishing with 20, while forcing 14.

Armbruster went 9/24 from the field for 24 points, while Leyden added 11 rebounds and Bangert dished out seven assists.

FC Scoring: Jones 10, Furnas 3, Armbruster 24, Leyden 6, Morris 9, Bangert 4, Davis 12.

Mound City Scoring: Roup 28, Peters 6, Smith 2, Gard 5, Derr 22, Tubbs 1, M. Smith 3, Knapp2.

The 1-12 Tigers hosted the 1-10 Boys Town Cowboys on Tuesday and played at JCC on Saturday, February 24, 2026.

Lady Tigers finding their groove

The Falls City Lady Tigers fell to St. Joseph Christian, 41-31, in first-round action of the Fairfax Basketball Tournament on Tuesday, January 13, 2026.

Turnovers loomed large for FC, as 19 miscues led to 20 points for St. Joseph on the other end of the floor.

The Lady Tigers shot the ball well, hitting 39 percent of their attempts. Unfortunately for FC, they managed only 28 attempts in the contest, compared with 48 by their opponent.

A pair of free throws by Bella Johansen early in the game tied the game at 2-2. A three, a turnover, and a bucket at the rim quickly put St. Joseph in front, 7-2. Tessa Gossman scored on an inbounds play to cut the lead to 9-4, and an offensive rebound and putback by Carlea Dunkhas made it 9-6 with just under three minutes remaining in the quarter. A late three by the Lions made it 14-6 at the end of the first. The Tigers played the Lions neck-and-neck in the final three periods but couldn't overcome the early eight-point deficit, falling 41-31.

The Lady Tigers took advantage at the foul line, making 8-of-11 and scoring 18 points in the paint.

Dunkhas (11 points, six rebounds) and Johansen (10 points, five rebounds) led the Tiger offense. Gossman recorded a team-best three assists, and Brynna Glathar added three steals.

FC Scoring: Dunkhas 11, Pierce 2, Gossman 2, Johansen 10, Glathar 3, Rhodd 3.

Lion Scoring: Glise 6, Hill 14, Dawson 21.

On Thursday night against the South Holt Knights, FC got off to a good start, leading 8-5 after the first period and 17-10 at the half. The Lady Tigers continued to pull away as the game progressed, leading 31-19 after three and pulling away for the 43-22 win.

FC outshot the Lady Knights 31% to 21%, outrebounded South Holt 36-25, and forced 17 turnovers while committing 12.

Dunkhas led FC with 18 points, 14 rebounds and four assists.

FC Scoring: Dunkhas 18, Gossman 2, Johansen 5, Glathar 8, Titus 2, M. Johansen 2, Rhodd 6.

KITTENS IN THE BASEMENT

JANUARY 8, 1955 - ADOPTED BY ALYCE SCOTT

Oh, see the darling little ones Mrs. pussycat has evolved. Father Human and his wife seem to regard this event as a kitastrophe, and if that isn't a ghastly pun, you try to make a worse one. Well, things will work out--out into other houses. Kittens being so cute and lovable--when they come one at a time anyway--let us have faith that presently the children will deal out this collection among neighborhood children who have no kittens and whose parents have mice.

As for Old Dog Towser, who, according to John Falter's brush, is about to burst into tears, he should cheer up. For that heart of a child is so much bigger than a house that it can easily, warmly shelter ten cats, ten dogs, a garter snake and a Shetland pony. johnphilipfaltermuseum.com

Lady Irish earn third-place finish at 97th MUDECAS Tourney

The Sacred Heart Lady Irish placed third last week at the 97th edition of the MUDECAS Basketball Tournament in Beatrice. The tourney, held Monday through Saturday, features many of the best small-school sports teams in Southeast Nebraska. Last year, the Lady Irish fell to Johnson-Brock, 42-36, in the tourney's finals. This year, the third-seeded Irish defeated the Eagles for third place in the A Division.

The tourney opened for the Irish on Monday afternoon, as they faced the sixth-seeded Palmyra Panthers. The Irish had little trouble with the Panthers, defeating Palmyra 47-26 to advance to the next round.

SH made seven threes in the contest and converted 10-of-13 free-throw attempts. The Irish also forced 20 Panther turnovers while committing 13.

Avery Santo led the Irish with 16 points, going 3-of-6 from beyond the arc. Daycee Witt was right behind with 13 points. Witt added a team-best nine rebounds and two assists.

SH Scoring: Santo 16, Westengaard 1, Witt 13, Reschke 4, Lemerond 9, Jones 4.

Palmyra Scoring: Green 10, Simmons 5, Peterson 1, C. Badertscher 8, X. Badertscher 2.

The win set up a rematch against Tri County. The Irish and Trojans had split the season series, but Tri County got the best of the Irish on Thursday. SH fell behind early, trailing 14-8 after the first quarter and 31-20 at the half. The Irish mounted a furious comeback in the second half, outscoring Tri County 18-11 in the third to make it 42-38 with eight minutes remaining. SH chipped away but ran out of steam as the Trojans held on for a three-point win, 50-47.

Deep balls brought the Irish back in the second half. Santo hit three in the final 16 minutes, Witt added two, and Bailey Lemerond added one. All told, SH went 10-of-31 from deep. However, Tri County took advantage at the foul line, making 13/23, while the Irish went 7/14. The Irish held a 35-31 rebound edge but forced only six turnovers while committing 11.

Santo again led the Irish. Avery went 6/14 from deep for 20 points, and Witt added 11 points, six rebounds, and three assists. Jones led the team with 13 rebounds and added six points.

The win improved the Trojans to 11-3, while SH fell to 9-4.

SH Scoring : Santo 20, Witt 11, Westen-

gaard 2, Lemerond 8, Jones 6.

Tri County Scoring: Holtmeier 3, Beerenstrauch 6, Peters 10, Scherling 2, Gronemeyer 1, Schnuelle 13, Morgan 6, Hoesche 2, Hohensee 7.

In the third-place contest against Johnson-Brock on Friday, SH bolted to a 15-8 first-quarter lead and held on for the final three periods to earn a 55-49 win. The Irish outshot the Eagles 40% to 25% and outrebounded J-B 30-28. The Irish forced only four turnovers and turned the ball over 11 times against the Eagle defense.

Jones had her coming-out party against the Eagles on Friday at the Beatrice Auditorium. The junior went 8-of-13 from the field for a game-high 21 points. Witt added 13 points, seven rebounds and six assists, and Lemerond went 3-of-6 from deep for 11 points.

SH Scoring: Santo 9, Westengaard 1, Witt 13, Lemerond 11, Jones 21.

Eagles Scoring: Knippelmeyer 18, Pelican 7, Behrends 17, Eggers 2, Vice 5.

The win gave the Irish a third-place finish at the tournament and improved the Lady Irish to 10-4. The Eagles fell to 10-6 on the season.

The Irish set their sights on the Auburn Bulldogs Tuesday night. Auburn entered the contest with a 3-9 record. The Irish will play at Rock Port on Thursday and host Pawnee City on Friday.

Irish fall in first round at MUDECAS

The Sacred Heart boys' up-and-down season continued last week as they entered the 2026 MUDECAS Basketball Tournament in Beatrice as the A Division's fifth seed.

In the opening contest on Tuesday, SH played the Tri County Trojans at the City Auditorium. It was the third time the teams had played each other, with each team winning earlier in the season.

Tri County led after the first quarter, 12-9, but Sacred Heart battled back to cut the lead to one at the half, 23-22. The contest remained close in the third quarter as the Trojans outscored the Irish 10-9 to take a 33-31 lead into the final period.

Tri County exploded in the fourth, outscoring SH 23-9 to earn the 56-40 win.

The Irish shot just 26% from the field, making 12-of-47 attempts. SH made just 5-of-24 threes. Meanwhile, Tri County went 17-of-46 from the field, making 7-of-26 from deep. SH struggled under the glass, getting out-

rebounded 37-19, including an 11-3 deficit on the offensive glass.

Cole Taft led the Irish offense with 15 points, going 9-of-10 from the free throw line. Brenden Lemerond added 11 points, going 3-of-7 from beyond the arc. Bo Fletcher added eight points and five rebounds.

The loss dropped SH to 4-6 for the season, while Tri County improved to 10-4. The Trojans handed Freeman its second loss of the season on Thursday and defeated Johnson-Brock, 53-51, to win the A Division Championship.

SH Scoring: Taft 15, Fletcher 8, Lemerond 11, Clow 4, Baxter 2.

Tri County Scoring: Siems 22, Kapke 4, Dawson Siems 3, Vossler 7, Wehrman 6, Smidt 1, Schnuelle 13.

The Irish played the Diller-Odell Griffins on Saturday in Beatrice. The Irish defeated the Griffins for the second time this season, racing past Diller-Odell 68-47.

The contest was close early, with each team coming out swinging. SH held an 18-14 lead after the first quarter. A strong second quarter by Sacred Heart gave them all the cushion they would need, as they outscored Diller-Odell 20-5 to make it 38-19 at the half. The second half was evenly played, but the damage was already done, as SH outscored the Griffins 30-28 to secure the 21-point win.

The Irish shot well, hitting 46% of their shot opportunities, including a 13-for-29 effort beyond the arc. The Irish made only five trips to the foul line, converting three, while Diller-Odell went 11-of-17. The swarming Irish defense also troubled Diller-Odell, forcing 23 turnovers while committing 14. SH also dished out 17 assists in the contest and held their own under the hoop with a 24-23 rebounding edge.

The Irish three-headed beast of Taft, Fletcher and JJ Lancaster provided the bulk of the offense, as the three combined for 44 points, nine steals and seven assists.

Fletcher went 4-of-6 from beyond the arc for 16 points, while Lancaster went 5-of-7 from three-point range for 16 points. Taft finished the game 5/11 from the field for 12 points. Lemerond was held to just three points but added six assists and two steals.

Titans continue post-Christmas climb

Coach Jamie Stice and the HTRS Titans improved to 6-6 on the season after defeating Pawnee City, 43-39, in the opening round of the 2026 MUDECAS Basketball Tourney. The Titans entered the tournament as the No. 2 seed in the B Division and faced the No. 7-seeded Indians at Beatrice Middle School on Tuesday, January 13, 2026.

The contest was tight throughout, as HTRS held a 6-1 lead after one period and made it 17-13 at the half. The contest was played evenly in the second half, with HTRS taking the third quarter 13-10 and Pawnee City outscoring the Titans 16-13 in the fourth to make the final 43-39.

HTRS was led by Emmett Glathar, who recorded 19 points and 15 rebounds. Darius Bohling led the Titans with five assists.

HTRS Scoring: Hilgenfeld 5, Bohling 5, Dettmann 2, Duryea 6, Glathar 19, Hunzeker 6.

Pawnee City Scoring: Rose 12, Wernimont 13, Fender 2, Frakes 3, Tegtmeier 3, Kling 6.

On Thursday, HTRS dropped a heartbreaker to the Southern Raiders, 45-44 in overtime. The game was tied 8-8 after the first quarter, and the Titans held a slim 14-13 lead at halftime. HTRS outscored the Raiders 14-13 in the third, making it 28-26 with one period remaining. The Raiders outscored HTRS 10-8 in the fourth, sending the contest to an extra four-minute period. The Titans were outscored 9-8 in the extra period, dropping the contest 45-44.

HTRS defeated Parkview Christian on Saturday, 47-43, avenging a two-point loss from ten days prior. HTRS led 39-27 heading into the final period, but the Patriots fought back, outscoring HTRS 16-8 in the final period. However, HTRS did enough to hold on for the four-point win, improving to 7-7 for the season.

The Titans traveled to Pawnee City on Tuesday to take on the Indians for the second time in a week.

Board of Commissioners Reorganize

(Continued from Page 1)

Hardesty said they have two conditional offers out to deputies, and if accepted into the academy, the Sheriff can make a formal offer. “Hopefully, they go to class in May and graduate in August,” said Hardesty.

A motion was made by Caverzagie to enter a second closed meeting with special counsel Jerry Pig-sley to review pending litigation and for the protection of the public interest. The Board entered the closed meeting at 10:00 a.m. and emerged at 10:53.

The Board approved a memorandum of understanding regarding the coordination of delivery, alerts warning and notifications through FEMA’s Integrated Public Alert and Warning System (IPAWS). According to EMA Director/Weed Superintendent Brian Kirkendall, the only changes to the MOU involve removing Johnson and Pawnee County from the ability to send Cooper Nuclear Station-related alerts.

The two counties are still capable of sending other flood, weather, etc., alerts, just not for Cooper Nuclear.

The motion passed 3-0.

The Board also approved the annual Noxious Weed Report to be submitted to the Nebraska Department of Agriculture, Animal and Plant Protection, 2025.

Kirkendall also advised the Commissioners that he had received paperwork regarding changes made to the Floodplain Ordinance.

“I just got it yesterday during our Cooper drill,” said Kirkendall. “I haven’t

been through it yet.”

County Treasurer Amanda Bartek-Ramsey submitted the semi-annual report to the Board. Karas motioned to approve the report, Caverzagie seconded, and it passed 3-0.

Commissioner Caverzagie made a motion to reaffirm Steve Darveau as the Highway Superintendent, and Campbell seconded, and it carried 3-0.

Commissioner Campbell made a motion to reaffirm Brian Kirkendall as Emergency Management Director and Noxious Weed Control Superintendent. Caverzagie seconded, and the motion carried 3-0.

Caverzagie motioned to reappoint Odis Fields as Veterans Service Officer. Karas made the second, and the motion passed 3-0.

The Board passed Resolution 2025-2026-23, establishing the salaries of county elected officials for the term 2027-2030. The resolution sets the elected officials’ wages at \$80,000.00 in 2027, with a 3.5% raise in 2028, 2029 and 2030. The 2028 wage would be \$82,800.00, 2029 will be \$85,698.00 and 2030 will be \$88,697.43. The Sheriff’s salary will be set at \$104,000.00 in 2027, \$107,640.00 in 2028, \$111,407.40 in 2029 and \$115,306.65 in 2030. The County Attorney’s salary will be set at \$128,000.00 in 2027, \$132,480.00 in 2028, \$137,116.80 in 2029 and \$141,915.88 in 2030. The County Surveyor’s salary will be established at \$17,282.00 in 2027, \$17,886.87 in 2028, \$18,512.91 in 2029 and \$19,160.86 in 2030.

Finally, the County Commissioner’s salary will remain unchanged, staying at \$36,743.70. The Election Commissioner’s salary will be set at \$4,000.00 per year, and the Budget-Making Authority will receive \$4,000.00 annually.

In addition, each official shall receive and be a member of the same health, medical and life insurance group plan as offered to all county employees.

The Board also affirmed salary increases for employees as included in the FY25-26 budget, effective January 1, 2026. County Attorney Scheitel requested that the Board approve a wage increase for Heidi Billingsly, raising her from \$22.50 to \$28.00 per hour. Scheitel compared Billingsly to the Deputy Clerks, stating she felt Billingsly had been underpaid. “I don’t think it’s fair that she’s been way underpaid compared to any other county employee,” stated Scheitel.

Scheitel said Billingsly handles all child support work outside the court. After a discussion, the Board voted to raise the deputy clerk, register of deeds, election commissioner, deputy treasurer, deputy assessor and deputy of district court to \$28.25 per hour. The chief deputy at the Sheriff Department will go from \$33.81 per hour to 34.49 per hour. The deputy emergency management director will go from \$22.89 per hour to \$23.35 per hour; the extension office clerical will go from \$17.95 per hour to \$18.31 per hour; and building and grounds for the courthouse will increase from \$22.89 per hour to \$22.35 per hour.

Caverzagie made a motion to approve Heidi Billingsly at a rate of \$28.00 per hour. The motion passed 3-0. Appointments were made to special boards. Dr. Tramp was named to the County Board of Health. Mark Jones, Charles Duryea and Dana Rathje were renamed to the County Planning Commission and Madeline Keller, Kristi Gerweck and Sandra Stalder were renamed to the Visitor’s Committee. Claims were paid, and the meeting was adjourned.

Lady Titans drop both contests at MUDECAS

The HTRS Lady Titans fell in the opening round of the 2026 MUDECAS Basketball Tournament in Beatrice on Monday to the top-seeded Freeman Falcons, 51-35. The win improved Freeman to 9-2 on the season, while HTRS fell to 7-5.

The Lady Titans stayed with the top seed early, trailing by only two, 11-9, after the first quarter. However, Freeman pulled away in the second period, outscoring HTRS 17-11 to take an eight-point lead, 28-20, into the locker room at halftime.

The Lady Titans held Freeman to just five points in the third quarter and cut the lead to 33-27, but the Falcons rebounded to outscore HTRS 18-8 in the final eight minutes, earning the 16-point win.

HTRS outshot Freeman 37 percent to 35 percent. However, the Falcons took 17 more shots than the Titans and made five more three-point attempts than HTRS.

Elie Bstandig finished the contest with 13 points and nine rebounds, while PJ Howe added 10 points and five boards.

HTRS Scoring: Bstandig 13, Bredemeier 3, Bowen 7, Howe 10, Duryea 2.

Freeman Scoring: Veerhusen 5, Johansen 8, Wallman 9, Schaaf 6, Borrenpohl 2, Mahler 21.

With the loss, HTRS faced JCC on Friday in Beatrice. HTRS battled, taking the game to overtime, but was outscored 10-3 in the extra period, falling to the T-Birds 49-42.

The Titans led 6-5 after the first quarter but fell behind 23-14 at halftime. HTRS clawed back, outscoring JCC 6-2 in the third and cutting the deficit to 25-20 heading into the fourth. The Titans’ offense exploded for 19 fourth-quarter points, tying the game at 39-39 at the end of regulation.

The 7-6 Titans played at Pawnee City on Tuesday.

Building the Foundation for Growth

This year has been one of incredible progress, momentum, and collaboration where a long-term vision began taking shape in ways that will define our community's economic future for decades to come. None of this would be possible without investors, partners, and citizens who believe in Falls City's potential and share in a commitment to growth. Securing \$15 million from the State of Nebraska for a new electrical transmission line is a testament to strong partnerships and strategic value of local infrastructure investments. Every milestone achieved this year reflects the commitment of investors and local leadership who believe in this community and its future. Financial support and advocacy empower EDGE to take on ambitious projects that promise to strengthen our economy, create high-quality careers, and improve the quality of life for everyone who calls Falls City home. Thank you for your support. ♦

Nebraska Rural Generation Explores Opportunities in Falls City

On December 1st, City Council approved a Development Agreement (DA) with Nebraska Rural Generation, LLC to ensure reimbursement of costs associated with exploring the feasibility of a new power generation facility in Falls City. The plant's size, total investment, and final site location within Falls City's electrical jurisdiction remain to be determined. Falls City's dual rail infrastructure was noted as an ideal location to explore next-generation technologies. City Council also approved a Community Benefits Agreement outlining a set of measurable commitments ensuring that any future development, construction, or operation of a power generation or industrial facility delivers meaningful long-term benefits to Falls City and Richardson County. The City of Falls City and Nebraska Rural Generation will now proceed with detailed feasibility studies, engineering reviews, legal and regulatory assessments, and continued community engagement as they evaluate advancing the project to development. ♦

Citroniq Announces Partnership with ABB

As Citroniq leads the transformation of the plastics industry with its carbon negative polypropylene, they have recently entered into a supply agreement with ABB to provide advanced automation, electrification, and digitalization solutions for their 100% biogenic polypropylene facility in Falls City—aiming to be the world's first full commercial-scale facility of its kind. The facility is scheduled to start operating in 2029 and will produce fully certified biogenic polypropylene from the established corn-based ethanol industry in the Midwest. Citroniq's strategy is to create a more sustainable plastics manufacturing platform in the US and reduce emissions in the hard-to-abate plastics sector. ♦

Tax Credits for Renewable Chemical Production Extended

New Electrical Transmission Line Project Underway

In Q1, The Board of Public Works passed a resolution authorizing the pursuit of Network Integrated Transmission Service (NITS) customer status and utilization of \$15 million in grant funds to enhance electrical system capabilities, redundancy, and resilience. After over three years of groundwork to secure state funding, a language revision to legislation, and evaluating best options for Falls City Utilities and its rate payers, the Falls City Council unanimously approved the final reading of a \$20 million bond resolution. Those funds match a \$15 million state grant allocated through LB977 in 2022 to expand electrical system capabilities by enhancing redundancy and resilience. Olsson will oversee the first few phases of engineering and the project is expected to take around five years for completion. ♦

National Consultants Receptive to Falls City Projects

To elevate awareness of development opportunities in Falls City, EDGE Executive Director Lucas Froeschl conducted targeted outreach in Omaha, Indianapolis, Nashville, and Fort Lauderdale, meeting with leading experts in the site-selection industry. By showcasing the community's dual-rail infrastructure, the ongoing construction of a new electrical transmission line, and the secured land option agreements at the Mid-America Rail Campus, Falls City has positioned itself prominently on the radar of developers seeking high-quality industrial sites for their clients. ♦

Meetings Held with Nebraska Delegation in Washington, D.C.

EDGE accompanied Columbus and Hastings community leaders on a Washington, DC advocacy trip at the end of March to promote development projects in Falls City. Meetings were scheduled with the Dept of Energy, Senators Ricketts and Fischer, and Congressmen Smith, Bacon, and Flood. The group also attended the weekly Nebraska Breakfast attended by all five delegates. ♦

EDGE Participates in Department of Energy Load Growth Cohort

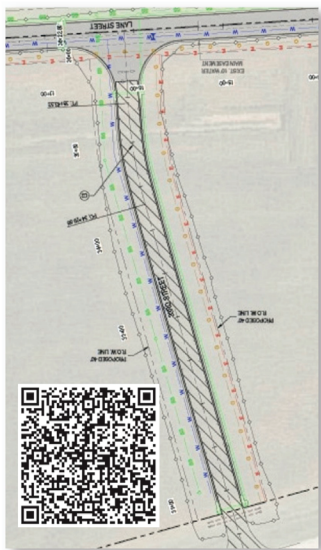

The DOE's Navigating Electricity Load Growth and Associated Utility Grid Impacts grant program connects energy experts and community developers once per month for six months. Strategies to prepare for and respond to increasing electricity demand driven by emerging industries were discussed and network relationships will assist local preparation. Prior to award of this federal networking opportunity, city leadership met with the Southeast Power Pool (SPP) officials in Little Rock on January 28th to discuss best options for Falls City Utilities and future development projects. It is these relationship-building activities that will assist Falls City in maximizing its economic potential. ♦

Investor of the Year: Hullman's Ford Lincoln

30% Engineering Complete at North Commercial Corridor

Public utility easements along the future Lane Street right-of-way, partially defined in a property dedication dated July 11, 1986, are also included. This 30% engineering study is considered a sales tool to attract developers and businesses interested in Falls City.
