

CGB, its recruiters not in violation of CPA, judge rules

District Court Judge Daniel E. Bryan Jr. last week dismissed a civil lawsuit filed by Salem Grain Co. and against Consolidated Grain Grain & Barge Co. and numerous individuals who helped lure the grain-handling giant to Falls City.

Salem Grain, in a filing on Aug. 8, alleged "unlawful practices" and "a series of acts" provided CGB a financial advantage, hence was in violation of the Consumer Protection Act. The suit also asserted that CGB and City of Falls City and Economic Development representatives formed a contract and conspired to "restrain trade or commerce."

Judge Bryan, citing the U.S. Supreme Court's Noerr-Pennington doctrine, dismissed the claims against CGB, as well as City Administrator Gary Jorn, EDGE Executive Director Beckie Cromer, and EDGE reps Kevin Malone, Beth Sickel, Ray Joy, Bart Keller and Charlie Radatz.

"Joint efforts to influence public officials do not violate the antitrust laws even though intended to eliminate competition," Bryan ruled. "Such conduct is not illegal, either standing alone or as part of a broader scheme itself."

The doctrine provides that "individual private citizens interacting with, soliciting and encouraging public bodies to take certain action as alleged are protected by the First Amendment free speech and petition of government, making them immune from anti-trust violations."

The ruling will undoubtedly be appealed and Judge Bryan, who in 2012 sided with Salem Grain co-owner David L. Frederick and against EDGE in relation to releasing its records, advised the plaintiff to allege for a violation under Neb. Rev. Stat. 59-1602 and 59-1603 that "CGB participated in an unfair practice or unfair competition in the sale of goods or services to the public; The defendants purported conduct affected the public interest; The defendants participated in an unreasonable restraint on trade; and that the plaintiff has suffered an antitrust injury."

EDGE appealed Bryan's 2012 decision maintaining EDGE's records are public in nature and in 2015 the Nebraska Supreme Court sided with the City and EDGE and vacated Bryan's ruling.

Piece of historic Flying Fortress coming to Falls City Saturday

A bit of World War II history is landing in Falls City this Saturday, Oct. 15. A wing panel off a B-17 (Flying Fortress) is being sent around the U.S. to be signed by surviving members of the historic 8th Air Force's 384th Bomb Group stationed at Grafton-Underwood, England, during the war. It will be signed by Bill Schock, a B-17 pilot in the 38th, at a brief 11 a.m. ceremony at the Richardson County Historical Museum, 1401 Chase St.

The B-17 and B-24 (Liberator) were the workhorses of the violent air war, which preceded the D-Day invasion of Normandy, France, for nearly two years. The 384th's primary function was the strategic bombardment of airfields and industries in France, Germany, and surrounding Nazi-occupied areas.

Schock, then 25, made his first combat raid on Oct. 8, 1943.

"The first week, we lost 156 B-17s and about 1,500 men ended up either prisoners of war or killed," he said.

Eight months and 24 missions later, on Easter Sunday, April 9, 1944, Bill and his crew sustained a direct hit from a flak battery following a successful bombing run to Marienburg, East Prussia, and were forced to parachute into Denmark and the waiting arms of the Nazis. Schock survived 13 months as a POW at Stalag Luft I prison camp on the Baltic Sea near Barth, Germany. The liberation began on May 17, 1945 and Bill arrived back in the Falls City train station on June 27.

The panel is being brought to Falls City by Dr. Mark Meehl of the Concordia University faculty in Seward. Dr. Meehl is a 384th Bomb Group historian. His father was a crew chief in the 384th.

The panel has come to Nebraska from San Diego and will go from here to Denver and Mississippi. Eventually it will be an artifact at the Hill Aerospace Museum at Ogden, Utah.

A massive new shed, with 24,000 square feet of floor space containing thousands of large square bales of hay and numerous pieces of farm machinery, including a front-end loader, on the Herbster Angus property on the northwest edge of Falls City quickly went up in flames last Tuesday morning.

The cause of the fire remains under investigation. The torrid blaze engulfed the building in minutes and continued to smolder several days later.

Tuesday morning blaze on Herbster property smolders into weekend

A Tuesday morning fire on the Herbster Angus property northwest of Falls City completely destroyed a massive shed built just this year and most of the building's contents, including a front-end loader and perhaps thousands of large bales of hay. A specific damage estimate is not yet available, though the figure will likely involve seven figures. The fire's origin remains under investigation by the State Fire Marshal's Office.

The building, containing 24,000 feet of floor space, was very quickly engulfed in flames and remnants continued to burn for several days, into the weekend. The 911 call came at 7:45 a.m. Tuesday and firefighters responded almost immediately and remained on the scene all day. Members of the Falls City Rural Fire Dept., as well as those from the Falls

City Volunteer Fire Dept. and Verdon Dept. battled the fire. They were able to save two tractors, a 30-foot flatbed trailer and silage kit.

"The guys did a phenomenal job getting the stuff out that they did," Herbster Farms Manager Ed Raithel said. "Within 8-12 minutes, it got so hot you couldn't do anything," he said. "It was unbelievable."

"It was totally involved when we got the call," FC Rural Fireman Kenny Arnold said. "We put a bunch of water on it, but it was half full of hay and there was a massive amount of material there."

Herbster Angus Farms is owned by Charles W. and Judy Herbster.

Equality. Liberty. Respect.

By Governor Pete Ricketts

From Presidential debates to football fields, America is having a discussion about injustice. We are an imperfect country. There is no doubt America has a checkered history with how we have treated individuals of various races and ethnicities. And there is no doubt social injustice and bigotry still exist.

However, America is a nation founded on high ideals which are enshrined in our Declaration of Independence and the Constitution. The notion that our flag represents the imperfections of a flawed country rather than the high ideals of equality and liberty is misguided.

I am encouraged to see young people expressing their opinions on the issues facing our nation and exercising their First Amendment rights. While I respect their right to protest, by choosing not to stand during our national anthem they caused pain to the families of veterans who fought and died to ensure they enjoy that right.

In our 240-year history, America has defended our freedoms and maintained the ideal that "all men are created equal." Our flag represents equality and liberty, not bigotry and injustice. More importantly, it represents the supreme sacrifice of countless Americans who gave their lives to defend those ideals.

As a private citizen and now as Nebraska's Governor, I have participated in honor flights for combat veterans who fought in the Korean and Vietnam Wars. This summer when I attended an event with the wives of Vietnam Combat Veterans, I acknowledged that many of their husbands didn't experience the appreciation they deserved for fighting for our country. I expressed our collective debt of gratitude to those who dedicate themselves to military service.

I regularly express our collective debt of gratitude at send-off ceremonies for the Nebraska National Guard where our troops are being deployed overseas. For many of them, it is not their first deployment.

Our troops go around the world under the banner of the American Flag to protect our freedoms and relieve suffering and oppression. For this reason, I believe that just because the First Amendment protects the right of individuals to protest our flag, it doesn't mean they ought to do so.

In 1799 in his last public speech before his death Patrick Henry said, "Let us trust God, and our better judgment to set us right hereafter. United we stand, divided we fall. Let us not split into factions which must destroy that union upon which our existence hangs."

In this spirit, I suggest that there is an opportunity for us to stand together against injustice and bigotry in a manner that doesn't divide us, and doesn't dishonor the sacrifices of others.

It has taken a while ... and it's going to be a few more years, but Nebraska is inching forward to having a long-discussed 600 miles of expressway connecting various communities.

It was 28 years ago that then-Governor Kay Orr and her Dept. of Roads Director Jerry Strobel first announced the plans. Back in 1988 they had hopes that the system would be completed by 2003. But then, things got in the way. Several blips in the economy forced changes in perspective. Priorities changed.

Then along came Strobel's daughter, state Senator Deb Fischer of Valentine. As chair of the Legislature's Transportation and Telecommunications Committee, she managed to get highway projects back on the radar. But Fischer moved along and became a U.S. Senator. It took a trio of massive legislative efforts in recent years to raise the necessary money and set a new target - 2033.

"We knew at the time it wouldn't be completed immediately, but had no idea it was going to take so long," Mrs. Orr said recently, appearing with Gov. Pete Ricketts during a press conference at the Capitol. Ricketts won't be governor when the plan is completed either.

So, what changed that all of these plans are being revived and the hopes of motorists for a smooth commute have been refreshed?

It started in 2011 with the Build Nebraska Act, championed by then-state Senator Fischer. That act assigned one quarter-cent of the state sales tax to road construction. In 2015, a 6-cent gas tax hike, sponsored by state Sen. Jim Smith of Papillion, passed over Ricketts' veto. Smith, most recent chair of the Transportation Committee, said the measure is expected to raise about \$75 million a year once fully implemented.

Then there's this year's Transportation Innovation Act, also sponsored by Smith, which earmarked revenue from the gas tax hike and allowed for new contracting methods to speed up construction and reduce costs. That is expected to bring in an estimated \$1 billion over the next decade to finance a handful of projects while others are being designed.

Dirt won't be turned until 2019 on the biggest project, 25 miles of U.S. 275 from Scribner to West Point. That project will also be the first to use a contracting method known as design-build. Four other major projects will begin in 2024.

DOR officials said those include: a beltway connecting U.S. 77 and U.S. 275 southeast of Fremont; six-lane expansion of a mile of Interstate 680 in north Omaha; widening 18 miles of U.S. 26 to four lanes west of Scottsbluff; and adding passing lanes to U.S. 83 from McCook to North Platte.

Also slated for construction are: modernization of two lanes of Nebraska Highway 7 between Bassett and Springview in the Sandhills; 18 miles of four-lane divided U.S.

Highway 26 between Minatare and the junction with U.S. Highway 385 north and west of Bridgeport; interchange improvements of a mile of U.S. Highway 6 in west Omaha and the addition of three miles of northbound lane to U.S. Highway 75 from Bellevue to Omaha.

The Roads Department selected another 12 projects for design only. Those include the second stage of the U.S. 275 expansion, as well as expressways along U.S. 81 from York to Columbus and along U.S. 75 north of

officials who argued that economic reasons for road improvement should be considered as well as traffic counts and safety data. Norfolk is home to two major steel companies and a Texas pipe manufacturing company has broken ground on a new plant in the northeast Nebraska city. That all means a lot of big truck traffic.

Let's hope that the projected 17 years for completion for this massive statewide infrastructure improvement doesn't turn into another 28 years. It would be nice to be able to get there from here.

Thank our teachers

By Craig R. Christiansen, Executive Director, Nebraska State Education Association

In December 1955, I saw a movie that I have never forgotten. On reflection, it certainly may have been one of the sappiest movies I would ever see, but I loved it because I was a third-grader and the movie was about a favorite, small-town teacher. The teacher in the movie insisted that every student greet her properly every day. Their morning greetings became the title of the movie, "Good Morning, Miss Dove." When Miss Dove was hospitalized, her former students returned to give well-deserved thanks to their favorite teacher.

I was reminded of that movie the other day as I talked with a local doctor. He said that he admired teachers and the work they did, but he did not understand why education is so conflictual, when it is so important. Yes, education is disputed, but exactly because it is so important. Both parents and teachers understand that education is the most important determinant of a student's career choice and satisfaction, lifetime earnings, and overall well-being and future success. The choices that are made about virtually every aspect of education are open to critical questioning or opposition. Decisions do matter. Parents, grandparents, teachers, and taxpayers all have a stake in the success of our students. And those voices do not always agree.

Targets of Criticism

That level of continual questioning, criticism, and, often, opposition is a daily burden to those who work in our schools. It is every citizen's right to question and criticize decisions that may not be sound educational practice. And, ironically, the ones who work every day to make sure students get the very best education are often the targets of criticism from every quarter: parents, taxpayers, their principals, and society. Teaching is not easy and very often, a thankless job. Or so it seems.

A Nebraska author, Bess Streeter Aldrich, wrote Miss Bishop, a best-selling book that was also later made into a movie, "Cheers for Miss Bishop." It is the story of a teacher who is forced into retirement after many years of teaching. As many (and perhaps most) teachers do, Miss Bishop reflects on a life of service that did not result in great honors or riches. What opportunities had she missed by being a teacher? In true Hollywood fashion, the movie ends with many of her students, now very successful, coming back to honor her work. Many movies have been made about the important work of teachers. We know these teachers by their movie names: Mr. Chips, Mr. Holland, Miss Dove, Miss Bishop, Miss Barrett, Mr. Thackeray, and many more. But how do we honor and thank our real teachers? We simply need to say thank you to our teachers for the work they do. We say it out loud and often. *It's that simple.*

"Thank You" is Rarely Heard

So, "cheers" for you Miss Bishop, or Miss Dove, or Mr. Black, or Mrs. Lance, or Dr. Alvarez, or any of thousands of names that you carry as the American Teacher. You are the model for movies and books and accolades, but your work is known best (and appreciated most) by those generations of students that come through your classroom. You never hear "Thank you" from most of these students. Their mothers and fathers will say it as they talk about how much you cared about their children, how much they have grown up, have learned, and how much their children still talk about you. The students say it years later as adults when they tell their own children about the difference that you made in their lives. And some may say it when they remember a movie or a book that reminded them of how critical the work is that all teachers do every day for the students of America. So, thank you...and for what you do: Cheers, Miss Bishop!

Popular attraction

From May 1 through Sept. 30 the Falter Museum had nearly 1,100 visitors from 25 states, 78 different Nebraska cities and one foreign country walk through the front door to learn about John Falter and his life as an accomplished illustrator. Many thanks again to the Nebraska Tourism Commission's Passport Program for selecting us as one of the 80 statewide stops on its 2016 tour. It was a wonderful experience for the museum, and we are hoping that those who came will plan another trip to Falls City in the future.

Our current exhibit features two of John's historical paintings on loan from the Museum of Nebraska Art in Kearney. "The Competitor" and "Threshing Crew" will be at the museum until mid November. Our sincere thanks to MONA for sharing these wonderful oils with us.

The museum is now open by appointment only by calling Dobey at 402-450-3724 or by email at curator@johnphilipfaltermuseum.com

It is also available for special events at no cost. Remember to follow us on Facebook and on our website johnphilipfaltermuseum.com

The successes that we have had these past several months would not have been possible without our wonderful museum docents. Glenda Nelson, Carol Johnson, Gail Froeschl and Jonah Santo, I can never thank you enough for your enthusiasm, friendship and support. Falls City has a great deal to offer, and it's caring and devoted people like you that are keeping it's vitality and energy alive!

The 'Few'

Winston Churchill once said: "Never in the field of human conflict was so much owed by so many to so few." He was the Prime Minister of Great Britain at the time and it was in 1940 during World War II. He was referring to the men of the Royal Air Force (RAF) who had defied the overwhelming attacks of the Luftwaffe (German Air Forces) as they continually bombed the cities and air bases of England in preparation for a German invasion. The invasion never happened because of the heroism of these "few" pilots of the RAF in what became known as the "Battle of Britain".

Not long after the Battle of Britain, the Japanese Naval Air Forces overwhelmed the Naval and Air Forces of the US at Pearl Harbor in a surprise attack on December 7, 1941. Although devastating the "few" survivors of that vicious attack fought back hard and with heroism amidst the burning wreckage of their ships and planes and rescued hundreds of sailors and civilians. The Japanese did not achieve their objectives of destroying the American fleet because of these men and women, and many of the damaged ships were repaired and served to fight against the Japanese in the war.

Isoroku Yamamoto who was the Admiral leading the attack on Pearl Harbor said afterwards when congratulated for his success: "I fear all we have done is awaken a sleeping giant and fill him with a terrible resolve." His prophecy was to prove correct when 6 months later in June, 1942 at the Battle of Midway, US Naval Forces destroyed 4 Japanese Aircraft Carriers (all of which were part of the attack on Pearl Harbor), all their aircraft and pilots, 1 large cruiser and damage multiple smaller ships. The US lost the Carrier Yorktown and a destroyer, but with larger resources America could afford to replace the losses, while Japan could not.

Like in all wars, the men and women that fight them are young, most between 18 and 30 years of age. For WWII most were born between 1915 and 1925. It doesn't take a genius to realize that in 2016, going on 2017, most of these men and women are now long gone, but a few still remain. I read recently that of the survivors of the USS Arizona which was sunk at Pearl Harbor, only 5 Sailors are left from a crew of nearly 1800. The few are getting fewer every day.

This holds true for all our veterans regardless of the wars they fought in. Whether a "popular" war or not, the men and women of America went and served because their NATION sent them. They did their Duty, with Honor and lived up to their Responsibility despite the politics of the time. They are to be Respected always for what they Sacrificed on behalf of Everyone, even if you didn't ask for it. Your Freedom is Guaranteed as a Direct Result of their Commitment to America. Never Forget!

Salem Grain v. CGB

(Continued from Page 1)

to unspecified information shared between Cromer and/or the City and CGB, one of the largest shippers of grain in the world. When the agricultural giant corresponded with Cromer in the early stages regarding potential expansion in southeast Nebraska, word traveled quickly, particularly among those in the business, namely Salem Grain. Enticing CGB to invest and ultimately build a \$23 million skyline-dominating facility was a triumph for EDGE; much less so for CGB's competition.

Intent notwithstanding, Frederick and Salem Grain requested access to all documentation related to EDGE's recruitment of CGB, but were admittedly denied certain company financial information. Cromer said conversations held in confidence in par for the course and companies of-

ten prefer some private facts remain private. To negate any private talks would turn off prospective clients and unduly hinder EDGE's ability to recruit against similar economic bodies. EDGE and the City of Falls City argue that some records are not public records or are exempt from disclosure.

The Supreme Court agreed, stating that EDGE is not a functional equivalent of a city agency, branch or department because it performs a governmental function, i.e., the promotion of economic development.

"A city does not have a duty or responsibility to promote economic development; it simply has the authority to do so if it chooses. And unlike essential governmental functions, such as building and maintaining streets and highways and providing for public health and safety, private entities are free to engage in economic development activities without any involvement of public bodies," the Court ruled.

Sept. 29-30 Blood Drive collects 106 units

By Linda Frederick, Blood Drive Coordinator

The goal for the Blood Drive, held Sept. 29 and 30, was set a little high for this time of year; considering harvest was in full swing, we still collected 106 units of blood. These drives wouldn't be possible if not for the donations we receive for lunchmeat from Excel Meat Corp., courtesy of Robert Stuckemeyer; sandwiches, bread and cookies from St. Paul's Lutheran Church; juice from Bethal United Methodist Church; paper products from Falls City Health Care and ice from Sapp Bros. Bryndon Frederick was in charge of table tents and posters; calling for appointments were Marcia and Elaine Schwartz; tables and chairs were set up by Mr. Windle and his students; canteen set up was Deb Gerweck and Patty Kiekhaefer; helping at the registration table were Lee Ferguson and Judy Schlosser; escorts were Betty Maze, Bernice Burgett, Karen Simon, Rosalie Scholl, Marjean Werner, Joann Stone, Elaine Heineman, Linda Beckner and Norma Rowland; T-shirt sponsors were Community Medical Center, Frederick Bros. Construction, Schulenberg Bakery and Frederick Farms.

Without all of this, we would be nowhere without our blood donors: Helen Arnold, Sam Arnold, Barb Baker, Les Baker, Tutti Baker, Kim Bechtold, Linda Beckner, Chris Bennett, Ron Bennett, Carol Bentley, Becky Brewer, Patty Brown, Andrew Chanavanak, Jackie Cherry, James Cherry,

Doane triMATHlon

The 17th annual Doane triMATHlon High School Math Contest was held Thursday, Sept. 29. The participating high schools in the Division I competition were Bellevue West, Gretna, Lincoln Northeast, Lincoln Southeast, Lincoln Southwest, Millard South, Omaha South, Pius X, and Papillion La Vista South. The participating high schools in the Division II competition were Falls City, Friend, Harvard, Lincoln Christian, Platteview, Scottsbluff, Syracuse, Waverly, and Wilber Clatonia.

The math contest consisted of three stages. The Extreme Team Challenge event required written answers to questions about the campus' grassy areas and football field. The Individual Written Test was a 30-question, multiple-choice exam. The Math Bowl paired three-person teams in a quiz bowl tournament.

The contest is sponsored by the Doane Mathematics Dept., Doane Math Club and the Admissions Office.

HUSKER HARVEST DAYS - On Sept. 14, the Falls City FFA attended Husker Harvest Days. It is widely encouraged for all members and officers to attend because it is a great opportunity to see what is newly developing in the world of agriculture and the wide variety that it offers. As an assignment each member is required to pick one specific thing there and write a short paper about what they learned about it. Members are also encouraged to go is because they have the opportunity to bring six cans of food for their entrance fee, to donate locally to SENCA. Overall we gathered around 130 pounds of food donations. This is a great way to give back to

a community that supports us so much that it is the least we can do to repay some of that kindness and generosity. By Elle Findlay. New coordinator named for SCC's Falls City Learning Center

Holly Carr is the new coordinator for Southeast Community College's Falls City Learning Center. This is SCC's fourth learning center to be opened.

Carr is a third-generation Nebraska educator with a background in science. Carr lives in Johnson, Nebraska, and most recently worked as a project manager at the University of Nebraska-Lincoln. She is looking forward to her new role as learning center coordinator.

"I really enjoy taking a project and building it from the ground up, so I'm excited about working with the communities to promote and expand new educational opportunities," she said. "It's a privilege to be part of providing educational and training

needs to our communities moving forward."

The learning center is located at 116 W. 19th St. in the lower level of the Blue Valley/Home Health facility. The Center will offer credit and non-credit courses, as well as business and industry training.

Last year SCC's Board of Governors approved plans to open six learning centers within the College's 15-county service area. York, Nebraska City and Plattsmouth have already opened. Wahoo and Hebron are still in the planning stages.

Harvest season: Be on lookout for power lines

Harvest season is one of the busiest times of year for farmers—and can be one of the most dangerous.

Nebraska Public Power District urges farm operators to be aware of overhead power lines, keep farm equipment safely away from the lines, and know what to do if accidental contact is made with power lines.

A key factor for those harvesting crops is to look up and around when working in the fields this fall. Taking a few minutes to look for overhead electric lines may be life-saving time well spent. So what are some the dangers that farmers can encounter.

End rows are an area where farm equipment can accidentally become entangled in the power lines. Remaining inside the equipment until help arrives is critical to everyone's safety. Those involved in harvesting work should understand any contact with power lines carries the potential of a serious or fatal accident. Electricity can arc to the equipment if it comes close to the line.

"It's always best to call for help, and wait until the local electric utility arrives to make sure the line is de-energized," said NPPD Transmission and Distribution Manager Joel Dagerman. If the power line is energized and you step outside, your body becomes the path and electrocution could happen. "Even if a power line is on the ground, there is still the potential for the area nearby to be energized unless there's fire or imminent risk of fire."

If you must exit the vehicle, the appropriate action is to jump – not step – with both feet hitting the ground at the same time. Jump clear, without touching the vehicle and ground at the same time, and continue to shuffle to safety, keeping both feet together as you leave the area.

Dagerman explained that voltage from a downed line tend to be like the ripples in a pond or lake, the voltage diminishes the farther out it is from the source and at no time should anyone touch the equipment and the ground at the same time. Never should the operator simply step out of the vehicle – the per-

son must jump clear.

NPPD urges farmers to take safety precautions before entering the fields to begin harvest operations.

Each day, review all farm activities and work practices that will take place around power lines and remind all workers to take precautions. Start each morning by planning the day's work during a tailgate safety meeting. Know what jobs will happen near power lines, and have a plan to keep the assigned workers safe.

Know the location of power lines, and when setting up the farm equipment, be at least 20 feet away from them. Contact your local power provider if you feel this distance cannot be achieved.

Use care when raising augers or the bed of a grain truck. It can be difficult to estimate distance, and sometimes a power line is closer than it looks. When moving large equipment or high loads near a power line, always use a spotter to make certain contact is not made with the line.

Always adjust portable augers or elevators to their lowest possible

level – under 14 feet – before moving or transporting them. Variables like wind, uneven ground, shifting weight, or other conditions can combine to create an unexpected result.

Be aware of increased height when loading and transporting larger modern tractors with higher antennas.

Never attempt to raise or move a power line to clear a path! If power lines near your property have sagged over time, call your utility to repair them.

As in any outdoor work, be careful not to raise any equipment such as ladders, poles, or rods into power lines. Remember, non-metallic materials such as lumber, tree limbs, tires, ropes, and hay will conduct electricity depending on dampness and dust and dirt contamination.

FCMS STUDENTS FOR THE MONTH OF SEPTEMBER: (L-R) Lindsey McNeely, Thayer Armbruster, and Jodie Uhri.

Falls City Middle School Students of the Month

The students of the month for September at the Falls City Middle School were: Thayer Armbruster, eighth grade, Lindsey McNeely, seventh grade, and, Jodie Uhri, sixth grade. Each student received a T-shirt printed with the Student of the Month logo. The shirts are compliments of Stripes and Signs. The Elks Club will sponsor a complimentary meal during Youth Week for all of this year's student of the month recipients and their parents.

To receive student of the month, students must first be nominated by one of their teachers. The criteria for nomination this year once again focuses on the 212 degree message. The teachers are continuously looking for the students that give the extra degree. This is a student that demonstrates extra effort by being an exemplary student. Someone who internalizes the truth that is "Not enough to be good when you have the ability to be BETTER!" Each month the teachers choose an individual from each grade that were identified as a 212 degree student and met the criteria. This includes: turning work in on time, exemplary behavior everywhere, goes out of their way to help peers, good grades and/or improvement; always showing effort, active and/or involved in the community, leadership accomplishments: academic, athletic, or in the community, school attendance, positive attitude toward others, honest and trustworthy, cooperative and dependable, helpful to teachers, positive attitude toward school, and considerate of other's feelings. Teachers vote by private balloting. To win student of the month, one student must receive a majority of the votes. Those students who don't win are given honorable mention and are eligible in future months.

Jodie Uhri is the sixth grade stu-

dent of the month for September. She is the daughter of Mark and Lisa Uhri. Jodie is a delightful student who is very enthusiastic about participating in class. She is a regular on the honor roll, while participating in band and chorus. Outside of school, Jodie keeps busy with 4-H, Vacation Bible School, and community clean-up opportunities.

Lindsey McNeely is the seventh grade student of the month for September. She is the daughter of Erik and Sandra McNeely. Lindsey is described as a polite young lady to everyone. She always comes in ready to work and stays on task to do her best. A great role model! Lindsey is an honor roll student, and she participates in band, chorus, show choir, volleyball, basketball, track, and Clown Troupe. Outside of school, Lindsey is busy with CCD and Falls City Travelers softball.

Thayer Armbruster is the eighth grade student of the month for September. She is the daughter of Andy and Sarah Armbruster. Thayer is described as a great student overall, that strives to do her best in and out of the classroom. She repre-

sents our school very well. She is an honor roll student and participates in band, chorus, show choir, volleyball, cross country, basketball, track, Clown Troupe, and FCA. Thayer is also active outside of school with CCD and Falls City Recreation softball.

The students who received honorable mention for September include: Shaylee Mackey, Brenna Leyden, Jocie Shopteese, Abby Harms, Courtney Rumbaugh, Hannah Hamilton, Gwen Olberding, Zoe Ebel, Jacob Craine, Madilyn Scholl, Jolee Schulerberg, Grace Holys, Brylee Gilkerson, Spencer Forsyth, Sarah Acton, Emma Killingsworth, Makayla Mason, Kaydence Cattrell, Jonathon Craig, Bryson Butrick, Carly Romo, Arienna Hayes, Reece McNeely, and Caleb Hamilton.

Another staffer attacked at State Pen

A Nebraska Department of Correctional Services staff member was assaulted at the Nebraska State Penitentiary on Wednesday, Oct. 5.

Two inmates used homemade weapons to strike the staffer multiple times. Chemical agents were used to stop the assault and gain control of the inmates. The employee was transported to a hospital for treatment of non-life-threatening injuries and released.

"We house many violent and dangerous individuals, but we will not tolerate violence within our prisons," Director Scott Frakes said.

The names of the staff member and inmates will not be released.

"Individuals who assault others are held accountable through the internal disciplinary process, which includes the potential loss of good time and other sanctions," Frakes said.

The Falls City Sacred Heart Irish made the long trip to Shickley on Friday evening to take on the Brunning Davenport Shickley Eagles in a battle of highly ranked class D-2 Titans. At kickoff the temperature was a brisk 58 degrees but that dropped quickly once the sun went down. It wasn't cool enough to keep fans from either school away as there was a big crowd on hand for the showdown of undefeated teams.

The Irish got the ball to get the game started and moved it out to their 37 yard line before the Eagles forced the Irish to punt the ball. Emerson Keithley booted the ball 44 yards into the end zone and BDS would have it at their own 15 to start the drive. The Irish defense stood tall and held BDS to a three and out. A Sean Arnold punt return set the Irish up at the Eagles 38 yard line. SH drove 38 yards on six plays capping the drive off with a one yard touchdown run by Drew Bippes on a

sneak up the middle. The PAT failed and with 5:11 to go in the first quarter the Irish led the defending class D-1 state champion 6-0.

BDS took the ball and drove out to the Irish 39 yard line, aided by a roughing the passer penalty, before the defense got tough and forced another punt. A bone jarring hit by Christian Harring stopped the Eagles quarterback short of the first down marker. The ensuing punt was taken by Arnold and brought down at his own 13 yard line. A 26 yard pass from Bippes to Tristan Keithley moved the ball to midfield. SH then ran an option on consecutive plays picking up 10 and nine yards respectively. On first down Bippes dropped back and hit Noah Keller on the right side of the field who barely got his feet on bounds at the one yard line. Bippes again ran a sneak up the middle for a score. The PAT again failed but the Irish led 12-0 with :47 to go in the first quarter.

No one would have guessed it at the time but that would be the end of the Irish scoring. When asked what BDS changed the rest of the game Coach Goltz said, "they started to stunt more out of their 3-4 defense and we didn't block it the best. Also they started blitzing more on our passes and played their zone coverage better after the first quarter."

The Eagles took the ball 49 yards down the field in nine plays for their first score of the night. On fourth down and seven yards to go from the Irish 34 yard line Quarterback Kale Kleinschmidt hit his receiver for a 32 yard gain down to the two yard line. Kleinschmidt then ran it in from two yards out. The PAT failed and the Irish led 12-6 with 9:36 to go in the half.

On the Irish next possession they moved the ball down the field before a big holding penalty on fourth down and four from midfield. The Irish were forced to punt again and BDS took over at their own 10 yard line. BDS wasted little time moving the ball. They drove the field 70 yards on just four plays ending with a 30 yard touchdown pass down the left sideline from Kleinschmidt to Thomas Mick. The conversion pass was good and the Eagles took a 14-12 lead with 4:23 to go.

The next set of downs for the Irish was disastrous. Penalties pushed the Irish back to their own three yard line and they were forced to punt. The Eagles took over on the Irish 30 yard line. On third and goal from the 12 yard line Sean Arnold stepped in front of a pass and SH took over on their own 14 yard line. On third and one with :20 to go Bippes took the ball but overthrew Noah Keller and was intercepted by Garret Schardt, who returned it to the Irish seven yard line

with :8 to go. A pass to Schardt went in for the score and the Irish trailed 20-12 at halftime. Coach Goltz took the blame for the turnover, "it was a bad play call by me, should have called a run. Would have been better to just go to half down 12-14."

SH had a good start to the second half as they stopped BDS on fourth down at midfield. However the Irish failed to move the ball and were forced to punt. After a 14 yard punt BDS had the ball on their own 21 yard line. The defense came up big again though stopping the Eagles on fourth down at the Irish 10 yard line.

Falls City was able to move the ball well on the next set of downs getting all the way down to the Eagle 16 yard line before a fumble on a read option gave the ball back to BDS. The third quarter came and went without either team reaching the end zone.

BDS took advantage of SH turnovers on the night this time driving 64 yards on nine plays capping it off with another Kleinschmidt carry for the score. The conversion was good and BDS led 28-12 with 10:08 to go in the game. On the next possession Bippes was picked off again on second down and BDS had the ball at the Irish 34 yard line. Six plays later Kleinschmidt hit Caden Norder for a 10 yard score on fourth down. The conversion was good and BDS now led 36-12 with 7:06 remaining.

The Irish were able to put together a good drive again before BDS intercepted Bippes for the third time of the night at the one yard line of the Eagles. The ball appeared to hit the ground but the Eagles took over at the one yard line. After a three and out the Irish had it back at the BDS 27 yard line but were stopped on fourth down and BDS ran out the clock.

Turnovers plagued the Irish all night, three interceptions and a fumble, killed some good drives by SH. Each team was called for their share of penalties but a few against the Irish seemed to come from nowhere. At times the referees even seemed confused by what they were calling. "Their offense and their QB are difficult to stop. He is elusive and can throw well running right or left. We did a decent job against the run but they got some big ones on the pass," said Coach Goltz.

Sacred Heart now 5-1 on the season will be at home this Friday to take on the 1-6 Pawnee City Indians for Homecoming.

Lady Irish back on track after successful week

By Libby Dunn

After over a month of away games, the Sacred Heart Lady Irish returned home on Tuesday, October 4, to play Rock Port, MO. The first set proved to be a close match-up when the Irish fell to the Bluejays 23-25, but the Irish didn't let up. The Lady Irish kicked it into gear and beat the Bluejays in the next three sets 25-13, 25-17, and 25-14.

The Lady Irish were led by senior Jade Hill who finished the match with 18 kills, four blocks, 11 digs, and 2 aces serves.

"As a team we played really hard and made a lot of hustle plays that kept the momentum in our favor," Hill said. "We finally played like the team we all know we are capable of being."

Senior setter Lexi Barnes also led the team to success with 40 assists and five aces serves, while seniors Haylee Heits and Libby Dunn added two aces serves each. Heits ended the game with 13 kills and 25 digs for the Irish. Sophomores Randee Witt and Ahren Ebel also contributed key digs for the Irish with Ebel having 15 and Witt having 16.

After dominating the Bluejays, the Irish traveled to Wymore, on Thursday to play the Southern Raiders. The Lady Irish beat the

Raiders 3-0 (25-21, 25-14, 25-19).

Although the Irish struggled with their serving, they excelled with their kills and digs. Heits lead the team in both kills and digs with 14 kills and 18 digs. Hill also contributed 13 kills to the victory. Seniors Barnes, Dunn, Hill, and sophomore Witt added six digs each to the team's 49 total digs.

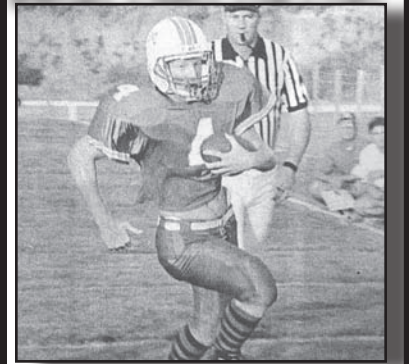

The Lady Irish will play at home on Tuesday night where they will be hosting a triangular against the Johnson-Brock Eagles and the HTRS Titans.

The 2-3 Falls City Tigers hit the road Friday night to take on the 2-4 Conestoga Cougars. The Tigers were coming off a bye week while the Cougars were hoping to stay hot after a road win against the Auburn Bulldogs.

The Cougars received the opening kickoff and starting their initial drive of the game at their own 28 yard line. The drive was short lived though as the Tigers pounced on a fumble and took over possession on the opponents 16 yard line just 12 seconds into the opening quarter. With great field position the Tigers would not be turned away. On the fourth play of the drive Rudy Vrtiska carried the ball into the end zone from three yards out. The PAT run by Zane Heckenlively was good and with 9:54 remaining in the first quarter the Tigers led 8-0.

The Tiger defense was fired up after the score and forced a punt by Conestoga after surrendering just 17 yards of progress. FC failed to do much on offense also and had to punt the ball away after just 17 yards as well. After a great punt the Cougars were pinned down on their own two yard line. The defense of FC stood firm and forced Conestoga into their second straight punt. The Tigers took over first and ten at the Cougars 42 yard line. FC promptly moved the ball 42 yards down the field in 1:41 finished off by a four yard touchdown run by Heckenlively. The extra point run by Heckenlively was also good and with 11:56 to go in the half the Tigers now led 16-0.

Neither team could get much going as they traded punts on the next three possessions. That's when the Tigers jumped on the board again. This time going 50 yards on eight plays finished off by a one yard touchdown run by Ed Fritz. The carry for two by Heckenlively was no good and the Tigers had a convincing 22-0 lead with 2:43 to go in the half.

The Tiger defense forced its fifth consecutive punt after allowing minus three yards on three plays. That would lead to a quick 53 yard scoring drive on just two plays. Fritz again went into the end zone this time from nine yards out. A pass from Heckenlively to Bryan Sickel was good and the Tigers had a 30-0 lead with 1:14 on the clock. That's where the score would remain going into halftime.

The Tigers were playing like they had a chip on their shoulder and it carried over into the second half. FC drove the ball 57 yards down the field on their opening possession with Vrtiska carrying the ball in for his second score of the night. The PAT failed but with 7:46 on the clock in the third quarter FC led 36-0.

The Cougars finally cracked the solid Tiger defense as Zach Schwindt took the handoff and raced 73 yards to pay dirt. The PAT kick was good and the FC lead was cut to 36-7 with 7:17 left on the clock. The Tigers didn't let that get them down as their next drive consumed 69 yards on eight plays and ate up 4:14 off the clock. This time Colton Hayworth took the hand off and went in from the three yard line for the score. FC now had a 42-7 lead with 3:11 to go in the third quarter. The Cougars put together their only real sustained drive of the night on their next set of downs. They covered 62 yards of turf in seven plays finishing it off with a six yard run again by Schwindt. The PAT kick was no good and the score went 42-13 in favor of Falls City.

The Tigers again put together a nice clock eating drive before turning the ball over with a fumble at the Cougar 12 yard line. However the defense again stepped up and forced a Conestoga punt after four plays and negative nine yards.

Cade Schawang carried the ball into the end zone from the three yard line on the Tigers following set of downs. A run for the conversion by Hayworth finished out the scoring on the night for the Tigers. With just 1:59 left in the game the Tigers led the Cougars 50-13. Conestoga tacked on a late score but the Tigers came away victorious with a convincing 50-19 win.

The Tiger defense only gave up four first downs all night. They held the Cougars to just 143 total yards of offense on 34 plays, while putting up 418 yards on 57 plays themselves. Heckenlively added 126 yards to his school record of rushing yards and Vrtiska added another 102 yards on the ground.

"We are working on becoming a fundamentally sound team that can execute the offense and defense we run at a high level. The defense played exceptionally well the first half against Conestoga, we had a few breakdowns in the second half in the run game, but overall a great defensive effort," said Coach Fritz.

Falls City only attempted two passes on the evening completing one to Jessi Dean for 44 yards. The defense was led up front by Tyler Harms with nine total stops. Dalton Kennel threw in another eight stops and Heckenlively had seven respectively.

"Noah Milam really did a nice job for us this week and gave us a couple of big runs. Defensively Sickel, Kirkendall and Harms stepped in and played very well. It was a good team effort," said Fritz.

Falls City (3-3) will again be on the road this week as they travel to Louisville (0-7) to take on the Lions. According to Coach Fritz Louisville has played a tough schedule so far, they have good team speed and a big offensive and defensive front.

Brooke Lotter catches some air as her team mates look on.

Lady Tigers dominate Conestoga before heading into a tough weekend

The Falls City Lady Tigers traveled to Conestoga last Tuesday, Oct. 4, to take on the Cougars in a non-conference match. The Tigers won in three sets 18-25; 25-19; 25-23. Falls City attempted to better its 8-12 season record when they headed into the weekend.

On Saturday, Oct. 8, Falls City lost two of their three tournament games, falling to Palmyra: 25-18, 19-25, 21-25. Alyssa Frederick lead the team with 18 kills. Frederick also had 13 digs; Darcy Snethen had 13 assists and Brooke Lotter had 17 digs. The Tigers lost

their next game to Sterling: 19-25, 12-25. Alyssa Frederick once again led the team with nine kills 15 digs while Darcy Snethen had eight assists, Josie Nolte had 13 digs and Brooke Lotter racked up nine digs. In the final game of the day, the Tigers rallied and defeated Tri-County, 25-13, 25-17. Frederick had 16 kills and nine digs, Josie Nolte had 13 digs, Darcy Snethen had 12 digs, Brooke Lotter had 14 digs, Peyton Campbell had 13 digs and Darcy Snethen had 15 assists.

FCMS Football boys dominate the competition

The Falls City Tiger's Middle School Football Team returned home on Thursday, Oct. 6, against Shenandoah. The "B" team game was played first and came out very strong defensively behind strong play from Thomas Fields, Mick Craine, and Carson Simon. Offensively the Tigers would reach the end zone twice behind long runs from Forsyth, Kreifels, and Bredemeier. The Tigers would keep Shenandoah from moving the ball for a score, but gave them plenty of opportunities with three lost fumbles. The Tigers would go onto win 14 - 0, improving their record to 3-2.

The FCMS Tiger "A" team carried their teammates momentum into their game as well. The Tigers started out in high gear and would stay there on both sides of the ball. Butler, Lunsford, Heckenlively, and Vitosh would all find their way into the end zone either from touchdowns or twopt. conversions. Strong kickoffs from Lukas Aldana put the Tigers in great field position all night. Acton, Uhri, Fields, Riggs, Nolte, Craine, and Aldana would provide tremendous blocks on the offensive line to keep them cruising offensively. Defensively, the Tigers had a very strong showing from Vitosh and Acton providing two turnovers. The Tigers played the best they have all year on the defensive side of the ball and are really clicking as a group. Unfortunately, the strong play from the Tigers couldn't keep the weather away. The Tigers would go onto win 32-0 with the game being called early in the 2nd quarter due to lightning. The Tiger "A" team

improved to 2-3 on the season.

The Tigers will be back in action on Thursday, Oct. 13 as they take on Savannah, MO. The Tiger "B" team will be in action around

5:30 p.m., with the "A" team immediately following. Come support the FCMS Football team in their last games of the year, under the lights at Jug Brown Stadium.

We will be honoring the patrons and districts that are part of HTRS at the home football games this year. We ask that you attend the football games in honor of individual schools and wear your school attire. We want to see the mascots honored. We will honor the following schools, the alumni and staff at the following football games.

Dawson-Verdon	Sept. 2 vs. Omaha - Brownell Talbot at 7:00 p.m.
Humboldt	Sept. 16 vs. Yutan
Homecoming	Sept. 23 vs. Wilber - Clatonia
Table Rock - Steinauer & Elk Creek	Oct. 7 vs. Freeman
Table Rock - Steinauer & Elk Creek	Oct. 14 vs. Elmwood - Murdock

In honor of the schools that come together to make up HTRS, the cheerleaders will be selling T-shirts that honor each of the schools mascots. Please support HTRS by attending and honoring your home town schools.

Aluminum recycling facts

A used aluminum can is recycled and back on the grocery shelf as a new can, in as little as 60 days. That's closed loop recycling at its finest!

Used aluminum beverage cans are the most recycled item in the U.S., but other types of aluminum, such as siding, gutters, car components, storm window frames, and lawn furniture can also be recycled.

Recycling one aluminum can saves enough energy to run a TV for three hours -- or the equivalent of a half a gallon of gasoline.

More aluminum goes into beverage cans than any other product.

Because so many of them are recycled, aluminum cans account for less than 1% of the total U.S. waste stream, according to EPA estimates.

An aluminum can that is thrown away will still be a can 500 years from now!

There is no limit to the amount of times an aluminum can be recycled.

We use over 80,000,000,000 aluminum soda cans every year.

At one time, aluminum was more valuable than gold!

A 60-watt light bulb can be run for over a day on the amount of energy saved by recycling 1 pound of steel. In one year in the United States, the recycling of steel saves enough energy to heat and light 18,000,000 homes!

The Falls City Journal will be printing facts about recycling ahead of America Recycles Day on November 15.

Cross Country boys take first at home meet

Both Falls City Tiger Cross Country teams had an outstanding day last Thursday, when they hosted the Falls City Invitational.

The Boys team took first with the help of Kyle Leafy who took second, with a time of 18:14; Mason Crawford who took sixth, with a time of 19:32; Brody Smith who took seventh with a time of 20:07 and Zach Beaver who took eighth with a time of 20:13.

The ladies finished fourth with Mazey McCullough taking fourth place with a time of 22:21 and Cheyenne Dovel taking eighth with a time of 23:53.

Both teams are hoping to do well at Districts this week and state next week.

Town & Country Vet Clinic receives \$124,760 grant

Town & Country Veterinary Clinic P.C. in Auburn, announced they have been selected as a recipient of the Veterinary Services Grant. This grant was newly implemented in 2016 with the Farm Bill through USDA and National Institute of Food and Agriculture. The Veterinary Services Grant Program (VSGP) was created to help relieve rural veterinary shortage situations where updated equipment would not otherwise be affordable to rural clinics.

Two grants were fully funded in 2016 with Town & Country Veterinary Clinic P.C. being the recipient of one. The grant provided \$124,760 for use on livestock equipment that would help the clinic remain sustainable and be able to expand livestock services to serve a wider area of Southeast Nebraska. The funds are being used to purchase a mobile veterinary facility, portable hydraulic chute with tilt table capabilities, portable digital X-ray system for large and small animals, a new transducer (probe) for ultrasound of small ruminant (sheep and goat) pregnancy detection and horse and cattle abdominal ultrasound diagnostics, a new ultrasound machine for pregnancy detection in cattle, and laparoscopic equipment for insemination of small ruminants (sheep and goats) and dogs. This new equipment will allow us to expand our services and our service area.

OBITUARIES

Dorothy Grace Williams

Dorothy Grace Williams, 93, of Bettendorf, IA, formerly of Camanche, IA, died Tuesday, Oct. 4, 2016 at Clarissa C. Cook Hospice House, Bettendorf. She was born Dec. 21, 1922 in Nemaha County, the daughter of John William and Edna Lucille (Lucas) Eichstaedt. On June 11, 1950 she married Robert G. Williams at the home she was born in. She and Robert lived on the home farm until 1957, before settling in Camanche in 1964. Dorothy was a Stella High School graduate and graduated from Peru State College. She was a member of the First Baptist Church, Camanche, and the Order of Eastern Star.

(Ann) Williams of LeClaire, IA; grandchildren, Robert Lanphere, Angie Sower, Michelle Steckman, A.J. Williams, Laken Williams, Jordan Williams, Kerri Kudelka, Brandon VanBlaricom and Bryan Lohse and nine great-grandchildren.

She was preceded in death by her parents, a sister and a nephew.

Services were held Saturday, Oct. 8, 2016 at the Prairie Union Baptist Church, Shubert. Visitation was Friday, at the Camanche Chapel Snell-Zornig Funeral Home, Camanche. Burial will be at Prairie Union Cemetery, Shubert. Pallbearers will be family members. Honorary pallbearer will be Jim Findley.

In lieu of flowers, memorials may be made to Clarissa C. Cook Hospice House, the Camanche Fire Department or the Camanche Masonic Lodge #60.

Harlan G. Barker

Harlan Graham Barker, 86, of Holdrege, passed away on Tuesday, Oct. 4, 2016 at the Mary Lanning Healthcare in Hastings. Harlan was born July 18, 1930 at his family home in Nemaha, the eldest of three children born to Lloyd Lee "Jack" and Olive Clara (Bollman) Barker.

He received his primary education from a rural school near Auburn, and then transferred to Omaha Public Schools, where he graduated from Omaha North High School with the Class of 1948. Harlan then pursued higher education from UNL, where he graduated with a Bachelor's Degree in 1952.

Following his education, Harlan relocated to Holdrege, where he served as the Phelps County Assistant Extension Agent. On May 25, 1954 he was united in marriage to Kathryn Ann Peterson at the Trinity Evangelical Free Church in Holdrege, to this union four children were born: Sheryll, Susan, Brian, and Sara. In 1955, Harlan accepted the position of Franklin County Extension Agent, a position he held until they engaged in farming northeast of Holdrege in 1961. In 1972, the family moved into Holdrege. In the years to come, Harlan was employed by the Holdrege CO-OP as a grain elevator operator and also enjoyed working with the area farmers supplying anhydrous in the Spring.

He was active in his community serving on the R-6 School Board and active in various agricultural boards for several years. Harlan

was a member of the Trinity Evangelical Free Church, where he and Kathryn served their Lord as church custodians for many years before their retirement.

Harlan enjoyed antique cars, restoration and showing at various car shows. Throughout the years he made many friendship bonds. Most of all, Harlan enjoyed following his kid's activities when they were young and was a wonderful, loving husband and father.

Harlan leaves to celebrate his life; his wife of 62 years, Kathryn Barker of Holdrege; his four children: Sheryll Barker of Holdrege, Susy Barker of Lincoln, Brian Barker of Waukegan, IL, and Sara Barker of Falls City; brothers, Verlyn Barker of Denver, and Jack (Char) Barker of Littleton, CO; sisters-in-law: Violet Peterson of Holdrege and Carolyn (Jerry) Fitch, of Commerce City, CO; and a host of nieces, nephews, other relatives and friends.

He was preceded in death by his parents; father- and mother-in-law, Albert and Hazel Peterson; and brother-in-law, Roger Peterson.

Services were held Friday, Oct. 7, 2016 at the Trinity Evangelical Free Church in Holdrege, with Pastors Paul Bauman and Murray Jones officiating. Interment was held in the Prairie Home Cemetery at Holdrege.

A memorial has been established in Harlan's honor and kindly suggested to the family for a later designation.

Expressions of caring and kindness can be sent to the family at www.nelsonbauerfh.com

Hang 'em! An eye for an eye!
We want retribution. People who've wronged us should pay.
The Bible says God will work out what's right. We don't need to fret or beg.
In church this week, hear more about God's justice.

He will quickly grant justice to them. Luke 18:9-14

Elections – A Party of Parties!

Have you and your family been talking about the elections this year? Have you asked your parents if they belong to a political party? Political parties are made up of different groups of people who organize to point out the way they think the government should work.

Which party do you like? The one with the best food! Kids: color stuff in!

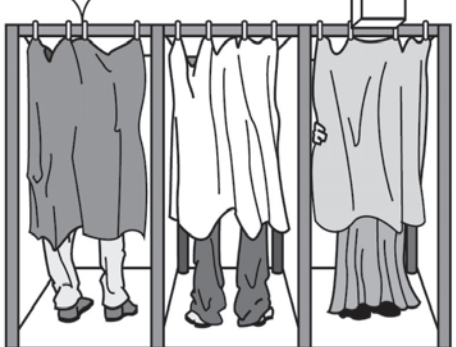

campaign landslide candidate Election Day
convention political donation
primary platform vote President booth party
issues election booth party

1. having to do with government affairs
2. election where one candidate wins by a large majority
3. in a _____ election, parties vote for the people who will represent them in the general election
4. a person who is running for President
5. a political party's largest gathering
6. highest political office in the United States
7. group of people joining together to make government work the way they want it to
8. a political party's official stance on the issues

9. a Presidential _____ is held every 4 years
10. Tuesday in November set aside for voting
11. planned activities to help people win an office
12. discuss or argue an issue; sides present their ideas
13. information gathered by asking voters questions
14. sitting President whom may be replaced after election
15. to register a choice in the election
16. money given by people to help their candidate win
17. problems in the world that voters worry about
18. compartment where a person votes secretly

Political parties choose their candidates to run for government offices. They run campaigns and ask people to vote their candidates into office. When they win, they will surely "party" to celebrate their victory!

I'm an independent voter. I don't belong to any political party.

The two major political parties in the United States are the Republican and Democratic parties. They often go "head-to-head," especially during the debates, when candidates use their heads to think and answer questions quickly!
Other, smaller political parties have their own points of view and their own candidates running for office.

Can you find and circle all the words on this page that begin with the letter "p"? My favorite "p" word is 'peanuts'!

The symbol of the Republican Party is the _____.

Head-to-Head!

Find and circle the names of these political parties:
Constitution
Democratic
Green
Libertarian
Republican
and the large group of people who are independents

Would you believe that I am the animal symbol for the Libertarian Party?

Some voters back this horse... er...donkey!

The symbol of the Democratic Party is the _____.

The Lady Tigers Softball season comes to a crushing end

By Lori Gottula

The Falls City High School softball team's season came to a crushing end this weekend in the district championship series, which was held in Auburn. The Tigers, who finished the season with a 19-13 record, walked away from the field as runners-up in district C-1 which was comprised of seven teams.

"District runner-up was not what we were after, but it's better than five other places," head coach Joe Dunn said.

The sad part was that Falls City, the second seed in the tournament, trounced the Syracuse Rockets 13-1, slid by the Auburn Bulldogs 3-2, then knocked off defending state champion Conestoga 3-0, and waltzed into the championship game undefeated. Word around the Auburn Sports Complex was that Falls City was one game away from the state tournament.

But the Auburn Bulldogs had other plans. The Bulldogs came back through the losers' bracket, then beat the Tigers 9-3, and forced a rubber game. The two teams traded the lead throughout the rub, but the Bulldogs came out on top 9 to 8. The Tigers walked off the field with heads down and tears rolling.

"It was a disappointing ending, but 19 wins is nothing to hang your heads about," Dunn said. Especially not after this tournament.

The Tigers made the first game on Friday (against Syracuse) look easy, finishing it in just four innings. Senior Bailey Armbruster took on the pitching duties, and ended the game with two strike-outs and three fielded grounders for outs at first. Other outs were inked by second baseman Sophie Gilsdorf (3), left fielder Regan Deckinger (1), right fielder Becky Gilkerson (1), and third baseman Morgan Bletscher (1).

At the plate, Erin Brewer led the way with a two-run homer in the second inning. Not to be out-done, catcher Molly Brown pounded out a grand slam in the bottom of the fourth inning. And Bletscher had a three-run homer right after that. Needless to say, the homers added exclamation points to the Tigers' cheer, "FC! You Know!"

The second game in the series was more of a squeaker because the defenses of both teams were on fire. At

the end of four innings, the score was tied at zero. Then in the bottom of the fifth, Brewer socked another homer over the fence and scored herself and Bletscher. Left fielder Regan Deckinger then fired a single, stole second, and crossed the plate on a double by center fielder Meredith Poppe. The Bulldogs tried to come back then, but the play of the day came in the sixth inning, as Auburn was making its move.

With one down, Auburn scored a run, and the score then was 3-1, Falls City's lead. Auburn's Macy Rieschick hit a double then, and her sister, Meg, walked up to bat. Meg pounded a fly ball into deep left field, and it looked like it was about to sail out of the park. Falls City's Regan Deckinger ran back toward the waist-high fence, stretched out toward the ball, and snagged it on the run. When her glove came down, it landed ON the fence. She probably robbed Rieschick of a homer, and in doing so saved two runs from scoring.

The Bulldogs scored one more run in the seventh, but the Tigers held off the typing run and won 3 to 2.

On Saturday, Falls City came out with shock-and-awe against the Conestoga Cougars, and scored two right off the bat. Poppe and shortstop Rylee Scholl both had walks, and Brown and Armbruster hit singles for the two runs. In the second inning, Gilkerson hit a single, then scored on a walk by Deckinger and a sacrifice by Poppe.

The Cougars held the Tigers scoreless for the rest of the game, but Falls City did the same to them throughout the entire seven innings. Senior Tayten O'Brien pitched the first six innings, striking out five, fielding one grounder, and catching a fly for an out. Armbruster came in and closed out the seventh. Two Cougar batters hit pop-ups to center field, and Poppe caught both. Third baseman Bletscher fielded a grounder for the other out, and the Tigers appeared

to be one win away from the golden ticket to the state tournament.

Auburn advanced through the losers' bracket then, defeating Conestoga by the ten-run-rule, and carrying that momentum into game one with the Tigers. In that game, a series of Falls City errors gave the Bulldogs a 6-0 lead after the first two innings. Senior pitcher Tayten O'Brien took the mound for Falls City. The Tigers scored two in the third, but Auburn's lead proved too much to overcome. When the Bulldogs added one run in each of the final three innings, and Falls City was only able to add one, the Tigers lost the game by six runs and were forced into the rubber game.

Falls City seemed to settle down in the final game of the tournament. By the third inning, the Tigers led the Bulldogs 6 to 5. But Auburn scored four runs in the fourth to take the lead away at 6 to 9. Falls City scratched out two more runs in the sixth, but Auburn held them in the final inning, and knocked off the number two seed for the chance to represent this district in the state tournament.

Falls City was led offensively in the final game by Erin Brewer, who pounded another home run to score herself and Bletscher. Morgan had gotten on base with a double. Brown also had a double, and a single. Rylee Scholl hit a single, and Erin Brewer and Regan Deckinger both had singles.

Defensively, Bailey Armbruster took on the pitching duties, and struck out four. Bailey Gilkerson caught two fly balls in right field, Bletscher fielded two and threw to Brewer at first, and she also caught a fly. Scholl did the same, and Gilsdorf fielded two. About the winning season, Coach Dunn said, "This was a great bunch of girls to coach, and we coaches enjoyed it very much."

That goes for the rest of us, too. Congratulations, Tigers.

Two Shubert natives to be inducted into Peru State Athletic Hall of Fame

Peru State is pleased to announce that four individuals and one team will be inducted into their Athletic Hall of Fame on Friday and Saturday, Oct. 21 and 22. This is the 28th group to be inducted into College's Hall of Fame.

PSC President Dr. Dan Hanson, Foundation Executive Director Todd Simpson, and Athletic Director Steve Schneider, have announced that Merle Bauer (posthumously), Jill (Parker) Scanlon, Monte Scott, Garland Shafer, and the 1996 Volleyball Team are being inducted.

A reception, followed by a banquet, will begin at 5:30 p.m., on Friday, Oct. 21, in the Student Center. Reservations for this event must be made in advance. For more information, contact the Foundation Office at 402-872-2395 or email Deborah Solie at dsolie@peru.edu.

The honorees will also be recognized at halftime of the football game versus Grand View (Iowa) on Saturday, Oct. 22. The game begins at 11 a.m. and will be held in the Oak Bowl. This is also the College's ESPN3 television game, thus the reason for the early start.

Hanson said, "We are thrilled to be able to honor Peru State College's outstanding student-athletes and coaches in this way. Each of these individuals has made a significant and lasting impact on our athletic programs that will not be forgotten. Their talent and determination have greatly contributed to the college's long and proud tradition of athletic excellence. We look forward to honoring more Peru State athletic standouts in the future."

The following is a brief biography of the Richardson County honorees: Merle Bauer – Basketball/Meritorious Service – 1950; Merle Bauer is inducted to the Peru State Hall of Fame not just based on his athletic abilities displayed while at Peru State, but also for his contributions to athletics after his graduation from the College.

Bauer was a four-year letterman in basketball and received all-conference honors three years. Bauer and his teammates made three consecutive trips to the NAIA DI National Tournament – 1948, 1949, and 1950.

After graduation from Peru State, Bauer taught and coached in Bertrand, Tecumseh, Holdrege, and North Platte. He was the athletic director at North Platte for nearly two decades with the football field eventually being named after him. He is considered to be the key figure in expanding girls' athletics in North Platte.

Bauer passed away in 1988 and was posthumously inducted in the Nebraska High School Sports Hall of Fame as an athlete, basketball coach, and athletic director.

Garland Shafer – Football – 1983; Garland Shafer was a member of the Bobcat football team and was a captain for two years. Shafer earned NAIA District 11 All-Conference and Omaha World-Herald All-State recognition two times. In 1981, he was named as an NAIA Second Team All-American. Shafer is still in the record books as he shares the record for the longest kickoff return of 100 yards against Yankton in 1981. At one time, he had the longest pass reception of 79 yards in the record books.

He drew the attention of pro scouts as a defensive back with his blend of size and speed. Being a leading tackler, the opponents feared him. The end result caused competition to run and throw away from him enabling the defense to be one of the leaders in all categories in the NAIA.

Shafer was a member of the 9-1 1980 team which was inducted into the Hall of Fame in 2002.

When the Al Wheeler Activity Center was dedicated in 1986, the Peru State College Athletic Hall of Fame was established. The purpose of the Hall of Fame is to recognize, honor and preserve the memory of those individuals and teams whose contributions have greatly enhanced Nebraska's first college.

The Hall of Fame gallery resides in the lobby of the Wheeler Center, named after the first inductee into the Hall of Fame, Alfred G. Wheeler. A candidate can be nominated in one of four categories: coach, player, team, or meritorious service.

A committee of alumni make the selections annually each spring. Nominations are welcomed and can be submitted to PSC Athletic Hall of Fame, c/o Alumni Office, Peru State College, P.O. Box 10, Peru, NE 68421. For additional information, call (402) 872-2304.

"End of Recess" October 17, 1953

As autumn and John Falter paint eerie shadows across the gridiron; once again we find education interfering with the development of football players. Does this school teacher think of the young forward passer as a triple-threat man of All-American possibilities? Does she reflect that if she squeezes more football time into the curriculum, the boy may win fame as a college grid great, and fortune as a pyrotechnic pro? More likely she regards him as a triple-threat educational challenge and is wisely dedicated to prying three Rs into him, letting athletic scholarships fall where they may.
